About Galgotias University

Building Nation, Delivering Impact

Galgotias University, located in Uttar Pradesh and sponsored by Smt. Shakuntala Educational and Welfare Society, has been recognized as a leading academic institution by achieving the highest benchmark in academic excellence with NAAC A+ accreditation in the first cycle. This remarkable achievement places Galgotias as the only private university in Uttar Pradesh with a NAAC score of 3.37 out of 4, awarded by the National Assessment and Accreditation Council (NAAC), and the highest graded autonomous institute of the UGC, Ministry of Education, Govt. of India. The university began operations in the 2011-2012 academic session and welcomed its first batch of students in July 2011. Since then, it has grown to have more than 40,000 students.

Galgotias University aims to become an internationally recognized institution that excels in multidisciplinary and interdisciplinary education, research, and innovation, producing graduates who are globally competitive and poised to become leaders in their fields. Graduates will possess deep knowledge in their chosen fields, strong problem-solving skills, an understanding of the societal context of their profession, effective teamwork abilities, excellent communication skills, and a commitment to lifelong learning.

Galgotias University's unwavering commitment to prioritizing students is a core reason for its consistent top rankings among Indian universities. By maintaining a low student-to-faculty ratio, Galgotias University ensures that every student receives ample individual attention and personalized mentoring opportunities.

Galgotias University has earned numerous accolades for its outstanding academic programs, including recognition as 'Excellent' in the ARIIA Ranking 2021, as well as receiving UGC-12B status and DSIR SIRO. The university has also been ranked among the top 151-200 universities in India, with a 147th ranking in the Engineering category, a 59th ranking for Pharmacy, and a 93rd ranking for Management in the esteemed NIRF INDIA RANKINGS 2021, declared by the Ministry of Education.

At Galgotias University, students receive a world-class education that prepares them for success in their chosen careers. With state-of-the-art facilities, cutting-edge technology, and a wide range of programs and courses, Galgotias University is dedicated to producing graduates who are both academically strong and well-rounded individuals capable of making meaningful contributions to society.

Mr. Suneel Galgotia
Chancellor

At Galgotias University, we want to ensure that we are providing students with a deeply transformative experience –intellectually, socially and personally – that will prepare them for a life of citizenship and leadership. The focus on 360 degree transformation is because we function as an institution that's committed to excellence at all levels.

Over the years, it has been our deep and rich value system that has made Galgotias University synonymous with quality education. By design, learning at Galgotias University is cross-disciplinary and integrative. Our students experience considerable flexibility, freedom, and independence in their academic programs. Given our domain-expert faculty, state-of-the-art infrastructure, international quality teaching pedagogies, excellent nurturing environment for learning and thinking, Galgotias University is emerging as the institution of choice for students of calibre pursuing higher studies. We constantly endeavour to offer world-class educational facilities and practices, and this has ensured that Galgotias University is the favoured recruitment destination for blue-chip corporates.

Students who thrive in our programs are passionate about their subjects. Many are recognised nationally for their scholarship, research, and public engagement, and make original and substantial contributions to their disciplines. Our graduates become idea-leaders who drive our global future by advancing discoveries, broadening knowledge, fostering entrepreneurship, protecting and sustaining our natural environment, and developing new technologies.

We at Galgotias University believe that our students greatly enhance the intellectual life of the University; hence we have taken the responsibility for developing and nurturing world-class professionals, by imbuing them with what we call Thinking Quotient. It is our commitment to continuously explore new opportunities, by creating new centres of thinking, learning and growth.

We believe that we begin in the classroom with exposure to new ideas, new ways of understanding, and new ways of knowing and then our students embark on a journey of intellectual transformation. Once again, I welcome you to this seat of learning, and I wish you success as you experience an unparalleled educational journey.

Dr. Dhruv Galgotia
CEO

Success in the current digital era lies at the convergence of technology, skilling and education. Artificial Intelligence, automation, machine learning – each of these underscores the need for rapid and flexible responses from academia. We at Galgotias University are constantly revamping and upskilling to stay ahead of the learning curve and keep up with the fast changing and tech-savvy world.

I am committed to preparing technically sound graduates for not only the current jobs but equip them with life long learning skills for futuristic corporate world requirements and entrepreneurship also.

We at the University work closely with business leaders, regulators, local bodies and other statutory bodies to ensure that the education imparted is relevant and contemporary.

I am deeply conscious of the fact that scientific and technological advancements, though critical, are by themselves not sufficient for the welfare of mankind. The main purpose of education is to enrich the character and hence we also focus on development of moral values and intellectual integrity in our students.

Ability to think critically, make informed decisions, being confident in social situations and leadership are some of the qualities that we develop in the young persons who chose Galgotias University. I am confident that with this transformative education our students will be ready to take their rightful place as high contributing citizens of our great nation.

The Campus is teeming with activities such as student clubs, sports, cultural performances, hackathons etc. which create a rich and vibrant culture. I welcome all the students and encourage you to take advantage of the opportunities that the university has to offer.

I wish you all the very best as you set out on this incredible journey at the university which will shape your destiny.

At Galgotias University, we nurture the next generation of AI leaders and data scientists. Step into the future with us and redefine possibilities!

A State-of-the-art Apple iMac Lab has been established at the school of Computer Science and Engineering of Galgotias University. The University is an Apple Authorized Training Centre for Education (AATCE).

The Centre provides instructor training as well as App Development training along with Swift Certification exams for students who have an ability to build Apps. Apple provides everything students need to start designing and coding with MAC-plus Swift, X-Code and free developer tools.

The courses cover topics such as operating systems (macOS, iOS), productivity applications (Pages, Keynote, Numbers), creative software (Final Cut Pro, Logic Pro, Motion), and technical skills for Apple hardware and software troubleshooting.

The training centers employ certified instructors who have undergone Apple's rigorous training and certification process. Additionally, some courses offered by the center can prepare students for Apple's official certification exams, such as Apple Certified Support Professional (ACSP) or Apple Certified Mac Technician (ACMT).

International Relations and Admission Office

Galgotias University's vision is to rapidly evolve into a centre of international learning excellence that provides a high-quality, globally-oriented educational experience to students. As part of this endeavor, a full-fledged International Office has been set up at the university.

The International Office will make GU a "home away from home" by taking care of the special needs of international students and visiting faculty so they feel welcome here and enjoy their experience at GU and in India. This office acts as a liaison between international student community/professors and the different Schools and Departments at GU. It also serves as the nodal point for information and assistance to all International students and visitors.

The objectives of the International Office at Galgotias University are to:

- Encourage and welcome international students to study at GU
