Report**23. Medical Camp at Dankaur Village.**

On 03rd April 2015, A cultural event was organized by Department of Medical Lab Technology, Galgotias University on Medical Camp. The main focus and objective of the medical camp was to make people participate and get their health checkups done, so that they can be made aware of any health issues they were facing. Another objective of the medical camp was to spread awareness on the importance of regular routine checkups, so that any serious medical issues can be avoided. As checkups at hospitals are expensive and many times unaffordable for many, the other objective was to provide the less privileged with a chance to get their check ups done without any cost so that they can also pursue a healthy life. There were 75 Volunteers along with students of Galgotias University who took part in the programme. All the volunteers showed great enthusiasm and we had many locals participate in the program, and they handled the programme really well.

57. Legal Aid Society-Legal Awareness Camp Bhartiya Adarsh Inter College, Dadri, Greater Noida.

The Centre for Clinical Legal Initiatives organized a legal awareness camp on 24/09/2015 at Bhartiya Adarsh Inter College, Dadri, Greater Noida. The theme of the program was women and child rights, the students from the law school performed skits and delivered legal awareness speeches on issues of right to education, child marriage, child labour, female foeticide and offence against women.

The audience for the event comprised school students, teachers and parents, who were made aware about their legal rights and recent legal development in the country. The first skit was based upon "FIR". The message given by the skit was that it is the right of every citizen to have his complaint registered with the police. Concerns were expressed that very often if people go to register a FIR, there are obstacles that they have to experience, problems arising out of the existence of vested interests. These types of concerns can be addressed only when people are well acquainted of their rights. Next, a poem was recited by Law School student Ms. Shubham Singh titled "**mera kya gunaah hai agar bhagwan ne mujhe ladki chuna hai?**" The poem raised the issue of female foeticide and delivered a strong message to curb this evil practice. "Women Empowerment" was the theme of three other skits which showed the atrocities committed on women during their lifetime and how women can fight against such atrocities. What are the legal remedies and recourse available to her to fight this abuse? Anything that makes a woman feel inferior and takes away her self-respect is abuse. The audience was also made aware about their rights as a consumer. It is the right to have information about the quality, potency, quantity, purity, price etc and the consumer is to be protected against unfair trade practices. In addition to all this, a speech was given by Law School student Mr. Utkarsh Mudotiya on "Women Empowerment". A number of women related problems in the society were raised with information on access to justice, it was a motivational speech which garnered great response from the audience specially the girl students of the school. In the end the Principal of the School in his address praised the students of Legal Aid Society, Galgotias University for their efforts. He expected more programs on different issues in near future. Finally as a matter of appreciation memento were presented by Prof. Utkarsh Yadav & Prof K.K. Geetha to the Principal of the school. The entire event was organized and coordinated by students from the Legal Aid Society.
