ABOUT SCHOOL OF EDUCATION

Teaching has been considered as a noble profession in our country. Teachers are known as transmitters, inspirers and promoters of man's eternal quest for knowledge. Teachers have gained high place and reputation in the society due to those inborn teachers of ancient times that sacrificed their life for teaching. Initially only those persons were used to accepted or permitted for teaching who had inherent quality to become an effective teacher. Afterwards expansion of school system demanded more good teachers and system of teacher training came in to existence. Through teacher training those are trained in teaching skills that are desirous to enter in the teaching profession with perfection. This trend is prevailing with the rapid expansion in the field of teacher education in different dimensions to produce effective teachers.

Galgotias University, School of Education is offering full time, regular and face to face two academic year duration (four semesters) under graduate program of Bachelor of Education (B.Ed.), post graduate programs of Master of Education (M.Ed.) and Master of Arts in Education (M.A. Education). University is

also offering Ph.D. in Education program. B.Ed. and M.Ed. programs are duly recognised by the National Council for Teacher Education (NCTE) under its Regulations of 2014. B.Ed is a pre-service professional teacher education program that prepares teachers for upper primary, secondary and senior secondary level schools. M.Ed., M.A. in Education and Ph.D. in Education programs are aimed at developing teacher educators, researchers and professionals for effective participation in educational activity in different areas. The School is set up with the objective of providing excellence in preparation of teachers, teacher educators, education professionals and research. We believe that the quality of the pupil-teacher is determined by the quality education, the knowledge, attitudes, values and experiences provided during the teacher preparation training. We have strong belief that the teachers play significant role in any society as they build the foundation of a sound nation. We are dedicated to provide innovative and high quality opportunities to our students. Following words are our guiding force. School is trying to work on these lines and confident to bring new life in teacher education.
