**Invitation for 2nd Edition of Automation, Digitalization & Technology Integration in the Indian
Mining & Metals Sector, August 28, 2025, New Delhi**

Dear Prof. Tyagi,

We are pleased to share that our Annual Flagship **Conference on Automation, Digitalization & Technology Integration in the Indian Mining & Metals Sector** is scheduled for **Aug 28, 2025 (Thursday)** at FICCI Federation House, Tansen Marg, New Delhi.

The event will showcase how digital and automated technologies are transforming the mining and metals value-chains. The Conference will focus on enhancing operational efficiency, sustainability, and global competitiveness through innovation and strategic tech adoption.

The Conference will therefore bring together policymakers, industry leaders, technology experts, and key stakeholders.

The first edition in 2024 witnessed an overwhelming response with participation of more than 250 stakeholders and 25 speakers discussing on the integration of advanced tech solutions into minerals & metals value chain.

In this context, it is our privilege to invite you as **Distinguished Guest in the Conference** and would be happy to host **15-20 top ranked students from your institute for participation, who would be provided with a certificate of participation also.**

This would be a great opportunity for students to participate and understand around the upcoming and buzzword of current times on latest automation, digitization and AI technologies.

It is our privilege to invite **Galgotia University** as **Academic Partner** for the Summit (with no financial obligation on either side).

We look forward to hearing from you and your support.

Yours Sincerely

Best Regards,

Arpan Gupta
Director & Head
Mines, Metals & Cement
Energy, Hydrocarbons
