Inner Peace Unlocked: //

Sahaja Yoga Session at
Galgotias University

As part of Yoga Week celebrations, the School of Computer Application and Technology at Galgotias University organized a special session on *Sahaja Yoga* on 14th June 2025. Conducted by experts from the Sahaja Yoga Foundation, the session guided students and faculty through simple yet profound meditation techniques to awaken inner energy (Kundalini) and achieve thoughtless awareness. The interactive workshop emphasized mindfulness, stress management, and emotional balance, leaving participants with a sense of calm and clarity. With enthusiastic participation, the event fostered holistic well-being, aligning with the university's commitment to mental health and overall student development.

Bridging Ayurveda with AI and Neuroscience: //

A Step Toward Future
Healthcare

The School of Computer Application and Technology, Galgotias University, organized an expert talk on *"Latest Trends of Neuroscience and AI in Ayurveda"* on 13th June 2025 in Room C-101. The session was delivered by Dr. Neha Mahajan, an eminent Ayurvedic practitioner and researcher. She highlighted the integration of Neuroscience and Artificial Intelligence with Ayurveda, focusing on personalized healthcare, herbal drug discovery, and wellness platforms like NutriflyGenie. The talk emphasized Ayurveda's three pillars—food, sleep, and energy balance—while showcasing government initiatives and AI-driven innovations. The interactive session enriched students and faculty, inspiring interdisciplinary learning and holistic healthcare approaches.

Placement Counselling Session

for BPT Students

The School of Allied Health Sciences, Department of Physiotherapy, Galgotias University, organized a *Placement Counselling Session* on 16th June 2025 at the Old Auditorium for final-year BPT students. Esteemed speakers, Dr. Rajesh Pal and Dr. Dheerja Babbar, guided students on resume building, interview preparation, internships, and specialized career pathways in physiotherapy. The session bridged academic knowledge with professional requirements, highlighting global certifications and entrepreneurial opportunities. An engaging Q&A addressed individual queries on clinic setups and career growth. Students found the session highly motivating and practical, gaining confidence for job placements. The event concluded successfully with positive feedback.

Industrial Visit

to Cityspace'82 Architects,
Gurugram

The School of Design, Galgotias University, organized an industrial visit to Cityspace'82 Architects, Gurugram, on June 28, 2025, for 25 students of B.Des – Interior Design. Guided by faculty members and hosted by founder Ar. Sumit Dhawan, students explored the firm's design philosophy, sustainable practices, and studio workflow. The visit included a studio tour, interactive sessions with project leaders, and mood board presentations by the interior design team. Students gained insights into design thinking, client-centric approaches, material selection, and the role of illumination in spatial aesthetics. The visit effectively connected academic learning with real-world design practice.

Expert Talk on

“How ChatGPT and
Generative AI Work Under
the Hood – From Tokens to
Transformers”

The School of Computer Application and Technology, Galgotias University, organized an expert talk on “How ChatGPT and Generative AI Work Under the Hood – From Tokens to Transformers” on 14th June 2025. The session was delivered by Mr. Akash Shah, AI and Generative AI Consultant at TCS, who provided deep insights into the working of modern AI models. He explained tokenization, transformer architectures, and attention mechanisms while highlighting real-world applications in healthcare, education, and content creation. Ethical AI and data privacy were also discussed. An interactive Q&A, project ideas, and student participation made the session highly enriching and impactful.

Expert Talk on

“Agentic AI: Building AI
Agents for Autonomous Task
Execution”

The School of Computer Application and Technology, Galgotias University, organized an expert talk on “Agentic AI: Building AI Agents for Autonomous Task Execution” on 14th June 2025 in Room No. 101, C-Block. The session was delivered by Mr. Ravi Kumar, Machine Learning and AI Specialist at Dollar General (USA), who shared deep insights into the design and deployment of autonomous AI agents. He explained agent architectures, learning mechanisms, and real-world applications across industries, while also addressing ethical challenges. The session included career guidance, project showcases, and an engaging Q&A. Students gained conceptual clarity, practical exposure, and career-oriented motivation.

Farewell Party 2025 – “SAYONARA”

University Polytechnic, Galgotias University, organized the *Farewell Party 2025* on 21st June 2025 to bid an emotional yet celebratory goodbye to its outgoing senior students. Themed “*Sayonara – Until We Meet Again*”, the event featured heartfelt faculty addresses, cultural performances by juniors, and memento distribution honoring seniors’ achievements and contributions. Seniors shared their experiences and gratitude, creating a nostalgic atmosphere of togetherness. The association with Bharat Utthann Foundation enriched the celebration with its guidance and support. The event strengthened bonds, empowered students, and marked a new beginning for the graduating batch with smiles, gratitude, and hopeful aspirations.

Industrial Visit to CSIR-Central Road Research Institute (CRR), New Delhi

The Department of Electrical, Electronics & Communication Engineering, Galgotias University, organized an industrial visit to *CSIR-Central Road Research Institute (CRR)*, New Delhi on 19th June 2025 for B.Tech. students of DEECE and DOCE. Guided by experts including Dr. Kayitha Ravinder, Dr. Kamla Masih, Dr. Siraj, and technical officers Dr. Rohit Chamoli, Dr. Bhupendra, Dr. Sikander, and Dr. Sarfaraz Ahmed, students explored state-of-the-art laboratories and observed demonstrations on bitumen testing, material strength evaluation, and pavement engineering. The visit bridged theory with practical applications, enhanced career awareness, and motivated students toward research and innovation in civil and infrastructure engineering.

Igniting Ideas: //

Innovation & Startup
Ecosystem at Galgotias

The School of Business, Galgotias University, under the leadership of Hon'ble Chancellor Shri Suneel Galgotia and Hon'ble CEO Dr. Dhruv Galgotia, hosted an inspiring session on *"Innovation & Start-up Ecosystem Enablers in India"* on 17th June 2025. Delivered by Mr. Kamal Kishor Malhotra, CEO – GICRISE, the session provided valuable insights into India's startup ecosystem, incubation opportunities, and government funding schemes. Students explored the stages of entrepreneurial support, from ideation to acceleration, and engaged in an interactive Q&A on incubation and funding. The session sparked entrepreneurial enthusiasm, motivating students to innovate, explore, and transform ideas into successful ventures.

Law Meets Literature: //

Insights on UPSC Preparation

The School of Law, Galgotias University, through its Literary Society and Internship & Placement Cell, organized an expert talk on *"Interplay between Law & Literature: UPSC as a Career for Law Students"* on 14th June 2025. Delivered by Dr. Vijender Chauhan, Associate Professor, Zakir Hussain College, DU, the session highlighted how literature deepens legal reasoning and sustains motivation during UPSC preparation. Drawing on Kafka and Premchand, Dr. Chauhan emphasized law students' analytical strengths for civil services. The interactive session concluded with discussions on institutional innovation, inspiring students to embrace interdisciplinary learning and public service careers.

Innovation in Action:

PBL & Comprehensive
Project Exhibition 2025

Galgotias Polytechnic organized the Project-Based Learning (PBL) & Comprehensive Project Exhibition on 5th June 2025, showcasing the innovative Capstone and Comprehensive projects of final-year diploma students. The event highlighted the application of classroom knowledge to real-world problem-solving, reflecting technical expertise, creativity, and teamwork. Esteemed industry experts, including representatives from Tech Mahindra, Cigniti Technologies, and Publicis Sapient, provided valuable feedback, strengthening the industry-academia connection. Students gained confidence, improved communication, and honed technical and soft skills through live demonstrations. The exhibition promoted experiential learning, aligning with the institution's vision of holistic education and preparing students for professional excellence.

Shaping Future Leaders:

Career Guidance Session for
UPSC Aspirants

The School of Liberal Education, Galgotias University, in collaboration with Vajiram and Ravi Civil Services Coaching Institute, organized an inspiring Career Guidance Session on June 3, 2025. The session featured Mr. Tejasva, UPSC CSE 2024 Rank 308, who shared his journey, strategies, and success mantras for cracking India's toughest exam. Prof. (Dr.) Anuradha Parasar highlighted the role of such sessions in nurturing visionary leaders, while Dr. Devika Sharma introduced the guest. Students actively engaged, seeking guidance on preparation, stress management, and motivation. The session empowered aspirants with clarity, discipline, and confidence to pursue their dream of public service.

Igniting Innovation: //

Launch of Galgotias Accelerator Program

Galgotias Incubation Centre for Research Innovation Startup and Entrepreneurs (GIC RISE) launched the *Galgotias Accelerator Program* on 3rd June 2025, under the visionary leadership of Hon'ble Chancellor Shri Suneel Galgotia and CEO Dr. Dhruv Galgotia. The program, designed to transform ideas into market-ready ventures, was inaugurated with an insightful session by Mr. Rachit Mathur, Founder & CEO of Shiftz. He shared the six-month roadmap covering ideation, MVP development, growth strategies, fundraising, and Demo Day preparation. The launch inspired students to pursue entrepreneurship, offering mentorship, industry exposure, and structured support for building scalable, innovative startups.

Strategic Insights //

into Hospital Emergency Preparedness

On 19th June 2025, the School of Business, Galgotias University, organised a guest lecture on "*Operations Strategy for Emergency and Disaster Management in Hospitals*" by Dr. Surabhi Chhabra, Head of Emergency and Trauma, Yatharth Super Speciality Hospitals. Addressing MBA Healthcare Management and Operations students, Dr. Chhabra shared practical strategies for managing hospital emergencies, including triage protocols, crisis coordination, and resilience-building. Real-life case studies highlighted operational challenges, resource management, and disaster response systems. The interactive session enriched students' understanding of preparedness, leadership, and hospital operations during crises, equipping them with essential skills to face future healthcare challenges effectively.

Hands-On Training on PLC & SCADA:

Bridging Theory with
Industrial Practice

On 10th June 2025, the Department of Electrical, Electronics and Communication Engineering, Galgotias University, organized a hands-on training program on *PLC & SCADA* at C-344, C-Block. The session offered diploma students practical exposure to Kinco PLC systems, covering ladder logic, timers, counters, PID control, I/O wiring, and industrial communication protocols. Participants also gained expertise in SCADA integration, HMI design, alarms, and data monitoring. Through real-time troubleshooting and a capstone project like pump or conveyor automation, students bridged theoretical knowledge with industrial applications, enhancing employability in roles such as PLC Programmer, Automation Engineer, and SCADA Specialist.

Educational Visit to NCMRWF:

Exploring Weather
Forecasting and
Supercomputing

On 6th June 2025, students of PG 2nd Semester and UG 4th Semester, School of Basic Sciences, Galgotias University, visited the National Centre for Medium Range Weather Forecasting (NCMRWF), Noida, accompanied by faculty members. The visit began with an insightful lecture by Dr. Ashish Routray, Scientist F, on the role of Basic Sciences in Numerical Weather Prediction (NWP) and ensemble forecasting systems. Students also explored the Supercomputer Centre, housing “Bhaskara,” “Mihir,” and “Arunika,” gaining exposure to high-performance computing in weather prediction. The visit provided valuable experiential learning, fostering deeper understanding of forecasting techniques and interdisciplinary scientific research.

इंटरनेशिप से नवाचार को बढ़ाने का प्रयास

ग्रेटर नोएडा। गलगोटिया विश्वविद्यालय ने परिसंवाद 2.0 द ह्यूमन कैपिटल सिम्पोजियम 2025 का आयोजन किया गया। कार्यक्रम में देश और विदेश की 80 से अधिक शीर्ष एचआर कंपनियों के लीडर्स शामिल हुए। दूसरे पैनल की चर्चा का विषय इंटरनेशिप क्रांति की संभावनाओं पर केंद्रित था। इंटरनेशिप केवल औपचारिकता नहीं, बल्कि प्रतिभा पोषण, नवाचार को प्रोत्साहित करने और भविष्य के नेताओं को गढ़ने के रणनीतिक कदम है। सीईओ डॉ. ध्रुव गलगोटिया ने कहा, परिसंवाद 2.0 के तहत छात्रों को अकादमिक ज्ञान, उद्योग अनुभव और नेतृत्व कौशल का सही संयोजन देकर सशक्त बनाया जाता है। ब्यूरो

'नेवर अलोन' प्रॉजेक्ट का शुभारंभ

■ **NBT न्यूज, दनकौर :** गलगोटिया यूनिवर्सिटी में बुधवार को नेवर अलोन नाम के एक अत्याधुनिक मानसिक स्वास्थ्य सहायता परियोजना का शुभारंभ किया गया। इस प्रॉजेक्ट के जरिए जरूरतमंद व्यक्ति को एआई पावर्ड हेल्थ असिस्टेंट के माध्यम से मानसिक स्वास्थ्य से जुड़ी सहायता तुरंत उपलब्ध कराना है। कार्यक्रम का उद्घाटन यूनिवर्सिटी के कुलाधिपति सुनील गलगोटिया ने किया। उनके साथ विशिष्ट अतिथि डॉ. निशात अहमद तथा विश्वविद्यालय के अन्य वरिष्ठ पदाधिकारी उपस्थित रहे।

दिव्यांगजनों को भी मिले न्याय : डॉ. अख्तर

ग्रेटर नोएडा। गलगोटिया विश्वविद्यालय के लॉ डिपार्टमेंट के तहत डिसएबिलिटी राइट्स क्लिनिक द्वारा प्रजनन संबंधी न्याय एवं विकलांगता अधिकार दिव्यांगता भेदभाव का मिथक विषय पर एक कार्यशाला का आयोजन किया गया। डॉ. तालीम अख्तर ने कहा कि दिव्यांगजनों को भी प्रजनन संबंधी न्याय मिलना चाहिए। प्रो. अवंतिका तिवारी ने कहा कि भारत में प्रचलित दिव्यांगता संबंधी कानून अभी भी पुराने दृष्टिकोण पर आधारित हैं। ब्यूरो

भारतीय ज्ञान परंपरा केंद्र का उद्घाटन

ग्रेटर नोएडा। गलगोटिया विश्वविद्यालय में अध्यात्मिक गुरु कमलेश डी पटेल (दाजी) ने शुक्रवार को भारतीय ज्ञान परंपरा केंद्र का उद्घाटन किया। कार्यक्रम में गुरु दाजी ने जीवन में उत्पत्ति और मरण के महत्व को समझाया। इस दौरान उन्होंने कहा कि अगर अपने जीवन में बदलाव करना है तो हमें अपनी चेतना में बदलाव करना होगा। इसके साथ ही उन्होंने इतिहास के तमाम बड़े वैज्ञानिकों और आविष्कारों का उदाहरण दिया।

विश्वविद्यालय में उत्पाद विकास शिक्षण केंद्र शुरू

ग्रेटर नोएडा। गलगोटिया विश्वविद्यालय में टाटा टेक्नोलॉजी के सहयोग से मंगलवार को उत्पाद विकास शिक्षण केंद्र शुरू का शुभारंभ हो गया। यह साझेदारी उद्योग और अकादमिक जगत के बीच इंजीनियरिंग पेशेवर को भविष्य के लिए तैयार करने में मदद मिलेगी। इस अवसर पर विश्वविद्यालय के सीईओ डॉ. ध्रुव गलगोटिया और अन्य लोग मौजूद रहे।

स्टार्टअप्स को बढ़ावा देने के लिए विद्यार्थियों को किया प्रोत्साहित

ग्रेटर नोएडा, 20 जून (देशबन्धु)। गलगोटिया विवि के तत्वावधान में कैम्पस एक्स की शुरुआत की। यह छात्रों और युवा इनोवेटर्स के बीच उद्यमशीलता की भावना को जगाने के लिए डिजाइन की गई पैनल चर्चाओं की कड़ी है। इस कार्यक्रम में 4 पावर-पैक सत्र शामिल किए गए। इनमें से प्रत्येक में प्रमुख स्टार्टअप संस्थापकों की व्यक्तिगत यात्रा, चुनौतियों, अंतर्दृष्टि और सलाह पर प्रकाश डाला गया। इस मौके पर डॉ. ध्रुव गलगोटिया, सीईओ, गलगोटिया विश्वविद्यालय ने कहा कि हमारे संस्थान में स्टार्टअप्स को लेकर हो रहे प्रयास फलीभूत हो रहे हैं। संस्थान में स्टार्टअप्स को बढ़ावा देने के लिए पूरा ईको सिस्टम बनाया गया है। इसकी वजह से संस्थान के छात्र स्टार्टअप्स को लेकर उत्साहित हैं और इस दिशा में अच्छा और सफल प्रयोग कर

रहे हैं। इस दौरान सत्र एक में नितिन जैन (सह-संस्थापक, ऑफबिजनेस) ने कॉरपोरेट सेक्टर से उद्यमिता तक के अपने विकास को साझा किया। उन्होंने स्टार्टअप संस्कृति पर जोर देते हुए सीखने की मानसिकता रखने, वास्तविक दुनिया की

समस्याओं को हल करने के बारे में विचार रखे। उन्होंने नेटवर्किंग के महत्व पर भी जोर दिया। वहीं, पुनीत गुप्ता (संस्थापक, एस्ट्रोडॉक) ने ज्योतिष में संदेहवादी से विश्वासी बनने के अपने परिवर्तन को साझा किया।

जल्द ही इस कार्यक्रम में अनेक और महत्वपूर्ण सत्रों का आयोजन किया जाएगा। छात्रों को इस अवसर का उपयोग करके अपने करियर में सफलता प्राप्त करने चाहिए।
