

Date – 14th October, 2025

To,
The Dean,
School of Basic Sciences,
Galgotias University
Greater Noida

Subject: Approval for organizing the event for Diwali Celebration on 15th October 2025.

Respected sir,

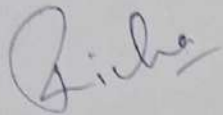

On behalf of the Event Coordination Committee from the School of Basic Sciences (Physics, Chemistry, Mathematics Division), we respectfully seek your kind permission to organize the Diwali Celebration name as "Diya Delight" in the college premises.

We propose to conduct the event on **15th October 2025** from **3:00 PM to 5:00 PM** at the **A1 first floor Corridor**. The celebration will include cultural activities and games for students and staff.

We assure you that all necessary safety measures will be strictly followed and proper discipline, cleanliness will be maintained throughout the event.

We kindly request your approval to proceed with the arrangements. We look forward to your positive response.

Regards,

Dr. Richa (GUSBAS202534231)

Department of Physics (SBS)

Allowed but refrain
from using crackles as
it is not allowed in campus
Ay 14/10/25

Description (min 250 to max 800 words)*

The festival of Diwali, also known as the Festival of Lights or Diya Delights, was celebrated with great enthusiasm and cultural spirit on **15 October 2025** at the **School of Basic and Applied**

Sciences (SBAS), Galgotias University. The celebration aimed to spread the message of happiness, unity, positivity, and cultural heritage among students, faculty members, and staff. The event created a vibrant and joyful atmosphere across the campus and encouraged students to participate in traditional and creative activities.

The celebration began with a **traditional lamp-lighting ceremony**, which symbolizes the victory of light over darkness and knowledge over ignorance. Faculty members and student representatives participated in this ceremony, marking the formal inauguration of the event. Following the lamp lighting, a brief introduction about the significance of Diwali was presented. The speakers highlighted how Diwali represents the triumph of good over evil and encourages people to embrace kindness, positivity, and harmony in their lives.

Several engaging cultural and creative activities were organized for students. One of the most attractive activities was the **Rangoli Competition**, where students displayed their artistic talents by creating colorful and innovative rangoli patterns using flowers, colors, and decorative materials. Each rangoli design carried a unique theme related to Diwali, such as prosperity, peace, and environmental awareness. The creativity and dedication of the students made the competition lively and visually appealing.

Another exciting activity was the **Diya Decoration Competition**, where participants decorated earthen lamps using paints, glitter, beads, and other artistic materials. The beautifully decorated diyas represented creativity and cultural expression. Students also emphasized the importance of using eco-friendly materials, promoting environmental awareness during festive celebrations.

Apart from cultural performances, fun games and interactive activities were also organized to involve students and faculty members. These activities encouraged teamwork, communication, and participation, making the celebration more engaging and enjoyable. The joyful environment allowed students from different academic

	backgrounds to interact and celebrate together. One of the important aspects of the Diwali celebration at SBAS was the emphasis on eco-friendly and safe celebrations. Faculty members encouraged students to celebrate Diwali in an environmentally responsible manner by reducing the use of firecrackers and focusing more on traditional lights, decorations, and cultural activities. Overall, the Diwali celebration held on 15 October 2025 at SBAS, Galgotias University was a memorable and joyful event. It successfully brought students and faculty members together to celebrate one of India's most important festivals while promoting cultural awareness, creativity, and environmental responsibility. The event not only strengthened the bond among participants but also created lasting memories filled with light, happiness, and festive spirit.
Attendance Sheet* (The concerned faculty has taken attendance for their class during that period.)	Attached
