REPORT ON HOLI CELEBRATION**

**Venue : Food Court Area**

**Time : 3:00 pm**

**Date: 22 March 2016**

Holi is the unique and colourful celebration of many myths, legends and deities associated with it. It has many interesting facts and figures which is important for the people to know. The festival of colours is very significant for our lives and body in various other ways than providing fun and the joy. Keeping this in mind, School of Computing Science and Engineering celebrated this event with students, staff and other team members. It incorporated so much fun in the department.

The event started with special dance performances based on certain themes. The faculties have also participated in the cultural event. It includes different games, food and other enjoyment. The event was filled with togetherness and memories. The Holi celebration at SCSE was a melting pot of different cultures that encouraged everyone to blend in even further.
