“The whole purpose of education at Galgotias University is to develop and nurture brilliant brains who’ll shape the future of the nation”

Mr. Suneel Galgotia
Chancellor, Galgotias University

At Galgotias University, we want to ensure that we are providing students with a deeply transformative experience – intellectually, socially and personally – that will prepare them for a life of citizenship and leadership. The focus on 360 degree transformation is because we function as an institution that’s committed to excellence at all levels.

Over the years, it has been our deep and rich value system that has made Galgotias University synonymous with quality education. By design, learning at Galgotias University is cross-disciplinary and integrative. Our students experience considerable flexibility, freedom, and independence in their academic programs. Given our domain-expert faculty, state-of-the-art infrastructure, international quality teaching pedagogies, excellent nurturing environment for learning and thinking, Galgotias University is emerging as the institution of choice for students of calibre pursuing higher studies. We constantly endeavour to offer world-class educational facilities and practices, and this has ensured that Galgotias University is the favoured recruitment destination for blue-chip corporates.

Students who thrive in our programs are passionate about their subjects. Many are recognized nationally for their scholarship, research, and public engagement, and make original and substantial contributions to their disciplines. Our graduates become idea-leaders who drive our global future by advancing discoveries, broadening knowledge, fostering entrepreneurship, protecting and sustaining our natural environment, and developing new technologies.

We at Galgotias University believe that our students greatly enhance the intellectual life of the University; hence we have taken the responsibility for developing and nurturing world-class professionals, by imbuing them with what we call Thinking Quotient. It is our commitment to continuously explore new opportunities, by creating new centres of thinking, learning and growth.

We believe that we begin in the classroom with exposure to new ideas, new ways of understanding, and new ways of knowing and then our students embark on a journey of intellectual transformation.

Once again, I welcome you to this seat of learning, and I wish you success as you experience an unparalleled educational journey.

CEO, Galgotias University

Welcome to Galgotias University!

Welcome to a collaborative environment that celebrates limitless thought. It is here that we combine rich theory and real world practice to develop students who go on to become corporate leaders.

Galgotias University has the ability to extract the best from the best. We are committed to continually challenge what we do and raise the bar of excellence to be a distinctive premier institution. We also ensure that in today's ever evolving world of business and socio-economic unknowns, our students are prepared to lead and solve complex global problems.

Our world-class faculty brings the results of its research into the classroom and encourages the students to apply the learning to real business problems and situations through immersions, projects, and on the job. This unique combination of theory and practice allows our students to hone their knowledge and acumen to become leaders who can craft realistic, yet creative solutions. The curricula in all of our programs ensure that our students have the flexible skills for today's ever-changing environment, while providing them ample opportunities to focus on their specific career interests.

I wish you all the best as you advance along the path of excellence.

OFFICE OF INTERNATIONAL RELATIONS

Galgotias University's vision is to rapidly evolve into a centre of international learning excellence that provides a high-quality, globally-oriented educational experience to students. As part of this endeavor, a full-fledged international office has been set up at the university.

The International Office will make GU a "home away from home" by taking care of the special needs of international students and visiting faculty so they feel welcome here and enjoy their experience at GU and in India. This office acts as a liaison between international student community/professors and the different Schools and Departments at GU. It also serves as the nodal point for information and assistance to all International students and visitors.

The objectives of the International Office at GU are to

- Encourage and welcome international students to study at GU
- Initiate and maintain cooperation with international institutions
- Invite eminent faculty from abroad
- Promote faculty and student exchange
- Initiate joint academic and research programs
- Provide support to international students in all matters including immigration formalities
- Services offered to International Students
- Admission formalities and registration for new students
- Arranging for pickup of international students and visitors from the airport on arrival
- Assisting with accommodation for international students
- Welcome and orientation program for new students
- Help with visa extensions and registration
- Counselling services for problems related to personal, professional or cultural issues
- Facilitation of English as a Second Language (ESL) Program for students from non-English speaking countries
- Providing international students, a platform to display their talents and the culture of their country through the International Students Club
