“Words make you think. Music makes you feel. A song makes you feel a thought”

A singing competition was organised by School of Computing Science and Engineering on 13 Jan, 2021. Students of SCSE participated in the same and put forth their enthralling performances to adjudge. The theme of the songs was western, devotional and patriotic. The competitors presented a variety of songs and made the whole atmosphere melodious. All the young maestros sang to their level best and made the competition a great success. The winners were all appreciated by the judges and were awarded with certificates in order to embolden them.

The synchronization of the melodious voices and the instruments was heart-warming. All the performances were greeted with a loud round of applause. Each one of them sang with the same zeal.

Everyone was nervous and was anxiously waiting for the verdict. Soon, the moment we all were waiting for arrived. The judges (Dr. Shradha Sagar, Dr. Kavita) with the consent of the cultural committee announced the result and shared that it was a tough competition.
