

# THE G-POST

GALGOTIAS UNIVERSITY NEWSLETTER

## Editor's Take ...

*Dear Readers*

*Welcome to a yet another milestone, Galgotias University hosted Convocation 2018 for its Graduands. Students, faculty and parents were beaming with pride and contentment as they all celebrated knowledge together.*

*While the youth embarks on a new journey, special words of wisdom came from the Dr. Sambit Patra, National Spokesperson of the BJP who graced the occasion as the Chief Guest.*

*The university can also now boast of crucial National and International tie ups and massive research funding support for academic development. In the last few months, workshop, conferences, colloquium and immense industry exposure transformed the campus into a platform for opportunities where the students continue to grow academically.*

*Happy Reading!*

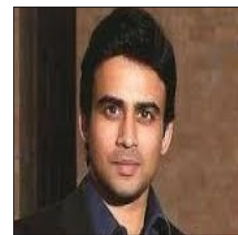

*Dr. Shuchi Yadav  
Associate Professor  
School of Media and Communications Studies

# Convocation at Galgotias University, 2018

Galgotias University held its Third Annual Convocation and felicitated degrees to graduate, post-graduate and PhD students. The students belonged to different schools from engineering, law, media, business, pharmacy, hospitality, etc. They were awarded degrees and medals for their exemplary performance. The event was graced by the Guest of Honour, Sri S. P. Shukla, Chairman, Mahindra Aerospace and the Chief Guest, Sri Sambit Patra, National Spokesperson of the BJP.

University's Chancellor Sri Suneel Galgotia declared the convocation open, saying "The convocation is the right time to reaffirm our faith in the education system and university and to prepare ourselves for the outer world. Galgotias as an institute has always worked hard to bestow best of education into our students and we wish you all the best for a very bright and glorious future".

Guest of Honor SP Shukla, Chairman, Mahindra Aerospace said, "We make choices every day. Some are small, some are large. They are made in private space and public space. Choices aren't made in isolation; choices are made when you have a choice. No decision can be made without a choice.

With the spectrum of choices, only decision makes come into the picture. Being intelligent is often within us, working hard or not working hard is the choice that we make". He also shared his success mantra and said, "There is no one single formula of success but just remember that do not listen to anybody who tells you to not to follow your passion and follow some herd".

National Spokesperson of BJP Sambit Patra said, "There are three types of 'Daan' namely VidyaDaan, KanyaDaan and Jeevan Daan and all these three are significant part of everyone's life. Today the students are receiving what could be termed as 'VidyaDaan'". Motivating students to excel in life and adopt their hobbies as their career, he said, "If you want happiness for life then chose your favourite hobby as your profession. In that way, we do not have to work even for a single day because you are doing what you are in love with". Galgotias University CEO Dhruv Galgotia delivered the Vote of Thanks and congratulated the students on successful completion of their degrees.

## Chief Guest's Convocation Address

### Dr. Sambit Patra, National Spokesperson, BJP

Today on the day of your convocation you are dressed so well and you are waiting to receive your silver and gold medals. Why is all this happening? In India, in this hot and humid weather, everybody is sweating so much. You must be wondering what is the need of all this? All this is to make you remember for life that you have crossed an important milestone. From today, your life takes a new turn. You have to take responsibilities now and you have to make a choice in your life. You have to take responsibilities and you have to make a choice. You have to make many choices in your life. I would say choose a profession which is your hobby. If you make your hobby your profession then you will be happy for lifetime.

If you like paintings then develop your skills and be a professional artist. If you like debating for right and wrong be a lawyer. Make your choice then be happy for lifetime but sad thing is that - we are not able to make our own choices. Our choices are made by those who surround us like our parents and other people in society. For example, often people still think that the job of an IAS is still a prestigious one. To satisfy this thinking now you have to become an IAS. I would suggest not sacrificing your own happiness for that of the others.

You must be happy because it is your happiness that will spread it around for others. Once you are happy then your parents are happy. When your parents are happy, the society too will be happy. Second thing I want to stress on are problems and obstacles. No one can escape problems. We can learn a lot from Steven Hawking's life. He himself suffered from a problem and at one time doctors too gave up on him saying he could not live more than 3 years. But Hawking failed the doctors as he lived for 75 years. Steven was clear that no problem can affect him until he allowed so. This is must be a lesson for you all too. Please realize that the problems will be there all the time but you don't have to give up. If we take one line lesson from Steven Hawking's life - he said that the power which resides in this whole universe is equivalent to the power which resides in an atom. Similarly no matter you are just like an atom but you have the same power equal to that of a universe. (Excerpts)

## National Colloquium on Transgender Rights

The students of Galgotias University witnessed an immensely powerful and informative National Colloquium on Transgender Rights and Justice on campus. The conference took place on 18<sup>th</sup> of April and was jointly organized by School of Law and the Centre of Human Rights, Legal Aid Society & Centre for Criminal Justice.

International transgender activist Ms. Lakshmi Tripathi was the chief guest. She is one of the many living examples of the community who have worked consistently to acquire a respectful position for transgender in society. She gave a powerful speech on individual rights and dignity drawing examples from her experiences in life. The audience looked mesmerized.

The Guest of Honour for the colloquium Ms. Neelu Mainwad and Mr. Subhash Bhatt discussed at length on Article 877. CEO, GU, Shri Dhruv Galgotia applauded the work done by Ms. Lakshmi for the upliftment of the community and extended full support to her. Cultural events like the music by the GU orchestra and street play stole the show as it focused on the transgender community.

## National Symposium

### Indian Approaches to International Law

School of Law, Galgotias University organised an National Symposium on 'Indian Approaches to International Laws' on 7<sup>th</sup> of April 2018 in association with the Indian Society of International law, New Delhi. With international laws taking centre stage across the globe, this conference explored Indian academic approaches towards international laws. With international law being all pervasive today, the list of India's interactions with the discipline is endless.

The symposium provided a platform for academicians, scholars and researchers from across the country to discussed, among others, the need for a systemic set up in factoring international law to monitor or justify our conduct that may have global implications.

Number of quality research papers were presented at the symposium that helped in a comprehensible understanding of Indian approaches to international law.

Prof. Dr. S.K.Verma, Secretary General Indian Society of International Law graced the occasion as the Chief Guest. Prof. Dr. V.G.Hegde (JNU) was the Guest of Honour. The Symposium saw quality participation of delegates from IIT Kharagpur, University of Delhi, Jawaharlal Nehru University, KIIT Law School, Jindal Global Law School, Amity Law School, Bennett University and IP University.

## National Research Funding Agencies ICHR and ICPR Extend Support for GU

School of Media and Communication Studies invited Prof. (Dr.) Rajneesh Kumar Shukla, Member Secretary, Indian Council for Philosophical Research, New Delhi for a special lecture on 'Objectivity in Media'. Prof. Shukla is an expert in Comparative Philosophy and Religion from Samapurnananda Sanskrit University, Varanasi. Simultaneously, he has also been a President nominated Court member of Banaras Hindu University. Among others he is presently contributing in restructuring and reformation of Higher Education as a Member, Haryana State Education Advisory Board and Member of Advisory council of Varanasi Region of Indira Gandhi National Center of Art, New Delhi.

In his lecture Prof. Rajneesh Shukla highlighted the philosophical positioning and relevance of the concept of objectivity for society. He emphasized that philosophy's main concern has been strive for truth and verifiable facts, however meaning and interpretation are always culturally located.

The occasion was graced by the Vice Chancellor Prof. (Dr) Renu Luthra and the event was co-ordinated for the school by Dr. Shuchi Yadav,

Associate Professor. In her welcome address the Vice Chancellor underlined the significance of quality research work for academic development. She emphasized on the opportunities that the government funded research institutions like ICHR, ICPR and ICSSR provide to universities for the promotion of multi-disciplinary research across the country. Dean Planning, Dr. Avadesh Kumar also addressed the gathering, underlining a strong need from interdisciplinary research across academic institutions. Prof. (Dr.) Rajneesh Shukla promised full support from his side.

## World Health Day

School of Nursing at the Galgotias University organized celebrations on the occasion of World Health Day. A Diabetes awareness campaign was organized on campus for faculty and students. A day long blood sugar monitoring campaign was held for the faculty and staff of the university. Special lectures about lifestyle management to control blood sugar levels were also organized for the students, faculty and staff of the university by the Dean, School of Nursing.

The School of Humanities and Social Sciences also organized a Mental Health Awareness camp in the university to mark this day. Students and faculty participated in large numbers for a variety of workshops and competitions on the issue.

## TEDx : Learning to Make Ideas a Success

TEDx event was successfully held for the second time at the Galgotias University. TEDx talks are organized at GU to bring inspiring achievers and contributors on to the campus for massive interactive sessions.

The jam pack auditorium hosted speakers like Dr. Vikram Dutta, a former civil servant and a motivational speaker; Ms. Priya Bhargava, a wheelchair beauty pageant winner; Dr. Khushbu Pandya, an author plus entrepreneur; Ms Shruti Jain, Co-founder of feeding India and Mr. Onkar Kishan Khullar, an author, writer and entrepreneur, also known as digital Gandhi. The students seemed to have enjoyed every bit of it as the sessions were interactive and full of interesting incidences from the lives of the speakers.

CEO of the Galgotias University, Shri Dhruv Galgotia ensured full support to the student team that organized the event— Sagar Kulshrestha, Varnika Benara, Apeksha Chauhan, Bakhtawar Parvez, Bhavesh Batra, Vishwash deep, Rahul Soni, Piyush Shahi, Aminesh Raja and was hosted by Vaibhav. Once again TEDx Galgotias University turned out to be a huge success.

## Industry Exposure for Students

### Workshop on Digital Marketing: Power of Social Media

The School of Business organized a workshop on 'Digital Marketing: Power of Social Media Ads' on 20th April, 2018. The workshop was designed to give an industrial overview to the students studying business. The guest speakers included Mr. Pankaj Kansal, Director Kanskomm Infotech, Mr. Vivek Bajaj, Director, Century Computers and Mr. Tarun Arora, Director, Univ-Exclusive.

The workshop began with the origin and evolution of marketing as a concept. A range of issues like the power of magnetic speaking, advertising and digital marketing an imperative skill were also enumerated. The workshop was organized by Dr. Anamika Pandey, Jitender Kumar and Dr. Mohd Chand Rashid Khan.

### FINANTUS'18 Annual Finance Summit

Galgotias University hosted an Annual Finance Summit. Speakers from corporate sector shared their experiences and views on financial issues in the industry. The event created a platform for the students to prevailing economic situations, controversies and case studies.

At the two daylong event key speakers included industry stalwarts like Mr Vikas Gupta, founder and CEO, VFN Group who delivered his talk on "growing cashless economy", Mr. Abhinav Agarwal ,founder and CEO of Rupee Makers, who talked about "financial inclusion". Mr Ramesh Tiwari , Sr. Area Manager, Bajaj Allianz, advised students how to face financial challenges while Mr. Pankaj Srivastava , founder and corporate trainer, CEET spoke on digitisation in India. Mr Shesh Dhar Dubey, Zonal Head-NES ICICI Securities Ltd. talked about various changing patterns of investments focusing mainly on mutual funds.

Well researched posters and research papers were presented in large numbers by students and faculty. Dr. Jitin Gambhir and Dr. J. P. Pathak co-ordinated the event under the guidance of Ms. Manisha, Director, CPDD. Vice Chancellor Prof. (Dr) Renu Luthra graced the occasion with her presence.
