

SCHOOL OF COMPUTING SCIENCE AND ENGINEERING

Request for approval for the changes required in BoS panel with proposed names

S. No.	NAME OF MEMBERS	SPECIALIZATION	DESIGNATION	REASON OF CHANGE	PROPOSED NAME	REMARK
1	Prof. (Dr.) Munish Sabharwal Professor and Dean School of Computing Science and Engineering, Galgotias University	AI & ML, Biometrics	Chairperson			
2	Dr. Avadesh Kumar Professor School of Computing Science and Engineering, Galgotias University	Advanced Operating System	Member			
3	Dr. Amit Kumar Goel Professor School of Computing Science and Engineering, Galgotias University	Machine Learning	Member			
4	Dr. Ajay Kumar Shankar Professor School of Computing Science and Engineering, Galgotias University	Cloud Computing	Member			
5	Dr. Tapas Kumar Professor School of Computing Science and Engineering, Galgotias University	Digital Image Processing & Computer Graphics	Member	Left the Organization	Dr. B. Balamurugan Specialization- Digital Image Processing and AI/ML Professor School of Computing Science and Engineering, Galgotias University	Request for approval
6	Dr. Avadhesh Kumar Gupta Professor School of Computing Science and Engineering, Galgotias University	Specialization – Big Data Analytics and Cyber Security Professor	Member	Left the Organization	Dr. S. Srinivasan Specialization- Computer Networks and Cyber Security Professor School of Computing Science and Engineering, Galgotias University	Request for approval
7	Dr. Thirunavukkarasu K. Associate Professor School of Computing Science and Engineering, Galgotias University	Data Science, Data Analytics, Predictive Modelling	Member	Left the Organization	Dr. Shiv Kumar Verma Specialization: DIP, ML, Mathematical Modelling Professor School of Computing Science and Engineering, Galgotias University	Request for approval
8	Dr. D. Rajesh Kumar Associate Professor School of Computing Science and Engineering, Galgotias University	Cloud & Wireless Sensor Network	Member			
9	Dr. Kavita Associate Professor School of Computing Science and Engineering, Galgotias University	Block Chain, Artificial Intelligence	Member		Dr. SPS Chauhan Specialization: Computer Networks and AI Professor School of Computing Science and Engineering, Galgotias University	Request for approval
10	Dr. E. Rajesh Associate Professor School of Computing Science and Engineering, Galgotias University	Data Mining, Networks, Computational Intelligence	Member			
11	Dr. Shreddha Sagar Associate Professor School of Computing Science and Engineering,	Soft computing, Artificial Intelligence	Member		Dr. Sanjeev Prasad Specialization: Algorithms and Database Modelling	Request for approval

	Galgotias University				Professor School of Computing Science and Engineering, Galgotias University	
12	Mr. Anand Dohare	Data Analytics	Member		R. Madhusudhan Specialization: Cryptography & Network Security Associate Professor, NIT Karnataka +91-824-2473256 madhu@nitk.ac.in	Request for approval
13	Himanshu Gupta Senior Researcher, IBM India Research Laboratory, New Delhi, India +91-9958625522 higupta8@in.ibm.com	Computer Science & Emerging Tech	External Member			
14	Amit Nevatia Education Program Lead (India and South Asia), Amazon Internet Services Pvt Ltd. (AWS) +91-9899110922 anevati@amazon.com	Computer Science & Emerging Tech	External Member
