EXAMINATION AND AWARD OF DEGREE/DIPLOMA

EXAMINATION SYSTEM

University has adopted Fully Flexible Credit System (FFCS). Through this, the student can register for courses according to their interest and academic ability. FFCS system allows students in deciding their academic plan and permits them to alter it as they progress.

Each programme has basket of courses classified as University Core, University Elective, Programme Core and Programme Elective. At the end of the programme, each student will be expected to have well defined credit distribution in various domains. Ample options will be given to students to choose inter-disciplinary courses, which help them to develop additional skills.

Assessment and Evaluation

The performance of a student in a theory / lab course is assessed through a series of continuous assessment test (CAT), weekly quizzes, assignments etc. followed by Semester End Exams (SEE) Theory & Practical. The total marks obtained are out of 100 and the same are converted into grades in 10-point scale.

The student at the end of the semester will be assigned a Letter Grade based on his / her performance over the semester in all the assessment carried out in that course. The letter grade and its grade point indicate the results of both qualitative and quantitative assessment of the students' performance in a course. A combination of Absolute and Relative Grading System is adopted in converting marks to grade.

Grading System

In a class of students up to 30, the absolute grading is used. In a class more than 30 students, Relative grading is applied to all theory courses. For courses having no theory / tutorials but only lab / practical, or for courses like Seminar / Mini-project, absolute grading method is adopted. Relative grading is adopted in lab / practical embedded for the courses.

The marks obtained by a student of a class of more than 30 students in a Course Unit are transformed into a normal distribution curve by using Statistical Method in accordance with a prescribed table to ensure the uniformity in spread of scores regardless of the nature of curricular areas.

The mean (\bar{x}) and the standard deviation (σ) of marks obtained of all the students in a course are calculated and the grades are awarded to a student depending upon the

marks and the mean and the standard deviation as per prescribed standards.

Semester / Annual Grade Point Average (SGPA / AGPA):

The semester / annual performance of the student is indicated as SGPA / AGPA at the end of every semester / year. SGPA / AGPA is the weighted average of Grade Points of all letter grades secured by a student for all the course units in the semester / year. The formula for computing SGPA / AGPA is as under:

where

$$\text{SGPA / AGPA} = \frac{\sum C_i P_i}{\sum C_i}$$

C_i = Course Credit of the course of a semester/ Year

P_i = grade Point earned by student

$i = 1, 2, 3, \dots, n$, represents the number of courses passed in the semester/year.

Cumulative Grade Point Average (CGPA)

The CGPA is used to describe overall performance in all courses in letter grades which a student has obtained. It is weighted average of grade points obtained by him/her in all semester / years.

where

$$\text{CGPA} = \frac{\sum C_i P_i}{\sum C_i}$$

C_i = Course Credit of the course of a semester/ Year P_i = grade Point earned by student

$i = 1, 2, 3, \dots, m$, represents the number of courses passed till that semester.

Minimum Academic Requirements:

- (1) The student must score a minimum Grade 'E' in each course unit.
- (2) The minimum passing SGPA/AGPA for each semester / year is 5.0 for all Programmes.

Event: Unifest

With the official theme “Lights. Camera. Unifest!”, Galgotias University organized inarguably the biggest cultural fest in Northern region of the country after 2 long years post covid. Stretched over two days – April 11th and 12th, Unifest'22 involved enthusiastic participation of various colleges in 20+ events marshalled by our societies and clubs followed by performances of famed artists. Debate or open mic, Solo singing or band performance, Dance, Shark tank, Quizzing event, RJ based Aakashwani event – Unifest'22 had it all jammed inside its suitcase. Other than the events, First day of

Unifest incorporated the electrifying performance of the Channel V Launchpad 2011 winner, who is known for making the crowd sway their hands in the air with delight, Kabeer – an independent singer known for performing at college live bands.

From an acoustic artist to being a keyboardist to performing ghazal/retro, he's a true know-it-all. Straight out of the heart of India, Delhi, this Delhiite knew exactly how to seize his audience's heed, with his invigorating voice. His concert had the crowd dancing and swaying away to the music.

The laying stone day of the Unifest indeed left the crowd wanting more. Subsequently, The second day witnessed the continuity of various entertaining events including the various stalls set up at the Campus premises – Be it Food, Tees and what not. But everyone's wait was brought to the fore for the celebrity performance at the Unifest. The much awaited concert by vastly famed and celebrated singer Harrdy Sandhu. After a long interlude on the clock, the crowd roared in unison on the artist's entrance. The event brought about enchanting and colourful lighting on the stage, managing to capture the attention of the audience, promising limitless joy as soon as Harrdy Sandhu hit the stage with his then blockbuster hit song Bijlee Bijlee. The crowd danced away with the hookstep. The concert was a huge hit. The event drew to its end following Harrdy Sandhu's exit reciting Unifest'22 the biggest success of the student council this academic year.

Event: Farewell

The most difficult aspect of life is saying goodbye to someone. It's a moment in all our lives when we leave our days behind and step into the world to forge our paths in life. When the sun says goodbye to Earth, it leaves behind a beautiful sunset as a gift. Similarly, when friends say goodbye, they leave memories of everlasting and priceless moments, memories to look back, learn from, and move on as a stronger person.

Every year, the Farewell event is organized at Galgotias University, not just to bid our seniors a goodbye but also to congratulate them on their new beginnings to explore the world and

fulfill their dreams. This day is about a short walk down into the memory lane of days they have had at the institution. Galgotias University, as an institution, welcomes people from diverse backgrounds and serves as a second home to them. A farewell embarks preceding a new career direction, leaving the position. It gives you a chance to say thank you to those who helped you and respected you while they worked with you.

The farewell event started with a jamming session which provoked enthusiasm among the audience. We know the core of any program lies in the hands of able anchors. We had anchors from Lingo Freaks, the literary society, who, for the event, added a feather in the cap. Next, we had Notveda's performance which made everyone feel the soulful essence in the air. Proceeding to that, Actor's hub came in with their performance and captivated the attention of the audience. It was followed by an exceptional performance by Studio D, the dance club of the University.

Thereafter we had a short buffer time which was further supervised by the scintillations walk. Undoubtedly, it was an amazing performance that elevated the pomp to the maximum in the auditorium. Later, we had one more astonishing act by the Actors Hub. The prodigious spirits of the participants helped build a positive atmosphere. Next, there was a ramp walk by the core group which left the audience spellbound. Last but not least, the DJ added much charm to the event.

The Online Promotions team of our University, with full devotion and diligence, did the continuous live streaming of the event. This helped people sitting somewhere else to be apart of the memorable farewell celebration.

Event: Convocation

Vacant grounds transition into the most elegant stagings but only with a proper direction and sense of thought."The sixth convocation ceremony of Galgotias University for the batch of 2021 took place on July 23rd, 2022 at Expo Mart, Knowledge Park II, Greater Noida. It was an event like none other.

Why wouldn't it be? Farewells & felicitations always hold a special significance in everyone's heart. The student council made sure that the day is spectacularly made!

What led to the event's miraculous success was a sum of efforts in the leading tireless days and not to forget, on the show day itself! At 9 am sharp, all the Core Team, the Club Heads, and Volunteers from the various clubs arrived at the destination. What followed from there, to the main event's commencement is a blurred memory that headlined the following: making the stage up for the performances, setting up the area for the guests of honor, directing the spectators into their assigned seats, helping maintain the discipline, engaging the audience with some musical performances, anchors trying to entertain the graduates, and some volunteers accompanying the staff to make the event a blast! Also, a complete run-through for the actual convocation was done with support from the graduates themselves, the student council, the core team, and our never-tiring management staff. All the prepping up for the event was a treat to the eyes. Everyone syncing up, to make one event a success added a lot of enthusiasm to our souls and made us continue to work at peace, jointly, and in harmony. Honorable Deputy Chief Minister of Uttar Pradesh, Shri Balaji Pathak Ji blessed the ceremony with his presence as the chief guest. Other guests of honor were professor Girish Chandra Tripathi, the Chairman of Uttar Pradesh, State Council of Higher Education, who has previously served as the Vice Chancellor of Banaras Hindu University and professor of economics at the University of Allahabad. He was accompanied by Shri Dr. Mahesh Sharma Member of Parliament Lok Sabha and Shree Dharendra Singha Member of Uttar Pradesh Legislative Assembly. The High Commissioner of Nigeria, H.E. Mr. Ahmed Sule was also present. Tejpal Singh Nagar member of Uttar Pradesh Legislative Assembly and High Commissioner of Gambia H.E. Mustafa Jawara was also witnessed.

All the guests dearly saw the convocation and also spoke for a few minutes. They spoke about how important education is in the present day. Their enlightening words also highlighted the topics of a bright and prosperous future for the youth and also the lack of education we face as a country. The students present there were the privileged ones who got the opportunity to study in Galgotias institution and that they are the ones to guide the country to a bright future. They also spoke about the parents and their importance in the core life of a kid. The meaning of family was well addressed and proved by the existence of emotional parents and celebrating hearts. Galgotias was immensely delighted in hosting them. The Galgotias University Student Council was an active participant in the

Convocation ceremony. The event turned out to be a grand success with joint forces of various clubs. All the clubheads of different clubs along with 5 volunteers each, were present at the ceremony. NoteVeda, the music club of our council, with their band of some very talented singers and musicians performed different songs and added an extra flavor to an already jubilant event. The Galgotias Management team, as effective as ever, effortlessly managed diverse responsibilities right from distributions of certificates and mementos to the previous heads and core team of the aforementioned batch to discipline and regulations of the set-up. The Stage Management team very competently and adeptly managed the need of the hour and worked their piece in making the event a feat.

CamCircle, the photographers' club, took some very momentous shots that one could look at and cherish hereafter. The coming up of the council together as one team was what made the event a memorable and exceptional occurrence.

Event: Alumni Meet

Every year, these alumni meets are held in Galgotias University to gather these representatives and to celebrate their success and achievements in the outside world. They get together and share the experiences they had after stepping out of the institution. This day is about sharing the significance of the institution in their lives and how it shaped them to be the person they are today. Galgotias University, as the institution, plays a major role in building future leaders, good human beings, and responsible citizens for the country. Alumni meets also serve as a platform to get together with old friends and relive the old days. Alumni meet is a chance to meet new people and learn about their skill sets to network with future business prospects. It aims to foster a sense of community among alumni while supporting a sense of connectedness back to the institution.

For Galgotias University, alumni meets are of great significance as the experiences of the former students benefit the upcoming crowd. Feedback from these students helps in improving the education and strategy of other students who are studying at the University at present. For example, there are still new and upcoming technologies for the students to try their hands on. It is also significant to learn and celebrate the achievements of the alumni. We had beautiful examples of extremely accomplished alumni, such as an alumni who came with his first published book. His accomplishment, determination, and grit were celebrated at the meet. All the dignitaries present in the auditorium, VC Ma'am, DSW Dr. AK Jain Sir, and Alumni representative blessed the Alumnus with their gentle words. The Alumni meeting started with the traditional lamp lighting ceremony. Anchors from the literary society, Lingo Freaks began the event with great energy and enthusiasm. It was followed by Ganesh Vandana and cultural performances were done by various other clubs. Noteveda's performance of Qawaali made everyone feel the spiritual energy in the air. That was followed by an exceptionally great performance by Studio D, the dance club of the university performed Hostel Days which made everyone reminiscent of their hostel memories.

Another act that moved the audience was a display of the Pulwama attack, in 2019. The pain and suffering of the nation that followed after the disgraceful attack was aptly

displayed by students. The actor's hub then came in with their performance and caught the audience's attention.

Noteveda's band of very talented musicians and singers came in with various soothing folk songs from different parts of India displaying the cultural diversity of our country. Scintillations with their display of the Aghori traditions raised the energy to the maximum in the auditorium.

Various other performances added much charm to the event. The gala ended with a speech by the General

Secretary Mr. Akshat Agarwal with a beautiful Shayari-cum-poem reminiscing about the days they spent together in the council and the University.

INDIAN KARTING RACE
SEASON 7.0

Event: NASA Space Apps

Galgotias University is known for hosting various exciting events and technothon, and one such remarkable hackathon was the Space Apps Challenge organized by NASA at a global level and by different universities at the state level. Unlike traditional hackathons focused solely on coding, this hackathon offered 22 different technical and non-technical challenges, ensuring every student had an opportunity to participate and gain valuable experience. The event took place on October 1st and 2nd, 2022, starting at 9 am on the first day.

Teams from Delhi NCR gathered at Galgotias University at 9 am sharp, and by 11 am, after settling in, a talk session was conducted by the founder of the renowned coding platform, GeeksforGeeks, Mr. Sandeep Jain. The session left the students highly motivated, and following the talk, Vice-Chancellor Dr. Preeti Bajaj inaugurated the NASA Space Apps 24-hour challenge. Throughout the day, the students passionately worked on their unique ideas until the first review took place, after which 50 teams were selected in Round 1.

The selected teams continued their hard work with even more passion and dedication throughout the night. To provide some relief from their intense coding schedules, the organizers had planned fun activities such as a jamming session by Noteveda and a DJ night.

After a beautiful wrap-up of Day One, the judgment day arrived with participants waking up early, some even having worked through the night without sleep. The excitement heightened when Mr. Anuj Kumar Sharma, the founder of Coding Shuttle, arrived on campus. He mentored the students on their projects and delivered a much-needed motivational speech after the second review. Following the thrilling and exhausting 24 hours, it was time for the eagerly anticipated announcement of the winners. Four teams emerged victorious, impressing both the judges and the audience, and secured their spots at the global level.

The entire event was organized by Team TechnoJam from GUSC, with support from other clubs who volunteered tirelessly for the full 24 hours under the guidance of the Core Team, ensuring the event's success. Galgotias University aims to continue organizing such events in the future to nurture and showcase the talent of its highly skilled students.

Event: Prarambh

On October 20th, 2022, Prarambh, an event dedicated to welcoming the new batch of students and symbolizing new beginnings, was organized. The event commenced with a speech by core members of the Galgotias University Student Council. Since its inception, the campus was filled with enthusiasm and energy.
