

**Policy Adopted: 2011**

**Last Updated: 2024**

### **Application**

This Policy applies to all individuals below the poverty line within the university community, including students, faculty, and staff. The policy aims to adapt to the population's evolving needs and reflect current socio-economic conditions.

### **Purpose**

- To address and mitigate poverty within the university, ensuring that steps taken are effective, inclusive, and address the unique needs of the university's population.
- It focuses on equitable access to education, resources, and opportunities for those who are economically disadvantaged.
- The policy will undergo regular evaluation to assess the effectiveness of strategies and will be updated based on emerging challenges and opportunities.

### **Policy Statement**

The university is committed to reducing poverty within its community. It aims to involve all stakeholders students, faculty, staff, and local communities in the development, implementation, and ongoing assessment of this policy to ensure its success in alleviating poverty.

#### **1. Financial Aid Programs**

Establishment of need-based scholarships, grants, and loan programs specifically targeting students from economically disadvantaged backgrounds.

Introduction of low-interest or no-interest loans with flexible repayment terms for students in need.

Transparent and accessible financial aid application processes to ensure ease of access.

Annual review and adjustment of financial aid offerings to keep pace with inflation, changing economic conditions, and students' evolving needs.

#### **2. Work-Study Opportunities**

Expansion of on-campus and off-campus work-study programs that allow students to earn money while gaining relevant work experience.

Collaborate with local and international businesses for off-campus work-study opportunities, allowing students to build professional networks.

Promote paid internship opportunities as part of academic programs to reduce financial strain and provide career-building experiences.

#### **3. Community Outreach and Partnerships**

Strengthen collaborations with local communities, non-governmental organizations (NGOs), and government agencies to identify and support students in need.

Establish a university-led network of local businesses for internships, job placements, and mentorships, ensuring post-graduation employment opportunities.

Engage in corporate social responsibility (CSR) initiatives and partner with businesses to fund and create scholarships and employment pathways for underprivileged students.

#### **4. Skill Development and Training**

Offer skill development, vocational training programs, and certifications that increase students' employability upon graduation.

Implement targeted career counseling services, focused on entrepreneurship, freelancing, and emerging job markets.

Regular workshops and training programs to develop soft skills, such as communication, leadership, and financial literacy.

#### **5. Basic Needs Support**

Identification and support of students facing challenges with housing, food, and healthcare.

Create an expanded food bank and on-campus food support systems to tackle food insecurity.

Provide access to basic healthcare, including mental health counseling, to ensure students' well-being.

#### **6. Technology Access**

Ensure that all students and faculty have access to the technology required for academic success, including laptops, internet access, and learning management systems.

Partner with technology companies to offer affordable technology solutions to students from economically disadvantaged backgrounds.

#### **7. Mental Health Support**

Provide comprehensive counseling services and mental health support, recognizing the added pressures faced by economically disadvantaged students and faculty.

Implement stress-reduction programs, workshops, and peer counseling initiatives to promote mental well-being.

#### **8. Research and Data Collection**

Conduct regular surveys and assessments to understand the socio-economic challenges faced by students, faculty, and staff.

Use collected data to refine and improve poverty reduction initiatives, ensuring they remain responsive to changing needs.

### **9. Faculty and Staff Training**

Provide training for faculty and staff to increase awareness of the challenges faced by economically disadvantaged students.

Foster a supportive environment where faculty and staff can offer both academic and emotional support to those in need.

### **10. Advocacy and Awareness**

Advocate for policies at the state, national, and international levels that promote higher education accessibility for economically disadvantaged students.

Raise awareness within the university community about poverty, inequality, and opportunities for systemic change.

### **11. Graduation/Completion Targets for Economically Disadvantaged Students**

The university has specific targets of graduation/completion set for those falling into the bottom 20% of household income groups in the country.

These targets ensure that students coming from economically disadvantaged backgrounds get all the support and resources required to complete their education successfully. This will therefore enhance upward mobility and success opportunities.

### **12. Support for Students from Low-Income Families**

There is support in different forms at the university level for the poor, including food, accommodation, transportation, and legal services. These measures aim to ensure students are relieved of the pressures from their basic needs so they can concentrate on their academics.

### **13. Support for Students from Low or Lower-Middle Income Countries**

Galgotias University has taken initiatives that help students from low or lower-middle-income countries, by providing free education and grants, among other things. This ensures that the students from these backgrounds get equal opportunities to succeed and complete their studies at the university, furthering the commitment of the institution toward global equity in education.

## **Scholarships**

Galgotias University is committed to recognizing and rewarding excellence across diverse domains. We offer a comprehensive range of scholarships to outstanding candidates based on their remarkable achievements in academics, extracurricular activities, and various competitive examinations. ### **West Bengal Students Credit Card Scheme**

The Higher Education Department, Government of West Bengal has introduced the Student Credit Card Scheme for the students of West Bengal to enable them to pursue education without having any financial constraints. This scheme is designed to support the students to pursue secondary, higher secondary, madrasah, undergraduate and post graduate studies including professional degree and other equivalent courses in any School, Madrasah, College, University and other affiliated institutes within and outside India. Students studying in various coaching institutions for appearing in different competitive examinations like Engineering, Medical, Law, IAS, IPS, WBCS etc., can also avail the loan under this scheme. A student from West Bengal can obtain a maximum loan of Rs. 10 lakhs @ 4% per annum simple interest from the State Cooperative Bank and its affiliated Central Cooperative Banks and District Central Cooperative Banks and Public/ Private Sector Banks. 1% interest concession will be provided to borrower if

the interest is fully serviced during the study period. The upper age limit for the interested students has been kept as 40(forty) years at the time of applying for loan. The repayment period shall be fifteen (15) years for any loan availed under this Credit Card including the Moratorium/repayment holiday. For details kindly go through the Scheme given in this portal.
