

## SCHOOL OF LIBERAL EDUCATION (SOLE)

# PEDAGOGY

# INNOVATIONS

- **Post-graduate level:** In every Department of SOLE the traditional teaching has been enriched by experiential exercises like film analysis, script analysis, conversation analysis and discourse analysis.
- **Under-graduate level:** The use of case studies, news paper reporting, and cognition of internationally known events play a dominant role in the teaching learning process. Students are encouraged to actively participate by providing authentic materials for discussion.
- Students are also encouraged to participate in experiential learning through poster presentation and academic debates. Students of under-graduate as well as the post-graduate level are also motivated to use SPSS in their work on graduate thesis/academic projects as a learning tool.
