PROF. (DR.) MANJU CHHUGANI

Prof. (Dr.) Manju Chhugani started her journey as a midwife started way 28 years ago and since then I have been instrumental in uplifting the educative social status of midwives in India. She is a strong believer of initiation, determination and persistence. Her educational qualifications include MSc Nursing (Obstetrics and Gynaecology), MBA (Marketing), Post Graduate Diploma in Human Rights and PhD. She is the country contact of midwifery today and serve as the board member of Midwives Alliance of Asia (MAA). As a midwife, she brings insight across a cross section programme issues including implementation, communication and research related to Maternal and Child Health (MCH) and is a strong supporter of providing holistic midwifery care. She has contributed to the development of guidelines and handbooks in collaboration with the Ministry of Health and Family Welfare (MOHFW), Government of India. During the course of her career as a midwife, she has worked in a project in collaboration with UNICEF in two backward districts of Bihar, Gaya and Saharsa. The objective of this project was to strengthen the midwifery education in this areas and a model college was created and further, practical guidelines, lesson plans and educational materials were developed for teachers.

As a humble initiative for strengthening the skills of healthcare providers in rendering Maternal and Child Health Care (MCH), a National Skills Training Centre – Daksh, was established in Jamia Hamdard in collaboration with MOHFW and Liverpool School of Tropical Medicine (LSTM), United Kingdom. Prof. (Dr.) Manju Chhugani feels empowered as a midwife to be the Executive Member of White Ribbon Alliance of India (WRAI) which works for Safe Motherhood in India and also is the Board Member of Ipas which advocates for Safe and Comprehensive Abortion Care in India. She has made significant contributions in the development of skill based video films related to MCH in partnership with MOHFW and UNICEF. She campaigns for improvement of MCH for which she has been associated as the member of Education Standing Committee of International Confederation of Midwives, member of expert task force on evaluation of skilled birth attendants (SBA), member of Expert group for finalizing the BeMOC Training Modules of Govt. of India, member of WHO - IMPAC Guidelines steering group etc. She is one of the pioneer members in instigating the Society of Midwives of India (SOMI). This society took its feathers in 2000, and she held the position of Joint Secretary of SOMI at the national level and Secretary of Delhi Chapter. She is passionate about sharing my experiences in this journey as a midwife and the enthralling birth stories, for which she has organized workshops, educational programs and presented 53 papers at National and International level and have a wide range of publications. She is an advocate for the natural birth process and is an active supporter of midwives.

Prof. (Dr.) Manju Chhugani has a total of 49 publications, 6 chapters, 5 books, 15 guidelines under her umbrella. Presently she is working Dean, School of Nursing Sciences and Allied Health, Jamia Hamdard, actively blending her knowledge and expertise in the field of midwifery by rendering quality midwifery education to students.
