## SCHOOL OF COMPUTING SCIENCE AND ENGINEERING REPORT ON INDEPENDENCE DAY CELEBRATION

**Date: 14 Aug 2015**

**Venue: C-Block Ground Floor**

**Time: 11:00 AM**

This year as on 14th August 2019, the celebration of Independence Day was held in a mesmerizing way by School of Computing Science and Engineering. The morning of the event in the campus started with a Flag Hoisting at exactly 11:00 AM with numerous students of the Department in the Campus Ground. The flag hoisting was done by the Dean of School of Computing Science and Engineering followed by the national Anthem. He also inspired us by saying that each and every citizen of India can be a true patriot by fulfilling his duties and responsibilities towards the nation. The celebration consists of two events, patriotic songs and Indian History Quiz. Students and faculty members have enjoyed a lot with a feeling of nationalism.

Here are the glimpses of the celebration...
