

Dear Student,

Congratulations on your admission to the Department of Civil Engineering of Galgotias University!

I am delighted to welcome you to the department which is committed to the vision of making the world beautiful and safe by equipping students with skills necessary for the development of environmentally sustainable infrastructure and transport systems.

Practical exposure is given in an Industry Sponsored Laboratory which has state-of-the-art equipment for Transportation Engineering. The Program has a comprehensive curriculum, attractive internship opportunities and well-equipped laboratories where students apply theoretical knowledge to real world problems. Courses on Internet of Things (IOT), Big Data Analytics, Artificial Intelligence (AI), Building information Modelling and Machine Learning (ML) which are critical to the development of smart cities are also taught.

The campus is teeming with activities organized by the student clubs. I encourage you to take advantage of the opportunities that the university has to offer.

The schedule of Hostel Reporting, Registration and Orientation on campus for the First-Year/Lateral Entry /Migration students is attached as Annexure I.
