## SCHOOL OF COMPUTING SCIENCE AND ENGINEERING REPORT ON REPUBLIC DAY CELEBRATIONS

Date: 26 JAN 2017

**Venue: Campus Ground** 

Time: 10 AM

India won freedom on the 15th of August, 1947 and became a Republic on the 25th of January, 1950. The new constitution of free India came into force with effect from this day. It is a day of national rejoicing and a red-letter day in our country.

The day is celebrated with pomp and show, zeal and spirit, throughout the length and breadth of the country. School of Computing Science and Engineering celebrates republic day with great pride and honor. The Campus building was tastefully decorated with flowerpots, buntings, pictures of heroes of the freedom movement and national flags. This day was initiated by a speech of Dean, SCSE and hoisting of flag, NCC parade followed by National Anthem. This day was made special by the NCC who did spectacular parade and a grand salute to our pride "The Tricolour". This day was heart touching and a honor day for us.
