MOVE Knowing which move to make comes with IN-SIGHT and KNOWLEDGE and by learning the lessons that are accumulated along the way, We become each and every piece within the game of LIFE”

TABLE TENNIS TOURNAMENT

It is also known as Ping pong, a sport in which two or four players hit a lightweight ball back and forth across table using small bats.

The game takes place on a hard table divided by a net. Except for the initial serve , the rules are generally follows: players must allow a ball played towards them to bounce one time on their side of the table, and must return it so that it bounces on opposite side at least once. A point is scored when a player fails to return the ball within the rules. Play is fast and demands quick reactions. Spinning the ball alters its trajectory and limits an opponent’s options, giving the hitter is a great

Sports Event

Sports event was conducted by school of architecture on date 20-21 February 2019. The games of Cricket, and Football would be played in the fest.

Cricket

A yellow poster for a cricket tournament. At the top center is the Galgotias University logo, a stylized 'G' with blue and red curves, above the text 'GALGOTIAS UNIVERSITY'. Below this, the text 'School of Architecture' is in a grey sans-serif font, followed by 'CRICKET' and 'TOURNAMENT' in large, bold, red capital letters. A red rectangular box on the left contains the text 'Date : 20 Feb 2019' in white. Below the date, the text 'Team of 11' is in a grey sans-serif font. Further down, the venue 'Venue : Infront of C-Block, Galgotias University' and time 'Time : 10 AM onwards' are listed in a smaller grey font, followed by the coordinator 'Coordinator: Naved K Ariyana'. On the right side of the poster is a black silhouette of a cricketer in a batting stance, holding a bat high.

Cricket is a bat-and-ball game played between two teams of eleven players on a field at the centre of which is a 22-yard (20-metre) pitch with a wicket at each end, each comprising two bails balanced on three stumps.

The batting side scores runs by striking the ball bowled at the wicket with the bat (and running between the wickets), while the bowling and fielding side tries to prevent this (by preventing the ball from leaving the field, and getting the ball to either wicket) and dismiss each batter (so they are "out"). Means of dismissal include being bowled, when the ball hits the stumps and dislodges the bails, and by the fielding side either catching the ball after it is hit by the bat and before it hits the ground, or hitting a wicket with the ball before a batter can cross the crease in front of the wicket.
