

2019 International Conference On Computing, Power And Communication Technologies (GUCON 2019)

September 27-28, 2019

Venue: Radisson Blu Greater Noida & Galgotias University GCET Campus, India

Technical Sponsor : IEEE Industry Application USA

www.gucon.org

Keynote Speaker

**Prof Dharmendra Sharma-Chairman-University
Academic Board, University of Canberra, Australia**

Prof Dharmendra Sharma is a career academic and researcher. His PhD is in Artificial Intelligence from the Australian National University. He obtained his undergraduate and postgraduate qualifications from the University of the South Pacific, where he was an academic for over 20 years prior to moving to take up an academic appointment at University of Canberra in 2001. He then completed his postgraduate qualifications in computer science from the University of New South Wales prior to completing his PhD at ANU. He has held several leadership positions including deanship. Currently, he is Chair of University Academic Board, and concurrently holds a distinguished professor position. He is also a member of FNU, University of Canberra Council and has been an external advisor to USP for several years. He has published over 310 research papers and has won several competitive research grants, and has produced over 35 higher degrees by research students. He has been a respected leader in academia and in university administration for over 26 years. He received the Australian Order in the recent Queen's Birthday Honours for his services to computer science and to higher education
