**2.Event Title :-** Career Readiness Session - Building Your Professional Profile**3.Event Date and year :-** 14 October 2025

4. Event brief description :- The School of Computer Applications and Technology organized a *Career Readiness Session: Building Your Professional Profile* to guide students in preparing for their professional journey. The session focused on enhancing employability skills through resume building, LinkedIn optimization, personal branding, and understanding industry expectations.

5. Event Detailed Description- Max 500 words

The School of Computer Applications and Technology, Galgotias University, successfully organized a Career Readiness Session titled "*Building Your Professional Profile*" on 14th October 2025 for B.Sc. (Computer Science) 3rd-year students. The session was conducted as part of the institution's continuous efforts to support students in their transition from academics to professional careers.

The event commenced with a welcome address by Dr. Pratima Singh, who highlighted the importance of career readiness, self-awareness, and proactive skill development in today's competitive job market. The

session aimed to bridge the gap between academic learning and industry expectations by equipping students with essential professional skills.

Faculty coordinators conducted interactive discussions on building effective resumes, creating impactful LinkedIn profiles, and developing a strong professional and digital presence. Students were guided on personal branding, communication skills, networking strategies, and the importance of internships and extracurricular involvement for career growth.

The session encouraged active participation, with students asking questions and seeking personalized guidance on improving their academic and professional portfolios. Real-life examples and practical tips were shared to help students understand how recruiters evaluate candidates.

Overall, the session played a vital role in motivating students to plan their career paths strategically and work towards becoming industry-ready professionals.

Title: Hands-
