5. Brief details about Galgotias University, Uttar Pradesh

Galgotias University, Uttar Pradesh, sponsored by Smt. Shakuntala Educational and Welfare Society, has been established by state of Uttar Pradesh under section 2(f) of the UGC Act, 1956 vide The Galgotias University Uttar Pradesh Act, 14 of 2011. The University commenced its operation from the academic session 2011-12.

The word 'university' originated from the Latin word 'universes', which means whole or entire. A university is a place where a student is bestowed with complete knowledge of the subject he or she is pursuing. But education, like everything else in the world, has evolved over centuries. Today, it is no longer about just garnering theoretical knowledge, it is also about practical application of that knowledge in the real world. That is the approach taken by Galgotias University where intense theoretical sessions are blended with practical applications.

Galgotias University has a rich legacy of eight decades of leadership in education. The University has the vision to be known globally for education, research and innovation at the intersection of the disciplines. The university provides an excellent holistic learning environment based on professionalism and helps students to emerge as

complete human beings with greater intellectual, emotional and spiritual quotient. The thinking quotient, the students acquire, enable them to learn for life.

Galgotias University through its seventeen Schools of studies offers a wide range of high-quality Undergraduate, Post-graduate and PhD Programmes in the emerging areas of Engineering & Technology, Management, Finance & Commerce, Basic and Applied Sciences, Humanities & Social Sciences, Pharmacy, Architecture, Education, Hospitality, Media & Communication, Law, Physiotherapy, Nursing, etc.

As on date more than 12000 students are on rolls of the University in its various Undergraduate/Post-graduate, Doctoral Programmes & Diploma Programmes.

Moving forward to next level education, it has created a high-quality learning environment that has an inspired, cutting-edge faculty as its core. Academicians drawn from the world's finest universities, imbues the learning culture with great intellectual character and depth. Faculty drawn from IITs, Carnegie Mellon University, Purdue University and other fine academic institutions, have evolved a multi-cultural spirit and multi-dimensional pedagogy; and have guided and inspired all the university infrastructure. The new age classrooms, laboratories and activity centres are all designed by Montreal based Arcop International which is at par with the best in the world.

Galgotias University follows the Choice Based Credit System (CBCS) which enables the students to pursue both their career based academic choices such as Engineering and Management along with courses of their choice which emerge from their passion. Each program has a basket of courses classified under university core, University Elective, Program core and Program elective. Ample options are provided, so that students can choose inter-disciplinary courses from other schools, which help them to develop additional skills.

All programs are designed, based on the requirements of contemporary and future industry. Galgotias University has a Fully Flexible Credit System that allows students to design their own curriculum by choosing their own course combinations. This multi-disciplinary learning system allows engineering students to experience liberal arts curriculum so that they become well-rounded and adept at solving real world problems. Galgotias University thus is creating a new generation of leaders who are equipped with deep technical domain knowledge and the breadth of exposure and character, to effectively collaborate and lead.

At Galgotias University, programs are known for the emphasis on critical thinking. The intensity that the discussions generate carries the momentum over to canteens, hostels and the other areas of the campus. It is great to see the youth today open up, give up inhibitions, and stand up for what they believe in. It is encouraging to see their level of understanding of issues. It is this understanding that Galgotias University harnesses and hones.

The university ensures that students absorb new information set during every single interaction. Relevant project-based teaching, in sync with modern industry requirements, encourages students to be attentive, innovative and responsive. Case-study based classroom pedagogy shapes a thinking, problem-solving approach that puts theory into immediate practice, for the benefit of industry and society.

The academic administration of the University is characterized by the automated Learning Management System (LMS) called Websim. The curriculum structure, teaching-learning pedagogy, evaluation, grading systems, result publication and result analysis is all digitized. The LMS supports the flexible credit option for students, enables monitoring of students' academic progress project-based learning, attendance and quality of course material uploaded.

4. LIBRARY FACILITIES

The University library, with the sole objective of the actual delivery of information rather than the documents and thereby creating an environment conducive to the optimum use of library material and an appropriate schedule of hours of service and professional assistance, has been fully computerized during the period thus enhancing the use of library's resources and services. It has helped the library to perform and contribute to the fulfillment of the University's mission by selecting, acquiring, organizing, maintaining and making accessible a collection of printed and non-printed, primary and secondary material that will support the educational, research and public service programmes of all students, researchers and the faculty members.

In order to give it an ultra-modern look and to keep pace with the bulk of published literature and the recent technology, the University Library has established an Electronic (digital) Library to meet academic and research demands of its clientele. It facilitates access to the E-books, E-journals and other literature available worldwide.

The University Library plans to develop its own Institutional Repository and also to have an access to other Institutional Repositories. This endeavour will place Galgotias University on the global map of academic institutions and also to let our students and researchers utilize the best research output available globally.

EXAMINATIONS AND AWARD OF DEGREES

EXAMINATION SYSTEM

University has adopted Fully Flexible Credit System (FFCS). Through this, the student can register for courses according to their interest and academic ability. FFCS system allows students in deciding their academic plan and permits them to alter it as they progress.

Each programme has basket of courses classified as University Core, University Elective, Programme Core and Programme Elective. At the end of the programme, each student will be expected to have well defined credit distribution in various domains. Ample options will be given to students to choose inter-disciplinary courses, which help them to develop additional skills.

Assessment and Evaluation

The performance of a student in a theory / lab course is assessed through a series of continuous assessment test (CAT), weekly quizzes, assignments etc. followed by Semester End Exams (SEE) Theory & Practical. The total marks obtained are out of 100 and the same are converted into grades in 10-point scale. The SEE has 50% weightage.

The student at the end of the semester will be assigned a Letter Grade based on his / her performance over the semester in all the assessment carried out in that course. The letter grade and its grade point indicate the results of both qualitative and quantitative assessment of the students' performance in a course. A combination of Absolute and Relative Grading System is adopted in converting marks to grade.

Grading System

In a class of students up to 30, the absolute grading is used. In a class more than 30 students, Relative grading is applied to all theory courses. For courses having no theory / tutorials but only lab / practical's, or for courses like Seminar / Mini-project, absolute grading method is adopted. Relative grading is adopted in lab / practicals embedded for the courses.

The marks obtained by a student of a class of more than 30 students in a Course Unit are transformed into a normal distribution curve by using Statistical Method in accordance with a prescribed table to ensure the uniformity in spread of scores regardless of the nature of curricular areas.

The mean (\bar{x}) and the standard deviation (σ) of marks obtained of all the students in a course are calculated and the grades are awarded to a student depending upon the marks and the mean and the standard deviation as per prescribed standards.

Semester / Annual Grade Point Average (SGPA / AGPA):

The semester / annual performance of the student is indicated as SGPA / AGPA at the end of every semester / year. SGPA / AGPA is the weighted average of Grade Points of all letter grades secured by a student for all the course units in the semester / year. The formula for computing SGPA / AGPA is as under:

where

C_i = Course Credit of the course of a semester/
Year

P_i = grade Point earned by student

$i = 1,2,3, \dots n$, represents the number of courses
passed in the semester/year.

$$SGPA / AGPA = \frac{\sum C_i P_i}{\sum C_i}$$

Cumulative Grade Point Average (CGPA)

The CGPA is used to describe overall performance in all courses in letter grades which a student has obtained. It is weighted average of grade points obtained by him/her in all semester / years.

where

$$CGPA = \frac{\sum C_i P_i}{\sum C_i}$$

C_i = Course Credit of the course of a semester/ Year
 P_i = grade Point earned by student
 $i = 1,2,3, \dots m$, represents the number of courses passed till that semester.

Minimum Academic Requirements:

- (1) The student must score a minimum Grade 'E' in each course unit.
- (2) The minimum passing SGPA/AGPA for each semester / year is 5.0 for all Programmes.

3. Faculty Workshop / Seminar/ FDP/ Conference / Training organized by university:

The genesis of the idea to start Faculty Seminars at Galgotias University was to discuss and implement the improvement in the research area of technical and professional education. The objectives of this seminar are:

- To raise awareness about research methods.

- To gain new insights from the lectures of the speakers.
- To learn and share knowledge about research scopes for inter-departmental research

Faculty members of different schools of the University are invited to give talk on some topics of their research area. Speakers from School of Engineering & Technology, School of Arts & Social Sciences, School of Computer & Information Sciences, School of Business and School of Basic & Applied Sciences gave interactive presentations during the period from which faculty members have benefitted.

Details of seminars held during the period are as below: -

Total Number of Workshop organized by university: 65

Dates (from-to) (DD-MM-YYYY)	Title of the professional/ administrative development program organized for the teaching staff/ non-teaching staff	No. of participants
22-10-2018 to 22-10-2018	FDP on Financial Derivatives	12
16-01-2018 to 16-01-2018	Workshop on Legal & Interdisciplinary Research Methodology	80
21-04-2018 to 22-04-2018	3rd National conference on Forensic Science and criminalistics, FORENSIS AGORA 2018	11
29-01-2018 to 02-02-2018	Short Term Course on "MATLAB and LABVIEW" with its hardware interface	72
14-12-2018 to 15-12-2018	4th International Conference on Computing Communication and Automation (ICCCA)2018	4
28-9-2018 to 29-09-2018	International Conference on Computing, Power and Communication Technologies (GUCON) 2018	6
23-04-2018 to 27-04-2018	One week FDP on Nature Inspired Algorithms For Solving Complex Problems	40
12-04-2018 to 12-04-2018	Digital Learning Platforms	33
05-03-2018 to 09-03-2018	Soft Computing Techniques Using MATLAB	27
26-09-2018 to 27-09-2018	Workshop on Computer Vision and Biometrics	10
11-12-2018 to 11-12-2018	Mediamorphosis in the Digital Era	20
16-02-2018 to 16-02-2018	One Day Workshop on RTI & T-Shirt Launch of Legal Aid Society	8
10-09-2018 to 10-09-2018	Workshop on Introduction to Research and research Ethics	13
15-11-2018 to 15-11-2018	Workshop on recent trends in Empirical Research	15
01-11-2018 to 01-11-2018	Workshop on Mantras for Success-2	6
17-11-2018 to 17-11-2018	Blended Learning: A Smart Approach for Google Generation	4
22-10-2018 to 22-10-2018	Workshop on Advance Excel	10
09-09-2018 to 09-09-2018	Workshop on Finance Gym	10
02-12-2018 to 02-12-2018	Workshop on Case writing	40
27-10-2018 to 28-10-2018	Workshop on InDesign software	3
24-09-2018 to 28-09-2019	CCNA Routing and Switching -Introduction to Networks	10
29-09-2018 to 05-10-2019	CCNA Routing and Switching -Routing and Switching Essentials	10
20-09-2018 to 20-09-2018	One day Workshop on Frontiers in Nano-Technology	12
22-01-2018 to 23-01-2018	Data Science and Machine Learning with R	11
05-03-2018 to 09-03-2018	User Interface Technologies	20
12-04-2018 to 12-04-2018	Mindfulness and Meditation on Campus	20
28-05-2018 to 30-08-2018	Logic Building in Java Programming	20

12

Dates (from-to) (DD-MM-YYYY)	Title of the professional/ administrative development program organized for the teaching staff/ non-teaching staff	No. of participants
20-08-2018 to 20-08-2018	Research Methodologies	12
03-09-2018 to 03-09-2018	Research Methodology	25
02-11-2018 to 03-11-2018	Big Data Analysis	15
26-11-2018 to 28-11-2018	Web Application Development Training using Advance Java	12
29-08-2018 to 31-08-2018	Adobe Data Analytics Training	28
19-02-2018 to 22-02-2018	NASSCOM NOS & TVET Training	47
03-10-2018 to 03-10-2018	Moodle for Mc Graw	12
11-09-2018 to 11-09-2018	Moodle for Mc Graw	188
26-03-2018 to 26-03-2018	OBE Training Batch -1	58
26-03-2018 to 26-03-2018	OBE Training Batch -2	58
26-03-2018 to 26-03-2018	OBE Training Batch -3	62
26-03-2018 to 26-03-2018	OBE Training Batch -4	63
27-03-2018 to 27-03-2018	OBE Training Batch -1	59
27-03-2018 to 27-03-2018	OBE Training Batch -2	57
27-03-2018 to 27-03-2018	OBE Training Batch -3	42
27-03-2018 to 27-03-2018	OBE Training Batch -4	48
28-03-2018 to 28-03-2018	OBE Training Batch -1	52

2. STUDENT ACTIVITIES

Make-A-Ton Hackathon (6th April, 2018)

Make-a-Ton, presented by CITTIC, invited innovative solutions to tackle issues faced by the world in a 24 hour open hackathon, providing a platform for university students to pitch their ideas in front of an eminent panel of judges. Projects and ideas were encouraged to be presented even if they lacked a full-fledged business plan, as Make-a-Ton focused on bringing out passionate innovators. Under four different categories, winning ideas bagged grand prizes for pushing through, bringing great honour for the university.

Farewell Party (26th April, 2018)

The academic year for graduating students saw an end as juniors put up the last hurrah for their seniors, holding up the pride of the Student Council with them from then on, as is tradition. A session hosted on-stage for an evening to close a chapter for many going forward to begin new ones. Further, categories of novel and fun titles to be given, particularly 'Mr. Farewell' and 'Miss. Farewell', as an air of celebratory joy filled the memorable day.

Job Fair (26th April, 2018)

In association with several academic Departments of the university, a Job Fair was held for several recruiters and employers in a convention-style environment to help build a bright and innovative crop of future employees and bring greater growth for the Indian skilled sectors. Several prestigious companies including Wipro, HCL and TCS were among those that were brought in, making the event a massive success for the students and coordinating schools alike.

NCC Inauguration | Run for Unity | NCC Day (18th September | 30th October | 24th November, 2018)

The NCC Cadets were welcomed and hosted by Galgotias for a series of events for the year of 2018, instilling unity and strength through cooperation. Events were namely: the first official Inauguration held on 18th September, the Run for Unity march on 30th October, and the 24th November NCC Day celebration, with participation seen from as many as 162 cadets. This began a chapter in many NCC events for the coming future for Galgotias University and its many NCC students and aspirants.

Jashn-e-Diwali (30th - 31st October, 2018)

An end to October met with great cheer and celebration, and a yearly tradition for the Student Council. Like the years that preceded it, organised to be better than the last with more games, more stalls, and more celebration all-over. As is tradition, each stall is a representation of a Student Council club, and after the counting of games played and earnings made, one stall was crowned the best, among others winning in different smaller categories.

Lohri (10th January, 2019)

Having been situated in the general geography surrounding Sikh and Hindu culture, Galgotias University observes the celebration of Lohri almost every year, and such was the case this time around. With the lighting of the bonfire, the Student Council organised the event with respected Deans, Vice Chancellor, Pro Vice Chancellor, and faculty in attending with the students. Through fun and frolic, the event was sung and danced away into memory, making for a highly successful event.

Convocation 2019 (13th January, 2019)

As the official Convocation for students that passed out in 2018, the university hosted it with much pride. With a lighting of the lamp, speeches given by Hon'ble Chancellor and Vice Chancellor, the conferment of students' degrees was done, followed by an address given by the Chief Guest, Hon'ble Shri Ravi Shankar Prasad Ji, the Minister of Electronics and Information Technology & Minister of Law and Justice to the Govt. of India. With crucial aid from the photography arm of the Council, the Management Team that handled all aspects of logistics and on-site help, and lending of anchoring talent from the Literary Society, the event was held successfully. Gowns and caps adorned, the passing students were formally bid adieu.

Alumni Meet 2019 (14th January, 2019)

The day that followed was of equal importance, with the official Alumni Meet for 2019, which brought in people from a time past when they shared the same campus and grew together. Building networks with old batchmates, reconnecting with faculty, and creating a lasting bond with the institution - among other things - with the efforts of the Student Council and its devoted skills for collective growth, created another success for the University.

Republic Day (26th January, 2019)

Republic Day honours the date on which the Constitution of India came into effect on 26 January 1950 replacing the Government of India Act as the governing document of India. With heart-filled glory and pride for the nation and our Motherland, Galgotias University celebrated Republic Day with great prompt and joy on January 26, 2019. The NCC cadets were the highlights of the show as they marched with prestige. The celebration included the highest order of speech and the motivation that all the students should inculcate to make this country a better land.

Galgotias Got Talent (31st January, 2019)

Galgotias Got Talent: A Verve event for students to showcase their talents and present before an audience of peers, allowing exposure and developing communication skills. With so much going towards academic prowess, this proved a stage for latent talent to shine, and shine it did. With a turnover in participating just as much as in spectating, it went forward with this annual event’s potential, refining the formula further.

Road Safety (4th February, 2019)

To promote road safety and to raise awareness regarding road safety and rules, Galgotias University came in partnership with Diageo. On 4th February, 2019, Galgotias University had their first session in the auditorium in the presence of renowned delegates. The road safety week was to be celebrated from February 4th to February 10th. There were many seminars and certain activities that were held during this long week. The students took great interest and showed their encouragement as well.

ISIE Indian Karting Racing Season 4 (6th - 9th February, 2019)

Across three days followed by a fourth on the 10th at Buddh International Circuit, Imperial Society of Innovative Engineers held its fourth FMSCI-certified Indian Karting Racing season in partnering with Galgotias University, bringing in karts to the campus from professional teams from various institutes participating in the events. A true challenge that demands precision engineering just as much as driving skill - welcomed and hosted on the campus by the Student Council.

Parivartan (13th February, 2019)

Nukkad Natak is one of the most fascinating forms of theatre as it focuses on spreading awareness and deep messages to the society. The Actor's Hub took the charge on February 13, 2019 to take up the field and let the world see the reality. They enacted various plays and showed the true mirror to society. Some plays included deep morals and some even made us realise the lack of integrity that still prevails among the people. The overall crowd engagement was enthralling and the support was immense. It was a delight to witness such an event and mapped its memories within every person there.

Automantra Presentation (23rd February, 2019)

The event was organised by a team of real steel turners. The club presented their model to the students and explained the process from building the car to regular maintenance and services in simple terms. Team Automantra is the first team from Galgotias to build its own formula vehicle. Galgotias University was ranked 2nd in the NCR region. The event was informative and brought out students' excitement towards the automobile and mechanical industry.

Developer Student Club (25th Feb, 2019)

Google DSC is a Developer Student Club, which is a technical community that combines all the university students, and all other students who learn, share ideas and come up with viable projects that are likely to solve universal day-to-day problems.

The club introduced a new plan they had coined as 'Study Jams'. And its implementation helped students a lot. It benefited them to ask quick queries to be solved and discussed instantaneously.

Holi (28th February, 2019)

Holi is the festival of love and colours, that signifies the victory of virtue and justice over the immoral. With Galgotias Unifest on the horizon, the event was handled to allow hype for Unifest as a Unifest Promotional event, with very much a similar vibe with plenty entertainment to go around: music, dance, games, and everything in between. A chance to win free passes for Unifest, and a tint of colour everywhere making things a huge success for everyone involved.

India Today Workshop (28th February, 2019)

Galgotias University in its long-standing partnering with India Today through events like e-Mind Rocks every year, brought a special collaboration effort to bring industry journalists and professionals in for making a special edition of India Today with aid of the university's youth. Giving a chance for journalism students and of other fields to ask and consult about the skill-sets possessed by said journalists, and building communication skills further.

Comikaze Debate (28th February, 2019)

Hitting hard with compelling arguments from either side, Comikaze became host to a debate as interesting as any conventional one, with deep questions allowing great chances for both sides to make their play, while pulling from a vast repository of comic book knowledge. With audiences just as invested in it as the participants, it stood as proof for comic books being as viable as any other form of literature.

Actor's Hub Auditions (2nd March, 2019)

Drama forms an integral part of every individual. Galgotias' dramatics club: The Actor's Hub exists to enable its members to improve their language, communicative and performance skills through which they realize their true passion for drama and provide them with the necessary platform to showcase their many talents.

AMCAT (12th March, 2019)

AMCAT (Aspiring Minds Computer Adaptive Test) is a test to evaluate the reasoning Skills, Technical Skills and Aptitude Skills of a candidate who is seeking Job in top MNC's. AMCAT is conducted in order to assess the aptitude, reasoning and technical skills of students and freshers, and to provide the students first hand experience with the same. Through crucial management, the Student Council aided the University in a successfully conducted test.

Adhyayan (12th March, 2019)

An event organised by the school of law stood by its name. It was one of the most informative and enlightening events. Packed with illuminating speeches by the participants, it even had a place for an intriguing discussion among the participants and the audience. This event indeed created an atmosphere where knowledge flowed in the air.

UNIFEST 2019 (8th - 10th March, 2019)

Galgotias Unifest is a three-day extravaganza which includes 150+ events in which 50+ colleges participate witnessing a crowd of more than 25000+.

Truly a pride for the Student Council every year, the theme this time was "Fiesta de Carnaval", an exotic take on the legendary Rio Carnival that influenced set design, game stalls, and prizes beyond its name. A landmark achievement for this edition of Unifest was the much greater online reach and social media presence. Promising invigorating opportunities to display talents, win exciting rewards and have limitless moments of joy relishing the jamboree of the year, it was bigger and better than before, and with the crowd turnover to show for it.

YourQuotes Open Mic (13th February, 2019)

Lingo Freaks, the Literature Club of Galgotias University, brought an open mic event in partnering with YourQuote, India's largest writing app and among the best repositories for budding writers and poets from around the world. As is tradition for Lingo Freaks, the event was a great step forward for the session in giving a huge opportunity to the university's budding poets and writers to recite and express themselves and grow as artists of the written word.

Felicitation Ceremony (28th April, 2019)

The work of a Student Council does not go unrecognized. Nearing the end of a fantastic year, came a humble event for honoring the passionate efforts of a dedicated team. For the Council Core members and Club Heads instrumental towards the year's many successes, Mr. Suneel Galgotia, along with various faculty members and University management thanked the team for their contributions and presented them with awards recognizing the same. While the moving from one Core Team to another would come later, here's to a great 2018.

the 1990s, the number of people with a mental health problem has increased in the UK. The prevalence of mental health problems is estimated to be 16% of the population (Mental Health Foundation, 2005).

There is a growing awareness of the need to address the needs of people with mental health problems. The UK government has set out a strategy for mental health care (Department of Health, 2005).

The strategy aims to improve the lives of people with mental health problems and to reduce the burden of mental health problems on society.

The strategy is based on the following principles:

- To provide a range of services to meet the needs of people with mental health problems.
- To ensure that services are accessible to all people with mental health problems.
- To ensure that services are of high quality.
- To ensure that services are cost-effective.

The strategy is being implemented through a number of measures, including:

- Improving the training and skills of mental health professionals.
- Improving the coordination of services.
- Improving the support available to people with mental health problems.
- Improving the research and evidence base for mental health care.

The strategy is a key part of the government's commitment to mental health care. It is hoped that it will lead to a significant improvement in the lives of people with mental health problems.
