Message from the Chancellor

At Galgotias University, we want to ensure that we are providing students with a deeply transformative experience – intellectually, socially and personally – that will prepare them for a life of citizenship and leadership. The focus on 360-degree transformation is because we function as an institution that's committed to excellence at all levels.

Over the years, it has been our deep and rich value system that has made Galgotias University synonymous with quality education. By design, learning at Galgotias University is cross-disciplinary and integrative. Our students experience considerable flexibility, freedom, and independence in their academic programs. Given our domain-expert faculty, state-of-the-art infrastructure, international quality teaching pedagogies, excellent nurturing environment for learning and thinking, Galgotias University is emerging as the institution of choice for students of caliber pursuing higher studies. We constantly endeavor to offer world-class educational facilities and practices, and this has ensured that Galgotias University is the favored recruitment destination for blue-chip corporates.

Students who thrive in our programs are passionate about their subjects. Many are recognized nationally for their scholarship, research, and public engagement, and make original and substantial contributions to their disciplines. Our graduates become idea-leaders who drive our global future by advancing discoveries, broadening knowledge, fostering entrepreneurship, protecting and sustaining our natural environment, and developing new technologies.

We at Galgotias University believe that our students greatly enhance the intellectual life of the University; hence we have taken the responsibility for developing and nurturing world-class professionals, by imbuing them with what we call Thinking Quotient. It is our commitment to continuously explore new opportunities, by creating new centres of thinking, learning and growth.

We believe that we begin in the classroom with exposure to new ideas, new ways of understanding, and new ways of knowing and then our students embark on a journey of intellectual transformation. Once again, I welcome you to this seat of learning, and I wish you success as you experience an unparalleled educational journey.

Mr. Suneel Galgotia,
Chancellor, Galgotias University

Message from the CEO

With a vision to be known globally for value-based education, research creativity and innovation, Galgotias University is continuously striving to establish state-of-the-art facilities for world class education and research. Research is the epicenter agenda of the twenty-first century. Our New Education Policy has also ensured a boost to research in the Indian Educational System. Galgotias University has also promised to be a part of the journey to increase the R&D index of our Country. I am happy to share with the readers that Galgotias University is contributing very gracefully in it. Faculties from top class institutions are recruited at Galgotias University. A very comprehensive research ecosystem is established at Galgotias University. A well-defined research targets are given to all the faculty members in order to help them to strive in a positive direction towards research.

A University Centre of Research and Development is established to help all the faculty members to strive in their journey of research. I really want to congratulate the University Centre of Research and Development for providing a basic platform for stimulating, mentoring and facilitating research.

University is also providing grants for research in the form of Seed Money. Every year, after rigorous scrutiny of research proposals, grants are provided to faculties. This helps to establish a good research culture in Galgotias University. Efforts of the researchers are also acknowledged at the University Level by giving research awards.

Mr. Dhruv Galgotia
CEO, Galgotias University

Message From Vice Chancellor

Higher Education is a passionate journey and the pursuit of learning is a never-ending process. In today's competitive world, a successful learner aspires to become a lifelong student to achieve career milestones.

Galgotias University (GU) is a young university that is a destination for many students from all parts of the globe. Galgotias University (GU) has made many significant accomplishments in higher education in India through its innovative approach. As a testimony, GU received the NAAC A+ ranking in its very first cycle in 2022 (valid until 2027), and obtained NBA Accreditation for four undergraduate programs in Engineering, Pharmacy, MBA; and many, many others.

Education that is inclusive, multicultural, participatory, and holistic is a growing need for the current generation. At Galgotias University (GU), Student Centric approach is being followed to empower students to pursue their desired goals and be successful in their lives. Created an eco-system that propels academic reforms that are relevant to meet the needs of current industry trends, and research acumen, encompassing life skills, and human values. GU is a positive university that strives relentlessly for providing high-quality education, innovative learning, research-oriented, and outreach through its holistic pedagogies, teaching-learning processes, and multidisciplinary approach as envisaged by NEP 2020. GU offers programs in a multidisciplinary way focusing on student-centered (flexible), research-oriented (creative), and human-centric (value) environments.

GU orients and guide students and staff on a continual basis to adapt to the latest educational practices essential for the success of students. This tradition primarily entails the identification of what is important for the learners and implementing adequate structuring of learning activities in curriculum, instruction, and assessment. GU focuses on innovative teaching-learning (cognitive) that is always relevant and includes real-life experience such as co-curricular and extra-curricular activities. The curriculum at GU provides more insights into the application of concepts learned in theory through internships, projects, and other related activities to showcase psychomotor skills. This will strengthen the students' 21st-century skills like communication, critical thinking, and creative writing abilities. This approach not only empowers the students to face the real world but also makes them become change-makers in the domains of their work.

GU partnered with all the stakeholders and continuously strives to foster a student-centric, research-focused, and value-based engagement in learning and relevant academic thrusts. This culture makes the students able to apply engineering ingenuity, empathy, sustainable development awareness, and unbridled creativity as they solve real-world, open-ended, and complex problems for the betterment of society. Let us remember the pinnacle of our vision: "A higher education experience does not merely provide us useful information; this journey shapes our lives in harmony with our existence and nature."

Dr. K. Mallikharjuna Babu
Vice Chancellor

Message from the Dean Research

Galgotias University has been envisioned to emerge as a globally recognized university with a mission to create academic environment conducive for research, consultancy and innovation-based projects. With this objective in mind and to provide adequate research guidance and resources R&D Cell has been established in the year 2018. The R&D Cell is devoted to coordinating research & consultancy activities in collaboration with industries. R&D provides research facilities to promote the research & development in all schools/departments of the University.

The mission of the R&D Cell is to contribute to the research and innovation practices in the University and provide practical solutions to improve the research-based problems. The R&D Cell develop, test, and disseminate new approaches to improve the research and innovation outcomes. Some of the key functions of R&D Cell are development and Revision of Research policy, Research Ethics policy, Research Mandate, Research Guideline policy and Innovation Policy. The R&D Cell is also regulate the Consultancy projects, Seed Grant Projects to the Faculty members of the university and encourage them to apply for the same. Research at Galgotias University is nurtured through various academic programmes run by the departments and through sponsored programmes funded by national organizations and the industries. GU offers a plethora of opportunities for research funding in vibrant multidisciplinary environment. To support and cultivate a culture of excellence, Galgotias University has established R&D Cell. The R&D facilitates and coordinates in a variety of research programmes, initiatives and activities that are available locally and internationally. Academic Research Programs (ARP) at Galgotias University relate to Research work undertaken by individual faculty or specific research groups in the departments running Masters or Doctor of Philosophy (Ph. D) programs.

GU researchers are working in some of the thrust areas like advanced materials, biomedical engineering, clean energy and environment, computational biology, intelligent systems, micro-nanotechnology, wireless and broadband communication to name a few. For theoretical as well as experimental research, the resources are available in different laboratories of the University. GU offers a vibrant interdisciplinary research environment to both students and staff, which includes research collaborations with leading universities and renowned institutes across the world. Galgotias University students are immersed in the best of learning environments, with all academic courses grounded in a strong research culture where innovation and critical enquiry are key features.

Version 1.5-Module 1 Mandate 2 - Research and Innovation

This Mandate is developed to facilitate the Deans and Faculty to carry out full-fledged research activity for the university through students/research scholars/self so as to meet the mentioned Research Targets based on expectations from various Regulatory bodies, Ranking and accreditation agencies.

The various research targets are:

1. The output of UG /PG students /research Scholars involved in research/project/internships/skilling shall must have one of the 3P's: Publications, Patents and products
2. No. of publications (Scopus/ WoS)
3. No. of Ph.D. Awarded from the departments
4. No. of Ph.D. faculties in the university (program wise, department wise, schoolwide, in totality at university level)
5. No. of PhD scholars registered under each faculty
6. No. of research fellowships per faculties
7. Faculty and students research awards
8. Startups
9. Product development
10. MOUs
11. Collaborative research with industry / International organizations
12. Joint Ph.D. with industry / international researchers
13. No of Industry supervisors /International supervisors
14. Joint Consultancy
15. Joint grants with institutions of National and International research (Department wise/ faculty wise)
16. Grants research (Department wise/ faculty wise)
17. Faculty as resource person
18. Students and faculties trained on skillset and Research practices
19. No of active research groups
20. Center of Excellences established linked to research groups and performance
21. No of patents filed (per department, school/ research group wise)
22. No of Conferences (indexed and International) hosted/organised
23. Sponsored labs (Research facility created)
24. Increase in citations of WoS and Scopus of each faculty
25. Increase of H index and i10 ratio of each faculty
26. Research and Innovation Awards for University
27. Faculty wise publications per semester
28. Faculty wise Patents per semester
29. Faculty wise projects per semester
30. Students' publications
31. Students' innovation awards
32. Increase in citations of WoS and Scopus
33. Increase of H index and i10 ratio of each faculty
34. No of the conferences

Code of Conduct

The Annual targets shall be set for the individual faculty and department (based on the no of faculties and research scholars). The performance shall be Monitored every quarter and if improvements are not found within ending respective quarters, then corrective action is initiated in the same quarter. The concerns shall be issued warning letters. Receiving such three letters the concerned faculty may be subject to administrative action.

- Dean of the school shall be answerable to partial or full non-achievement of targets set for a semester and year overall schools.
 - To ensures everyone in the school follows the code of conduct
 - All research policies are on the University website so everyone must comply to the same • Data must be entered on weekly basis in the all the google sheets
 - The budget of the research activities must be submitted for the year ahead before start of financial year and on or before 31st March.
1. Each professor of the university shall publish at least three SCI/SCOPUS Indexed journal papers/book chapters per semester.
Each Associate Professor of the university shall publish at least two SCI/SCOPUS Indexed journal papers/book chapters per semester.
Each Assistant Professor of the university shall publish at least one SCI/SCOPUS Indexed journal papers/book chapters per semester.
 - i. If you shall publish any paper/file any patent / apply for any award/apply for any research fund /consultancy without any GU affiliation or without the appropriate channel of the university while in service shall be treated as violation of code of conduct and liable for administrative action/termination.
 - ii. After submitting the Manuscripts to the journal/Conferences, Details needs to be updated with School Research Coordinators for Data updating, who in turn will fill the respective Google sheet of R & D Cell.
 - iii. No paper in the University shall be published until checked for plagiarism and after having 90% unique contents only it shall be sent for publication. All Research Papers need to be checked for Similarity Index using Licensed iThenticate of GU
 - iv. If its joint paper along with other faculty of the GU then the weightage shall be 0.5 and if three faculties shall write the publication then weightage shall be 0.3 Publication with four faculties is not acceptable.
 - v. Faculty has to make sure at least one paper per year out of the targets given to him/her has to be in the journals of Q1/Q2/Q3 list.
 - vi. Every faculty publication shall be considered only when he or she is first author
Page 10 of 236
 - vii. The affiliation used should be as “Galgotias University”, India
 - viii. The first author must be the person who has contributed the most and not in the order of seniority.
 - ix. The faculty who are from Galgotias University and doing Ph.D. from outside, must mention in their research paper ‘GU affiliation’.
 - x. In case of a paper on the students work (Ph.D/PG/UG) then work published on the same shall have their name as first author.
 - xi. 1.11. Maximum four authors can be there in any publications, in case of more author’s permission from the Dean, Research office must be sought.

- xii. 1.12. Faculty targets and UG/PG/PhD scholar targets are considered individually and not to be overlapped. 2. Every Faculty to guide 01 Post Graduate every year and
1. UG Project every year.
 - i. All faculties must ensure that if they are guiding projects of UG students, then 100% UG student's projects under each faculty should lead to Publications / Patent / Product.
 - ii. Every year there shall be a project like mini project/ minor project/ major project.
 - iii. All faculties should ensure that if they are guiding PG students, then 100% PG student's projects shall lead to one publication/case studies as an outcome of their PG project.
 - iv. Every project report at all level (UG / PG / Ph.D.), every internship report, every book, book chapter, patent draft, every assignment, presentation, research papers, monographs, the design must be checked through i-authenticate
 - v. The UG project report should have 80% unique contents in the final report without that project shall not be get submitted for the examination
 - vi. The PG project report should have 85% unique contents in the final report without that project shall not be get submitted for the examination
2. Every Professor must bring consultancy from the industry worth 1 lakh per year.
3. Every Associate Professor must bring consultancy from the industry worth 50k per year.
4. Every Assistant Professor must bring consultancy from the industry worth 20k per year
5. Every school shall establish at least one Center of Excellence which is of interdisciplinary nature involving minimum two or more schools / department of GU and involving minimum two Industries and one International organization and few Ph.D. students and PG and UG students.
 - i. Each Centre of Excellence of the university must apply for funding and shall result in spiraling out one or more UG, PG and Ph.Ds. every year Page 11 of 236
 - ii. It must involve at minimum two industries and 1 international organization and few Ph.D. students and PG and UG students leading to a minimum of 4 publications per year: one start- up and 2 consultancy assignments and one grant.
6. Every professor and Associate Professor and all doctorate faculties of GU must apply for funding not less than 10 lacs every year and generate the revenue every year equal to two months of their salary.
 - i. Dean of the school has to ensure all the grants applicable and open in India and abroad must be applied suitably and there shall be active funding from the various agencies
 - ii. Dean of the school has to ensure all assistant professors are Co-PI in at least 2 proposals and Every professor and Associate professor do apply for at least 5 proposals per year
 - iii. DST/UGC/CSIR/ nongovernment grants / grants from various ministries were also explored.
 - iv. Each Ph.D. supervisor along with his/her Ph.D. student must apply for funding Projects every year
 - v. Each Research group Head must ensure their group do apply for the grants in the relevant head
 - vi. Each In charge of the CoE also ensures every year grants are fetched not less

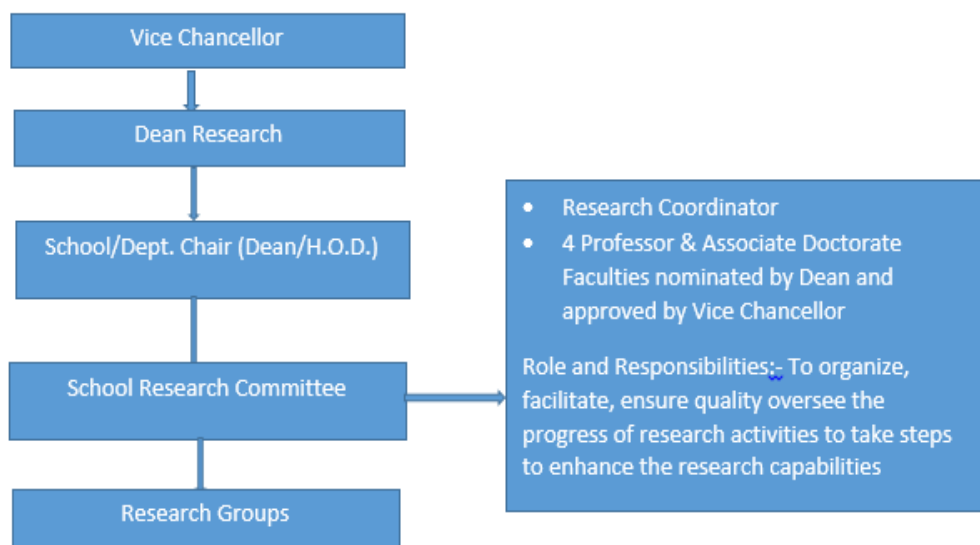

than 20 lacs.

7. All teaching faculty must be PhD by 2023.
 - i. Every faculty not having a Ph.D. degree shall identify the area and supervisor within 3 months of release of this document and register within 3 months of release of this mandate for Ph.D. either in GU or outside GU.
 - ii. The university shall provide 50% concession in the PhD fees but if the faculty leaves the university before completion two years from the date of award, then she/he has to reimburse the complete concession given to the same.
8. Every faculty having Ph.D. degree shall guide at least four Ph.D. scholars and 80% of the scholars must be of GU.
 - i. The PhD theses should have 90% unique contents in the final report without that thesis shall not be get submitted for the examination 8. Every Professor and Associate professor shall organize two STTP/FDP of minimum of 1 week per year with external Government/ Non-Government funding (in zero budget).
9. Every Faculty must be a resource person for a minimum of two events (One international and one outside GU in NIRF ranked University/Institute)
10. Every department should have IPR Cell and must establish Innovation cell. Page 12 of 236
 - i. Every school must organize patent awareness workshop of 2 days for every section of students from first year to final year and ensure every student in a group of four must file a patent
 - ii. Every faculty must file minimum one patent every year and Dean shall ensure that every 5 students of the school shall file one patent. So, on prodata basis target shall be set for the school.
 - iii. Every school must organize innovation and entrepreneurship workshop for every section and one workshop for teachers to make them aware about innovations and entrepreneurship
 - iv. Every school shall ensure every section has minimum 2 starts ups accordingly targets must be set up.
11. Collaboration
 - i. Every department must sign 2 MOU every year and there shall be minimum 4 activities under each MOU
 - ii. Minimum 10 International researchers should be involved in active research for schools having more than 1000 students and all engineering schools.
 - iii. Every school shall identify minimum 5 experts from international and 5 at National level not below professor and 5 industries CTO/CEO/MD and having experience 10 years in the same field with the same caliber as an expert bank which shall be approved by R&D Cell and whose expertise shall be availed for Ph.D./ setting up guidelines, project evaluation/ PG and Ph.D. examination, mentoring for Center of Excellence
 - iv. The Dean/SRC shall sign at least five MoU for collaborative activities for research and faculty exchange for teaching and research, with other elite institutions within the country or abroad and execute the required activities as according to the MoU, every semester
 - v. Minimum five collaborative events with social organization
 - vi. School shall organize every fortnight one research talk 11.7Minimum five collaborative events with industry per semester
12. Three journals Business/ Legal / Engineering and (Medical Sciences) should have regular volume. Every issue shall not have more than 10 papers and out of which maximum 3 papers from GU and rest must be from outside India. Efforts to be taken to

- make GU journals Scopus indexed.
13. Research Methodology workshop must be conducted for every undergraduate program of minimum of 3 credits and 45 hours / Self-study and research course and minor in entrepreneurship must be offered in every semester in each program.
 - i. It shall include patent drafting, research paper drafting and literature review as key components.
 - ii. The ETE shall be in terms of research proposal or review paper.
 - iii. Target should be for projects and exams should reflect the Scopus papers, book chapters and patents per year as papers are output and for the output to be there shall be a process which is in terms of project. Page 13 of 236
 14. Dean shall ensure that all faculty members are members of minimum two Professional bodies of National/ International repute.
 15. Each department must organize 2 workshops for paper writing/ 2 workshops for patent writing and book chapter/ book writing for each section of students and all the faculties.
 16. Research Groups must be formed for each of the schools ensuring each faculty of the school to be part of at least one of the groups.
 - i. The projects and internships and Center of excellence must be linked to research groups. The outcome of each research group to be patents and publications
 - ii. Under each group every Saturday there shall be discussion on new research papers in the same domain, discussion on at least 4 papers and gap identification and outcome be exhaustive list of such topics or areas, which can be called a bank of research areas.
 - iii. It shall be utilized for the following research activities and is appreciated if the topic is chosen from this Bank:
 - a. The Bank can be made available to the research scholars who may use it for their doctoral thesis.
 - b. Similarly, the faculty shall also avail the Bank for identifying the subject for their research projects.
 - c. Even for industry sponsored projects or for collaboration with other institutions, the Bank shall be utilized.
 17. Publishing annual intellectual capital report by compilation of all research activities school wise on 31st march of every year
 18. The complete research profile twice in each semester at the beginning of the semester and end of the semester for each faculty and updated in the central google sheet for orchid, vidwan, publon and others
 19. The Dean/SRC shall ensure that at least one corporate training program given by the school to the industry/agency once in each semester
 20. Every department must ensure the data is uploaded and in sync with school data at central level and the central sheets to be updated on day-on-day basis

Roles and Responsibilities

Composition

1. Every research group should have at least 4 members.
2. Faculties having the same research interest shall join the group might be interdisciplinary in nature.

Roles and Responsibility

1. Collaborative activities for research and faculty exchange for teaching and research.
2. Collaborative events with industry.
3. Collaborative events with social organization.
4. UG and PG students are aware of the good research process of writing papers, book chapters and patents and should be mapped among research groups.
5. Organize research talk/faculty development Programme/ Workshop/ Training/ Demos/ Industrial visits/ MoUs etc.
6. The complete research profile report as per mandate at the end of each semester for each research group shall be prepared and signed by the Dean/SRC and submitted to R & D team.

IIC

A. About IIC Institute

• Vision / Mission of IIC established at the Institute

- o To create an entrepreneurial eco-system in institute where students will get motivated to take up entrepreneurship over job.
- o Inculcating spirit of innovation & entrepreneurship in students
- o Collaborating with similar bodies in other B-schools & technology institutes to accomplish the objectives
- o Tie-up with Non-profit Entrepreneurial organizations (such as TiE, Wadhvani Foundation, NIESBUD) connecting E-Cell to global network of entrepreneurs
- o Facilitating students for campus companies
- o Facilitating students to convert innovative project marketable product
- o Facilitating early-stage start-up through proper mentoring

• Journey of IIC established at the Institute:

IIC Established as per the norms of MoE Innovation Cell In Academic Year 2018-19

IIC, Galgotias University received 4 Star Rating by MoE Innovation Cell in AY 2020-21

IIC, Galgotias University received 4 Star Rating by MoE Innovation Cell in AY 2021-22

- Diversified representation in the IIC established at the institute from industry, Interdisciplinary & Departments/ Units etc.

20	Ms. Garima Pandey	Innovation Ambassador	Member
21	Dr S. Zafar	Innovation Ambassador	Member
22	Ms. Surabhi Verma	Innovation Ambassador	Member
23	Rajeev Sharma	Innovation Ambassador	Member
24	Dr Pooja Singh	Innovation Ambassador	Member
25	Mr. Rohit Jaswal	Innovation Ambassador	Member
26	Dr. Kirti Shukla	Innovation Ambassador	Member

Student Members

SN	Name of Member	Student Member Type
1	Arnav Jain	Student Coordinator SCSE
2	Aryan Verma	Media Coordinator
3	Naman Bansal	Stage Management
4	Nimish Gupta	Innovation Coordinator
5	Vineet Mittal	Event Coordinator
6	Ravikant Tiwari	Event Coordinator
7	Pankhuri Sanidhy	Anchoring
8	Manu Kaushik	SDG Coordinator
9	Prashant Pandey	IPR Coordinator
10	Ayushi	SDG Coordinator

C. Portfolio/graphical/Tabular representation of Resource strength (human capital and Physical capital) of the IIC institution

- No. of IIC Members: 26
- No. of Innovation Ambassador: 20
- No. of Faculty Innovation Coordinator: 19

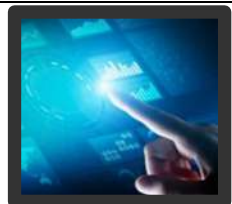

- Total No. of faculty Mentors from Portal: 38
- Incubation Center: 01
- IP Facilitation Unit: 01
- FabLab: 01
- No. of Start-ups under Pre-incubation stage: 85
- No. of Start-ups Incubated: 15
- No. of Graduated Start-ups: 08
- No. of Alumni Entrepreneurs-113
- Innovation Cell Student Members: 60
- E-Cell Student Members: 60
- No. of Event organized by IIC in 20-21: 31
- No. of Event organized by IIC in 21-22: 55
- No. of Event organized by IIC in 21-22: 85
- No. of Patent filed/published/granted-1060

D. Highlight Facilities, Infrastructure of Pre-Incubation & Incubation kind and Student bodies/clubs engaged in promotion of Innovation and Entrepreneurship in the campus.

Total Carpet Area (in Sq. Ft.) for Co-Working Spaces	2280
Total Carpet Area (in Sq. Ft.) dedicated for Entrepreneurship Cell (E Cell) /Innovation & Incubation Cell (IIC)	10000
Total Numbers of Exclusive / Dedicated Employees (not shared staff) for Entrepreneurship Cell/Innovation & Incubation Cell (IIC)	6
Total Number of Start-ups / Companies Incubated in past 3 Years	38
Total Number of full-time jobs provided by those incubated startups	15
Total Number of Women Entrepreneurs created/supported by the established E-Cell/IIC in past 5 years	13
Total Number of full-time start-ups/organizations currently headquartered at the Institute & operational for regular business	7
Total Number of Events Organized by the Institute for E-Cell/IIC	83

Current Start-ups in Pre-Incubation Stage

I. List if any break through Innovations / Technology Developed at the institute (2-3 technology with 2-3 lines about technology and innovation

Innovation/Technology	About Innovation/Technology
4De-Cruz (E-Bike) 	<p>Electric bikes specifications: Steel frame 27.5" Aluminium double walled alloy rims Ralsen Sleek wall tyres (27"*2.10) Front Forks shocker Dual disk Quick release seat height adjuster</p> <p>-----</p> <p>Technical specification:</p> <ul style="list-style-type: none"> • 36v 250w hub motor. • Li-ion detachable battery pack (IP-67 waterproof & BIS approved). • Charger (2amps) (BIS approved). • Throttle with digital battery indicator. • Smart Paddle assistance feature with automatic control. • Smart controller with inbuilt safety feature. • Electronic brakes. • Anti-theft alarm. • Remote on/off switch. • Dedicated switch for light and horn. • Turn indicator (*optional). • GPS (*optional)
Advanced Trolley with on Spot Billing	<p>Nowadays, in mall for purchasing variety of items it requires trolley. every time customer has to pull the trolley from rack to rack for collecting items and at the same time customer has to do calculation of those items and need to compare it with his budget in pocket. After this procedure, customer has to wait in queue for billing. So, to avoid headache like pulling trolley,</p>

	<p>waiting in billing queue, thinking about budget, we are introducing new concept that is “ADVANCED TROLLEY FOR MALL”. For automation of mall, we have developed as microcontroller-based TROLLEY which is totally automatic.</p>
<p>Udymi</p> 	<p>Udymi is an integrated software mobile application that aims to connect all entrepreneurs, mentors, venture capitalist, angel investors, incubators and government agencies. It provides a single platform for startup- validation, technical, marketing, funding and banking supports. This platform will be helpful to any startup may it be in ideation stage needing support to grow their idea and converting them into a revenue generating model or it may be a well-established startup needing any kinds of support.</p>
