

GU/IQAC/Curricular Feedback/DIAC/ATR/2019-20

**School of Engineering & Technology**  
**Department of Electrical, Electronics and Communication Engineering**

**Action Taken Report on the Feedback of the Stakeholders**

|          |                           |
|----------|---------------------------|
| <b>A</b> | <b>Students Feedback</b>  |
| <b>B</b> | <b>Teachers Feedback</b>  |
| <b>C</b> | <b>Alumni Feedback</b>    |
| <b>D</b> | <b>Parents Feedback</b>   |
| <b>E</b> | <b>Employers Feedback</b> |

Following actions were taken to improve the syllabus and curriculum for all the programs offered based upon the stakeholders' feedback.

| <b>Sr. No.</b> | <b>Feedback/Suggestions</b>                                 | <b>Action Taken</b>                                                                        |
|----------------|-------------------------------------------------------------|--------------------------------------------------------------------------------------------|
| 1              | Discipline skill development program proposed.              | Emotional Intelligence on 16-25.08. 2019                                                   |
| 2              | Expert talk on recent technology proposed                   | 5G Technology conducted on 22.08.2019                                                      |
| 3              | Competitive exam preparation program proposed               | Already conducted programs on GATE and PSUs selections on 21.02.2019                       |
| 4              | Hand on training on recent technology needs to be conducted | Disruptive Technology course provided for all the students for the entire semester.        |
|                |                                                             | Hand on practice on Arduino Fundamentals conducted on 15.11.2019.                          |
| 5              | Expert talk on recent technology proposed                   | Expert lecture on Fiber Optic conducted on 08.08.2019.                                     |
| 6              |                                                             | Seminar on IoT already conducted on 01.03.2019.                                            |
| 7              |                                                             | A seminar on Artificial Intelligence - Road ahead has already been conducted on 07.02.2019 |
