

School of Engineering
DEPARTMENT OF CIVIL
ENGINEERING

1.4.2

ABSTRACT OF THE FEEDBACKS AND SUGGESTIONS RECEIVED FROM STAKEHOLDERS ON CURRICULAR ASPECTS AND ACTION TAKEN ON THEM

School of Engineering

Department of Civil Engineering

1) Academic Year: 2015-16

Sr. No.	Feedback/Suggestions Received	Action Taken
1	Some advanced topics might be proposed in the courses.	Some updated topics have been added in the curriculum for several courses in the B.Tech syllabus
2	More design practices can be given in the Practical courses of M.Tech Structural Engineering.	In the practical courses, more design topics have included in the M.Tech Structural Engineering program.

2) Academic Year: 2016-17

Sr. No.	Feedback/Suggestions Received	Action Taken
1	Inclusion of new courses in B.Tech Civil Engineering	A course Highway engineering has been included in the curriculum
2	Addition of contents in B.Tech Civil Engineering	Some course contents have included and excluded in few courses of the B.Tech civil engineering curriculum.
3	Soft skill development courses	CAD Lab courses has been conducted.

3) Academic Year: 2017-18

Sr. No.	Feedback/Suggestions Received	Action Taken
1	Some new courses can-be framed	Various new courses have been introduced in the B.Tech civil engineering program.
2	Courses based on project can be included	Project based learning course have been incorporated in the curriculum

Galgotias University

4) Academic Year: 2018-19

Sr. No.	Feedback/Suggestions Received	Action Taken
1	Advanced topics has to be added in the syllabus contents for B.Tech Program	Some of the course contents have been modified with advanced topics in the curriculum of B.Tech Civil Engineering
2	Some contents shall be included in the design-oriented courses for M.Tech Structural engineering	Part of contents have been modified for the structural design specified courses in M.Tech Structural Engineering.

5) Academic Year: 2019-20

Sr. No.	Feedback/Suggestions Received	Action Taken
1	Some topics were suggested in the course contents of the B.Tech civil engineering programs	Some courses have been modified with the contents in B.Tech Civil Engineering
2	A new unit has been suggested in all the programs for the research gaps	One unit have been included in all the courses for all the programs for the research purposes.
3	Some topics were advised in the course contents of the M.Tech Structural engineering programs	Few topics were modified in the M.Tech Structural Engineering program.

Enclosures:

- 1- Feedback Analysis and Action Taken Report of Academic Year 2015-16
- 2- Feedback Analysis and Action Taken Report of Academic Year 2016-17
- 3- Feedback Analysis and Action Taken Report of Academic Year 2017-18
- 4- Feedback Analysis and Action Taken Report of Academic Year 2018-19
- 5- Feedback Analysis and Action Taken Report of Academic Year 2019-20
