REPORT ON VAISAKHI CELEBRATION

Date: 13 April, 2016
Venue : C Block Auditorium
Time : 11:00 am

The festival of Baisakhi is celebrated as a spring harvest festival, with different names throughout the country. Celebration and festivities seem to have no end at Galgotias University. The school of Computing Science and Engineering celebrated Baisakhi with great zest and fervour. The day began with thanking the almighty for his divine grace and was carried forward by a cultural show depicting the significance of Baisakhi.

A skit highlighting the establishment of Khalsa Panth in Punjab and the birth of Sikhism was presented, followed by a puppet show conveying the importance of consistent hard work, and a bhangra performance. The students were reminded of the sacrifices made by our freedom fighters in Jallianwala Bagh, Amritsar. The Dean of SCSE stated “We are enjoying our freedom as an independent nation only because of the sacrifices made by our freedom fighters. We must remember them always”. The show ended with a short video on the history of Baisakhi.
