FROM THE OFFICE OF **Chancellor**

At Galgotias University, we are committed to providing a transformative educational experience that nurtures curiosity, fosters responsibility, and shapes students into global citizens and leaders. With a focus on holistic development, we ensure learners gain the knowledge, skills, and values needed to thrive in a changing world.

Synonymous with quality education and innovation, Galgotias combines academic excellence with an interdisciplinary, flexible curriculum that inspires creativity, agility, and independent thought. Supported by distinguished faculty, world-class infrastructure, and advanced learning tools, students engage in exploration, collaboration, and real-world problem-solving.

Through active learning, industry partnerships, incubation centers, and research-driven initiatives, we prepare students to meet global challenges with confidence. At Galgotias, education is the beginning of a journey where aspirations take flight, intellect is ignited, and futures are shaped by excellence.

Suneel Galgotia
Chancellor

In today's rapidly evolving digital era, success lies at the intersection of technology, skills, and education. With advancements in Artificial Intelligence, automation, and machine learning reshaping the world, academia must remain agile and forward-thinking. At Galgotias University, we continuously update our curriculum and equip students with future-ready skills, ensuring they stay ahead of the learning curve in a tech-driven world.

Collaboration forms the foundation of our philosophy. We work closely with industry leaders, policymakers, and global organizations to design curricula that are contemporary, relevant, and transformative. By integrating AI-powered platforms, immersive virtual labs, and interactive smart classrooms, we create an adaptive and engaging learning environment. As John Dewey aptly said, "If we teach today's students as we taught yesterday's, we rob them of tomorrow." At Galgotias, we embrace innovation to prepare students for tomorrow's challenges.

Yet, education is not just about technology—it is also about character, ethics, and integrity. We focus on holistic development, blending academic excellence with values, leadership, and creativity. Our vibrant campus—rich with cultural activities, hackathons, and student-led initiatives—encourages confidence, critical thinking, and collaboration.

As you begin this transformative journey, I am confident you will emerge as empowered, responsible, and highly skilled professionals, ready to lead the future.

Dhruv Galgotia
CEO

FROM THE OFFICE OF **CEO**

Empowering Future Leaders for a Transforming World

Dear Students,

Welcome to Galgotias University, a place where dreams take shape and the leaders of tomorrow are nurtured. As you begin this exciting journey, know that you are entering an institution that believes in your aspirations and your limitless potential to shape a better world.

At Galgotias, education goes beyond classrooms. It is about awakening your mind, broadening your horizons, and preparing you for the opportunities and challenges of an evolving world. Our academic ecosystem blends hands-on learning, research, smart classrooms, and digital tools to ensure a globally relevant and enriching experience. Whether your passion lies in technology, business, social service, law, healthcare, design, or the arts, our diverse programs empower you to pursue your purpose and create meaningful impact.

We believe in holistic development—building not just knowledge, but also creativity, resilience, adaptability, and leadership. Our thriving startup ecosystem, incubation centers, and experiential learning platforms will help you turn ideas into reality.

You are the future—visionaries, innovators, and changemakers who will redefine industries and inspire generations. Believe in yourself, embrace every challenge, and never stop learning. Together, let's shape the future.

Wishing you an inspiring journey at Galgotias University.

Aradhana Galgotia

Director – Operations

FROM THE OFFICE OF
**DIRECTOR
OPERATIONS**

Dear Students,

Welcome to Galgotias University—a place where dreams take shape, potential is realized, and leaders of tomorrow are nurtured. As you step into this transformative phase of your life, know that you are entering an institution that believes in you, in your aspirations, and in your limitless potential to create a better world.

Education is not just about acquiring knowledge; it is about awakening your mind, expanding your horizons, and preparing you for the challenges and opportunities of an ever-evolving world. At Galgotias University, we embrace change and innovation to ensure that your learning experience is globally relevant, intellectually enriching, and personally fulfilling. We are not just shaping professionals—we are shaping visionaries, innovators, and changemakers.

Our world-class academic framework integrates hands-on learning, cutting-edge research, smart classrooms, and digital tools that encourage you to think beyond boundaries. Whether you aspire to revolutionize technology, create sustainable solutions, lead businesses, serve society, or explore the vast realms of arts and humanities, our diverse programs empower you to follow your passion and make a meaningful impact.

Holistic development lies at the heart of our philosophy. In an era where adaptability, emotional intelligence, and creativity are as vital as technical expertise, we provide an environment that nurtures your intellectual, emotional, and ethical growth. Through research-driven STEM programs, liberal arts, media studies, healthcare, law, design thinking, management, hospitality, and more, we encourage you to explore, innovate, and thrive. Our thriving startup ecosystem, incubation centers, and experiential learning platforms equip you with the skills needed to turn ideas into reality.

As Ratan Tata rightly said, “The strength of India as a country of young, entrepreneurial population cannot be marshalled to its full extent in the absence of access to education.” We are committed to breaking barriers and making world-class education accessible to all through flexible learning models, digital education, and inclusive academic programs.

TRAINING AND PLACEMENT

AN OVERVIEW OF THE CAREER PLANNING & DEVELOPMENT DIVISION (CPDD)

Galgotias University has a well established system of ensuring a smooth transition from the classroom to the workplace. The Galgotias University system aims to fulfill students' aspirations across various sectors of industry. Students can confidently hope to enter the corporate world in sectors and positions commensurate with their capabilities. This environment of opportunities for the students is a result of a well-structured interface with corporates. Students can take on the best of all the opportunities Galgotias University provides. For this they have to go through rigorous corporate-readiness programs which run concurrently with their academic programs. These comprise industry visits, mentorship activity, field research work, corporate interface and faculty-monitored corporate internship programs.

Leading organizations across various disciplines participate in campus placements at Galgotias University. Nearly all students are placed almost a year before they complete their academic studies.

CPDD constantly interacts with the corporate world and helps prepare students for their careers. Corporates such as Infosys and Accenture absorb the largest numbers of students.

ACCENTURE INDIA

"We wish to congratulate all the selected students, faculty and management for their focus on imparting quality education which led to selection of good students during the campus recruitment process conducted for 2012 batch pass outs."

Shoaib Mehraj

North Zone Hiring Lead
India Campus Recruitment
Accenture Services Pvt. Ltd.

Dear Manisha

Wipro has been a regular recruiter at Galgotia's for many years now and we have been

experiencing a set of very professional and well-groomed candidates for its recruitment. The institution has a good talent pool of fresh minds who have been trained to become industry ready in state of the art infrastructure with a very high focus on technical capability as well as soft skills of students.

We have been getting excellent support from the management as well as career development cell in all our engagements with the college and we would like to make this association to bloom further in times to come, adding to our talented global workforce pool enabling our organization and society to reach greater heights.

Wishing the institution all success to become a destination of choice in Engineering education.

Viswanathan

Head-Engineering Hiring
Wipro Ltd.

INFOSYS TECHNOLOGIES LTD.

Greetings!

Please accept my Congratulations on the way your students have performed at our selection process this year. I am glad to share with you that a total of 232 of your students have made it through our selection process and the credit for this definitely goes to the right training imparted by the College and the commitment at all levels displayed by management and placement cell.

The number of students who have cleared our selection process has always been moving Northwards and I wish your students good luck to perform like this and even better for years to come. I must share that your students have been great when it comes to discipline and are extremely articulate. They come across as assertive and very high on learnability.

I look forward to a very long and fruitful relationship with Galgotias.

Thanks again.

Thanks & Regards,

OVER 650+ PROMINENT COMPANIES VISIT GALGOTIAS FOR RECRUITMENT

AND MANY MORE.....

GALGOTIAS UNIVERSITY CELEBRATING 5100+ PLACEMENTS

Galgotias University has once again demonstrated its commitment to academic excellence and industry readiness by securing over 5,100 job offers in the ongoing placement cycle. This outstanding achievement was supported by the enthusiastic participation of more than 1,250 top notch companies, spanning multiple sectors such as IT, finance, engineering, consulting, and manufacturing etc. The diverse pool of recruiters included leading multinational corporations as well as emerging startups, providing students with a wide range of career opportunities. This surge in placement numbers highlights the university's strong focus on skill development, industry-aligned curriculum, and dedicated placement support. It also reflects the confidence employers have in Galgotias University graduates, recognizing their technical proficiency, problem-solving abilities, and professional attitude. Overall, the current placement cycle underscores Galgotias University's role as a premier institution nurturing talent and preparing students for successful careers in a competitive global job market.

Wipro and Galgotias University have signed a landmark MoU to launch a Centre of Excellence on campus, marking a major step forward in Industry-Academia collaboration. The partnership was formalized in the presence of Mr. Vikas Gupta, Senior Vice President and Global Head, Mr. PVS Prakash, Director – NexGen COEs, Talent Next, and Ms. Shweta Choudhary, Senior Manager, Enterprise Applications, Wipro Enterprise Futuring. This initiative aligns with the visionary leadership of Dr. Dhruv Galgotia, CEO, Galgotias University, who continues to drive the mission of nurturing future-ready professionals through strategic industry partnerships and experiential learning. The Centre aims to equip students with advanced technical training and real-world exposure, effectively bridging the gap between academics and employment.

"Orientation of Batch 2026 – Launch of Credit-Based Cybersecurity Courses under Wipro CoE at Galgotias University, in the presence of Mr. PVS Prakash, Director – Next Gen COEs, Wipro, and Mr. Bala Bhaskar G, General Manager & Global Head – Cybersecurity Solutions & GenAI for Security, Wipro"

Galgotias University, Tata Technologies to Launch Industry-Aligned Learning Centre for Technical Advancement

The collaboration between Galgotias University and Tata Technologies will aim to build future-ready professionals and to create a platform to deliver practical and job-oriented technical knowledge among the participants.

Galgotias University has partnered with Tata Technologies to establish a cutting-edge learning centre focused on product development, aiming to make students future-ready professionals. This collaboration will benefit students from Mechanical, Electrical, and Electronics Engineering by providing hands-on training in MCAD/PLM, Electric Vehicle (EV) technologies, and emerging domains. Dr. Dhruv Galgotia, CEO of Galgotias University, emphasized the commitment to globally relevant, practice-based education through this initiative. Backed by placement opportunities, the centre will enhance students' industry readiness. Supported by Tata Technologies' "I GET IT" platform, the partnership includes regular Faculty Development Programs (FDPs) and expert sessions to ensure high academic standards.

Galgotias University Signs Historic MoU with HCLTech

Galgotias University has signed a landmark MoU with HCLTech to foster collaboration in training, placements, research, and knowledge transfer between academia and industry. This strategic partnership, aimed at bridging the gap between theoretical learning and industry expectations, will enable practical exposure and industry-led training for students. Representing HCLTech were Mr. Prasath P, SHRM-SCP, Head of Campus Relations, Rahul Jha, Vice President – Digital Business Service, and Aanchal Tandon, Lead – Campus Engagement. Dr. Dhruv Galgotia, CEO, Galgotias University, emphasized the importance of building strong industry connections to empower students with future-ready skills.

CISCO Networking Academy

Cisco Networking Academy prepares student for a rewarding career in a connected world. Students gain ICT knowledge and practical experience through the Networking Academy program. What student learn in hands-on labs and using simulation tool. The students get training.

Galgotias University Signs MoU with Tech Mahindra to Establish a Centre of Excellence

Galgotias University has signed a Memorandum of Understanding (MoU) with Tech Mahindra, a leading global provider of digital transformation, consulting, and business re-engineering services, to establish a cutting-edge Centre of Excellence (CoE) on campus.

This strategic collaboration aims to bridge the gap between academia and industry by providing students with access to real-world technologies, tools, and training. The CoE will serve as a hub for innovation, research, and skill development, helping students enhance their technical competencies and improve their career prospects.

MoU Collaborations

Apollo Spectra Hospitals

Galgotias University has signed an MoU with Apollo Spectra Hospitals to enhance student exposure in healthcare delivery, hospital management, and preventive care. The partnership includes internships, guest lectures, research collaborations, and awareness programs on wellness.

Sheoran International School

The MoU with Sheoran International School strengthens educational collaboration and supports Galgotias University faculty & staff through exclusive benefits. Key highlights include 100% waiver on admission and security fees for children of employees, daycare and day boarding support, and internal communication facilitation for awareness of these benefits. programs on wellness.

3A Learning Solutions

The MoU with 3A Learning aims to strengthen teaching and learning methodologies, offering students skill-based training, digital learning resources, international career workshops, and joint certification programs to prepare them for global opportunities.

Hobit Technologies Pvt. Ltd.

Through this MoU, students gain exposure to innovation and emerging technologies such as AI, cloud, and cybersecurity. The partnership includes live IT projects, hackathons, mentorship, and industry-relevant training sessions. programs on wellness.

Kansai Nerolac Paints Ltd.

Galgotias University has collaborated with Nerolac Paints to provide students insights into manufacturing, sustainability, and product design. The MoU covers industry visits, workshops, student projects, and CSR activities in sustainability. programs on wellness.

Posterity

Posterity and Galgotias University have joined hands to support workforce development. The collaboration includes HR training workshops, employability skills sessions, internships in HR/consulting, and joint research on future workforce trends.

Store My Goods

This MoU focuses on logistics, warehousing, and supply chain solutions. Students benefit from industry visits, live case studies, internships, and events on technology-driven logistics practices.

GALGOTIAS UNIVERSITY'S iOS STUDENT DEVELOPER PROGRAM

Powered
by Apple & Infosys

iOS Student Developer Program powered by Apple & Infosys cultivates confident product developers, not just coders. It's a transformative journey where industry-trained faculty guide students to embrace iterations, user-centricity, and the unique power of Apple's ecosystem, ensuring apps that truly touch lives. Here's a detailed exploration of the approach

India's digital transformation drives economic growth, with the app ecosystem fueling innovation, entrepreneurship, and job creation in key sectors like healthcare, finance, and education. Supporting the Aatmanirbhar Bharat vision, India promotes a self-reliant digital landscape through world-class app development. Galgotias University advances this mission via its iOS Student Developer Program, empowering students with industry-ready skills, expert mentorship and cutting-edge tools. Powered by global tech leaders like Apple and Infosys the university fosters innovation and technical excellence. Recognized nationally, Galgotias is shaping the next

Inauguration & Vision

The journey of Galgotias University in the domain of app Ecosystem took a significant leap with the introduction of the iOS Student Developer Program powered by Apple and Infosys in February 2024. This initiative is designed to offer students a comprehensive product development journey, an industry-supported curriculum and pedagogy and unparalleled exposure to real-world development practices. A key highlight of the program includes a one-month internship at Infosys' Mysuru campus, allowing students to gain hands-on experience in a cutting-edge technological environment. Through this initiative, Galgotias University ensures that students receive a robust foundation in iOS development while fostering innovation and industry readiness.

**Galgotias University
was honored to host
MR. SUDHIR MISHRA
Talent Acquisition
Leader at Infosys,
for an inspiring visit!**

Mr. Sudhir Mishra toured our campus, met with the Cohort 2 students of the iOS Student Developer Program, and delivered an invaluable session packed with insights. His message? Embrace continuous learning, always stay ahead, and let your work prove your worth. Mr. Mishra emphasized that opportunities in the industry are vast, but it's up to each individual to rise, innovate, and deliver value—companies will not only recognize this but reward it beyond expectations!

He also shared powerful insights on design thinking, customer-centric development, and the evolving mindset needed to succeed as a developer in today's fast-paced world. Also students presented the app pitch session by Cohort 1 students at the iOS Development Center, powered by Apple and Infosys, showcased their creativity and potential.

During his visit, Mr. Mishra met with our Honorable Chancellor, Shri Suneel Galgotia, and Dr. Dhruv Galgotia, CEO of Galgotias University, along with the university leadership team. They engaged in fruitful discussions about the future of tech talent and the transformative role of education in bridging industry needs.

Dr. Dhruv Galgotia remarked, "We are thrilled to have industry leaders like Mr. Mishra inspire and guide our students. His insights will certainly fuel their drive to achieve excellence in their careers."

Thank you, Mr. Mishra, for an unforgettable day of learning and motivation. Your wisdom has sparked a new level of ambition in our stud

HISTORIC GATHERING OF HR TITANS AT GALGOTIAS PARISAMVAD 2.0 SETS A NEW BENCHMARK

In India's evolving educational landscape, we at Galgotias University are committed to bridging the gap between academic learning and industry realities. Our mission is to move beyond rote learning and champion future-ready, experiential education," shared Dr. Dhruv Galgotia, CEO of Galgotias University, in his welcome address at Parisamvad 2.0 – The Human Capital Symposium 2025.

Continuing its commitment to thought leadership and transformative industry-academia collaboration, Galgotias University hosted Parisamvad 2.0, bringing together India's top HR visionaries and strategists from leading organizations including Thoughtworks, KPMG India, Phillips, Atlan, Bajaj Finserv, Nuberg Engineering Ltd., HCLTech, Juniper Networks, LTIMindtree, Comviva, and Evalueserve. The symposium served as a powerful platform to redefine the future of academic-to-industry transition, career readiness, and talent development.

The first panel discussion, "Building Future-Ready Graduates," was moderated by Mr. Narinder Ahluwalia (Executive Vice President, Covalience) and featured a stellar lineup: Mr. Dr. Deepak Singh (CHRO, Protiviti), Mr. Hardeep Singh B. (Group Manager - Campus Relations, HCLTech), Mr. Nikhil Mishal (Director & Head Talent Acquisition, KPMG), Mr Rishi Banerjee (Director - Talent

Acquisition, Atlan), Ms. Trupti Ambore (Head - Early Careers, Juniper Networks), and Mr. Aasif Syed (Lead - Early Career, Thoughtworks). Together, they addressed how higher education must evolve to nurture agile, empathetic, and industry-aligned graduates ready to thrive in dynamic ecosystems.

The second panel, "The Internship Revolution: Converting Potential into Performance," was moderated by Mr. Neeraj Shridhar (Global HR) and featured insights from talent acquisition leaders: Mr. Viney Kaushik (CHRO, Nuberg Engineering), Ms. Aanchal Tandon (Senior Manager - HR, HCLTech), Ms. Ayana Sengupta (Head - Talent Acquisition, Comviva), Mr. Sachin Sahani (Head - Talent Acquisition, Bajaj Finserv), and Mr. Ashok Ranjith Rajasekaran (Principal Director - HR, LTIMindtree). The panel explored the transformation of internships into performance-oriented, high-impact engagements that empower students with real-world readiness.

The event reaffirmed Galgotias University's leadership in experiential learning and industry-aligned education, marking a milestone in shaping India's future-ready professionals.

Galgotias University hosted an HR conclave 'Parisamvad - Human Capital Symposium 2024' at the university campus. Top HR leaders from diverse industries came together and participated in the event to share their valuable expertise and to engage in thought-provoking panel discussions.

The senior HR professionals present on the occasion were:

These professionals emphasised that diversity, equity and inclusion (DEI) initiatives were not only ethical imperatives but also critical drivers of organisational success. A workplace where merit, not privilege determines success can evolve when hiring practices eliminate biases and when tailored development programs are provided for underrepresented groups.

Best HR practices such as creating an environment where individuals can express their authentic selves without fear of discrimination were discussed. Pervasive role of Artificial Intelligence in reshaping business operations, enhancing efficiency and driving innovation evinced a keen interest from the audience.

The HR stalwarts advised the students to embrace life long learning, network strategically, take initiatives, build a personal brand and stay curious and adaptable.

Hon'ble Dr. Dhruv Galgotia, CEO with Mr. Neeraj Sridhar

GALGOTIAS UNIVERSITY **WELCOMES** ESTEEMED INDUSTRY LEADERS TO ITS CORPORATE ADVISORY BOARD

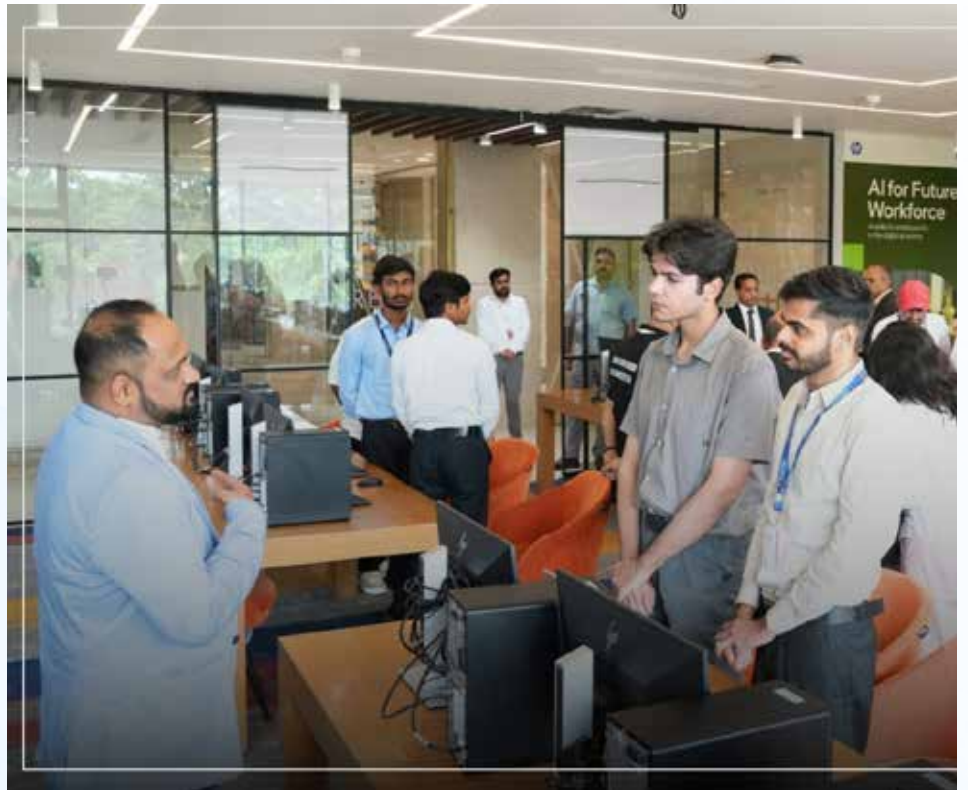

Galgotias University Welcomes Esteemed Industry Leaders to Its Corporate Advisory Board

Galgotias University proudly welcomes its newly formed Corporate Advisory Board—comprising senior leaders who bring unmatched expertise in HR, talent strategy, and innovation. The board includes Dr. Deepak Singh (CHRO, Protiviti India), Ms. Ruchi Mago (CHRO, Orange Business), Mr. Jashan Joshi (Talent Acquisition, ZS), Mr. Niket Gupta (Head – TA & Campus, Myntra), Mr. Sumit Premi (Global Head – TA, Razorpay), Mr. Vir Bharat (Head HR, Yamaha Motor Solutions), Mr. Vibhor Sharma (Head – TA, Hike), and Mr. Gokulakannan Narasimhan (Sr. Manager, ServiceNow).

This board will play a key role in bridging industry and academia—mentoring students, shaping future-focused curricula, and driving real-world readiness. We are grateful to our Hon'ble Chancellor Shri Suneel Galgotia and CEO Dr. Dhruv Galgotia for their visionary leadership in shaping Galgotias into a hub of opportunity and excellence.

Student Placement Testimonial

“I am Vanshika Chandna, a Computer Science graduate from Galgotias University, Batch 2025, and I am delighted to share that I have been placed at Microsoft. Achieving this milestone with one of the world's top tech companies has been a dream come true. I am deeply grateful to Galgotias University, the faculty, and the placement team for their constant guidance and support. This achievement marks an exciting beginning, and I look forward to the journey ahead.”

VANSHIKA CHANDNA
B.Tech CSE (2025)

“I'm thrilled to share that I have been placed as a DevOps Engineer at UST with a package of ₹10 LPA. This achievement reflects the transformative journey I experienced at Galgotias University, where faculty support, placement training, and a culture of continuous learning enhanced both my technical and soft skills. Mock interviews and guidance from the placement division kept me confident and prepared. I'm grateful to my family, friends, and peers for their constant motivation and support.”

GUNJAN SHIKHA
B.Tech CSE (2025)

“I am Abid Shah, a final-year B.Tech CSE - AIML student at Galgotias University, and I'm delighted to share that I have received offers from Infosys (₹3.6 LPA), Wipro (₹4.5 LPA), and Fiserv (₹9.80 LPA). I have accepted the offer from Fiserv and will be joining soon. Galgotias University, through faculty guidance, placement support, and training sessions, has greatly enhanced my confidence, technical expertise, and communication skills. I am truly grateful for this strong foundation.”

ABID SHAH
B.Tech CSE (2025)

“During my B.Tech in AI & Data Science at GU, I received great support from my teachers, which helped me build strong technical skills in Java, web development, and DSA. With their guidance, I worked on several projects, improved my problem-solving, and grabbed multiple opportunities. As a result, I got placed in several companies.”

VARUN SINGH
B.Tech CSE (2025)

“I'm excited to share that I've been placed at Fiserv, Pune, as an AI/ML Engineer! 🎉 This milestone is a big step in my journey, fueled by my passion for artificial intelligence and machine learning. I look forward to applying my skills to real-world projects, learning from industry experts, and contributing to impactful fintech solutions. Grateful to my mentors, peers, and everyone who supported me throughout. Eagerly looking forward to this new chapter at Fiserv!”

ANIKA SRIVASTAVA
B.Tech CSE (2025)

“I am Raman Singh Raghuvanshi, a student of Galgotias University, and I'm happy to share that I have been placed at Wipro. The university provided me with immense opportunities, continuous guidance, and support that helped me achieve this milestone. Grateful to my mentors for shaping my journey.”
