Description (min 150 to max 800 words) *	The Department of Pharmacy, School of Medical and Allied Sciences (SMAS), Galgotias University, Greater Noida, organized an Industry Expert Session on Career Readiness and Skill Building on 04 February 2026. The session was conducted by Mr. Rajeev Bhardwaj, Founder of BHL Formulations Pvt. Ltd., Delhi, a renowned pharmaceutical entrepreneur with extensive experience in the pharmaceutical industry. The primary objective of the session was to bridge the gap between academic learning and industry expectations by equipping students with the necessary skills and knowledge required for successful careers in the pharmaceutical sector. Mr. Bhardwaj shared valuable insights into the current trends, opportunities, and challenges in the pharmaceutical industry, emphasizing the importance of technical competence, professional ethics, communication skills, and continuous learning. During the interactive session, he discussed various career pathways available to pharmacy graduates, including pharmaceutical manufacturing, quality assurance, quality control, regulatory affairs, marketing, research and development, and entrepreneurship. He highlighted the skills and competencies that employers seek in pharmacy professionals and provided practical guidance on enhancing employability through internships, certifications, and industry-oriented training. The expert also encouraged students to develop leadership qualities, problem-solving abilities, and an innovative mindset to adapt to the rapidly evolving healthcare and pharmaceutical landscape. Real-world examples and industry experiences shared during the session helped students gain a better understanding of workplace expectations and professional growth opportunities. The session witnessed enthusiastic participation from faculty members and students of the Department of Pharmacy. The interactive question-and-answer segment enabled participants to clarify their career-related queries and gain practical insights from an industry expert. The event proved to be highly informative and beneficial, contributing significantly to the career development and skill enhancement of pharmacy students. The Department of Pharmacy expressed its gratitude to Mr. Rajeev Bhardwaj for sharing his expertise and inspiring students to pursue excellence in their professional journeys.
