**SCHOOL OF COMPUTING SCIENCE AND ENGINEERING
REPORT ON ROLE PLAY**

Date: 4 JAN 2019, Friday

Venue: C Block Auditorium

Time: 9:00 AM

School of Computing Science and Engineering organized a colorful and memorable event of Role Play. Students of SCSE have really put the effort in it. The performance of students made judges speechless and it was a tough decision for them to choose. Students really enjoyed a lot and dispersed with a sincere hope that such mega events should be organized time and again giving the students a chance to display their talents.

This competition not only gave students to overcome the fear of stage but showcase their talents among others. The theme of this event was "Social Issues". Students were fully aware that this is not just a competition but an opportunity they fully utilized this chance to aware audience about the social issues in current society. Social issues like child labour, equality, domestic violence etc. these issues were showed so realistically that it changed audience's perspective to view society and changed the heart of several in a positive manner.

This event has left an impact on us and was heart touching. One could feel these issues. This competition was truly motivational and an eye opener.
