From Classroom to Industry: Experiencing the Future of Pharma

”

On 29 April 2026, the Department of Biotechnology & Bioengineering, School of Biosciences & Technology, in association with the Institution’s Innovation Council (IIC), Galgotias University, organized an industrial exposure visit to Sun Pharmaceutical Industries Limited. Students gained practical insights into pharmaceutical manufacturing, production processes, quality control, regulatory compliance, safety protocols, and modern technologies. Interaction with industry professionals enhanced their understanding of workplace practices, career pathways, and industry expectations. The visit effectively bridged theoretical learning with practical applications, strengthened industry awareness, and enhanced students’ professional preparedness for careers in pharmaceutical and biotechnology sectors.

Protecting Ideas, Powering Innovation: Unlocking the Value of IPR

”

On 27 April 2026, the Institution’s Innovation Council (IIC), Department of Biotechnology & Bioengineering, School of Biosciences & Technology, Galgotias University, in collaboration with TURNIP, organized an online workshop on “Intellectual Property Rights (IPR) Awareness and its Significance in Innovation, Entrepreneurship, and Research” to commemorate World IPR Day. Dr. Rahul Kapoor, Founder and Director, Turnip Innovations, explained patents, copyrights, trademarks, patent filing procedures, and legal frameworks. The session highlighted IPR’s role in protecting innovations, promoting entrepreneurship, and commercializing research outcomes.

Beyond Classrooms: Discovering the Frontiers of Biomedical Research

On 10 April 2026, the Department of Biomedical Sciences, School of Biosciences and Technology, Galgotias University, organized an educational and research-oriented visit to Jamia Hamdard, New Delhi. Accompanied by Dr. Charu Gupta, Dr. Shalini Sharma, and Dr. Eepsita Priyadarshini, students explored advanced laboratories, research infrastructure, molecular biology workflows, cell culture, diagnostics, drug discovery, genomics, and analytical technologies. Interactions with researchers provided insights into emerging scientific trends, research methodologies, higher education, and career opportunities. The visit strengthened students' scientific awareness, critical thinking, research aptitude, and innovation-driven learning.

From Classroom to Corporate: Experiencing Real-World Business Operations

On 2 April 2026, the School of Commerce, Galgotias University, organized an industrial visit to Yakult Danone India Pvt. Ltd., Sonipat, to provide students with practical exposure to FMCG operations. Students explored production, packaging and dispatch, inventory management, safety and compliance, and administrative and financial functions. They observed product movement, workplace safety practices, and operational processes while interacting with company officials. The visit strengthened students' understanding of business and management concepts, enhanced professional awareness, and effectively bridged theoretical learning with real-world applications. The initiative promoted experiential learning, industry exposure, practical skill development, and career readiness among participating students.

From Student to AI Engineer: Turning Learning into Opportunity

On 11 April 2026, Galgotias University organized an engaging alumni session titled “Alumni Journey: Student to AI Engineer” at the D Block Auditorium. Ms. Anushka Arora, an AI & DevOps Engineer at Business Next, shared her professional journey, experiences, challenges, and career insights with students. The session highlighted career planning, technical skills, internships, real-world projects, continuous learning, industry expectations, and placement preparation. An interactive Q&A enabled students to discuss career pathways and emerging technologies. The session effectively bridged academic learning with industry requirements, strengthened career awareness, and encouraged students to pursue opportunities in Artificial Intelligence and DevOps

Empowering Dreams: Scholarships, Skills & Opportunities for Tomorrow

On 29 April 2026, University Polytechnic, Galgotias University, organized the Samsung Scholarship Distribution Ceremony 2026 under Project Build for Nation, a CSR initiative of Samsung C&T India. Meritorious students from Civil, Mechanical, and Electrical Engineering received 100% tuition fee scholarships along with educational kits and industry-oriented training in AutoCAD, Revit, Civil 3D, PLC SCADA, SOLIDWORKS, and Microsoft Project. Distinguished dignitaries from academia and industry highlighted skill-based education, youth empowerment, and industry-academia collaboration. The initiative supported inclusive education, enhanced employability, and reduced financial barriers to learning.

From Simulation to Innovation: Exploring the Future of Drone Technology

On 29 April 2026, Galgotias Polytechnic, in collaboration with the Department of Electrical and Electronics Engineering, organized a one-day educational visit to the Galgotias Centre for Drone Intelligence & Simulation (GCDIS). The visit provided students with practical exposure to drone architecture, flight controllers, sensors, communication systems, propulsion, and simulation technologies. A live demonstration showcased drone take-off, navigation, landing, stabilization, aerial mapping, surveillance, and industrial inspection applications. Interactive sessions enhanced students' technical knowledge, problem-solving abilities, innovation, and career awareness.
