### **REPORT ON ART & CRAFT COMPETITION**

**Date: 17 NOVEMBER 2017**

**Venue: Food Court Area**

**Time: 1 PM**

“**THE ART & CRAFT COMPETITION**” is organized by School of Computing Science and engineering, gave a platform to students to showcase creative & artistic talent. The exhibition was inaugurated by Dean, SCSE. The main event of this was face painting which was made to promote creativity and new ideas, provide guidance to students and explore new and innovative ways of doing things. It was not only to motivate students to explore art but to realize them how beautiful is the world of art. Events like face painting and sketching had ignited the spirit of artist among students. There were exhibitions made especially for the art performed by students and was beautifully displayed. The abstract art and creativity showed by students was praised by faculty.

This day made entire campus lit with creativity and each one of us was amazed by abstract style painting showed by senior students of campus. At the time of result declaration of the competition, judges were in tight position to make judgment. The artworks showed by students were outstanding and made us speechless. The **ART & CRAFT COMPETITION** ended by the outstanding and creative art style exhibition.
