
Dear Student,

Congratulations on your admission to the School of Finance and Commerce of Galgotias University!

As you enter a new phase of your life, a big congratulations on your admission to the School of Finance and Commerce, Galgotias University. I would like to take this opportunity to welcome you to the school and highlight some of the prominent features, which would be most beneficial to make a prudent choice.

At the School of Finance and Commerce (SFC) we believe in the power of innovation and evolving strategies and that is why we intend to develop learning leaders, who are capable of leading in changing times.

We provide our students with the setting and the collaborative environment to develop them into successful entrepreneurs or path-breaking innovators in their respective fields of business. We offer live business ideas ready to be taken over by a group of students or individuals to be run from the fully equipped 'Incubation Centre' – the birthplace of world-changing ideas and entrepreneurial ventures.

The School of Finance and Commerce (SFC) stands on the pillars of world-class: infrastructure, faculty, teaching practices, curriculum, resources, and support systems. We envision the School of Finance and Commerce (SFC) to be one of the most pioneering names in global business education.

At SFC, our curriculums are NEP2020-enabled & developed by academic stalwarts in liaison with industrial experts or through MOUs to provide not only core disciplinary courses but also a variety of skill-enabled courses, value-added courses, multidisciplinary courses, ability-enabled enhancement courses, internships and project courses to all students in all the programs. On the practical side, we have MOUs with numerous corporations to provide practical training to the students – e.g., real-time stock market trading, ACCA Training, Tally, Chartered Accountancy Exam preparation through Certified Accountant, summer internships, research projects, and many more – so that the students gain practical career-oriented skills which can be used to solve real problems.

We have created a unique ecosystem of academic and corporate elements in SFC through which we get access to an industrial knowledge pool, placement to our students, consultancy projects, live case studies, corporate guest faculty, and focused curriculum & training development strongly emphasizing on developing students' innate talents and increasing their employability in the real corporate world.

The campus is a host to various extra-curricular activities such as NCC, NSS, Student clubs, Sports clubs, and cultural activities for students to pursue.

To create an impactful learning experience, students are given access to cutting-edge online learning management system, 24*7 learning networks (wi-fi backbone), state-of-the-art, air conditioned-

interactive boards fitted classrooms, computing clusters, modern and fully automated libraries, and individual single rooms for students in the hostel.

We endeavor to organize periodical outings cum visits for our students to different places as part of recreational activity, as also to make them participate in various sports and cultural festivals.

We also have a strong Alumni Network so that they remain a part of us, and that the subsequent batches look up to them.
