REPORT

SKIT COMPETITION ON THE OCCASION OF WORLD THEATRE DAY

Date: 27 March, 2018

Venue: C-Block Auditorium

Time: 2:00 PM

World Theatre Day was created by the International Theatre Institute and celebrated for the first time on 27 March 1962, the opening of the "Theatre of Nations" season in Paris. Since then, every year on this date, World Theatre Day is celebrated on a global scale. One of the most important actions for World Theatre Day is the dissemination of the international message through which world-class figures share their thoughts on Theatre, Culture and Peace.

World Theatre Day is celebrated every year on 27 March to highlight the importance of theatre and nowadays it is losing its importance. School of Computing Science and Engineering not only maintained its importance but also gave a chance and platform to students to show their acting skills and mimicry skills. I believe that this effort not only gave students chance to perform but also a great opportunity to showcase their hidden actors.

A Skit competition is organised by SCSE for the students and 12 groups have participated in the event and with the consent of the cultural committee of SCSE the award of best performance is given to Subham Garg, Group No. 5 and the runner up group is Farhan Mustafa, Group No. 2.
