

# World Health Day

World Health Day, everyone probably heard about that health is wealth. Every educated and aware person knows that health should be the priority in their life. Maintaining healthy habits leads to a better life.

Department of Pharmacy (SMAS) had organized this event. Firstly Dean (SMAS) Prof. P.K. Sharma had welcomed the guest (Ms. Neelam Verma) and shared few words on World Health Day. After that Ms. Neelam Verma (Associate Professor of Goel Institute of Pharmaceutical Sciences) had given webinar on Hypertension. Total 44 participants were present in webinar. Two more competitions were included in the World Health Day i.e. Poster presentation and Singing. Winners were selected by judges (Miss Neelam Verma &

Saurabh Agrahari (Govt. Pharmacist in ESI Department U.P. Govt.) . Winners selection were done.

**In poster presentation:** on the basis of their poster making, way of presentation and question - answer.
