## From Awareness to Action: Empowering Rural Women on Breast Health"

On 22nd October 2024, the Galgotias School of Nursing, in collaboration with the Sadhan Foundation, conducted a Breast Cancer Awareness Program at Tahirpur, Dilshad Garden, Delhi. The theme was *"No one should face breast cancer alone."* Sixth-semester students presented role plays and charts to educate rural women about breast cancer, its symptoms, myths, and early detection. Pamphlets were distributed for better understanding. The session received positive feedback and appreciation from the Sadhan Foundation. Special thanks to Prof. Dr. Lekha Bist, Dean, for her guidance in making the event a successful community outreach initiative.

## "Let's End Polio: Awareness Through Action"

On 24th October 2024, the Galgotias School of Nursing, in collaboration with PGICH Hospital, Noida, celebrated World Polio Day to raise awareness about polio eradication. The theme *"Let's End Polio"* guided impactful activities like a poster-making competition and a thought-provoking skit by students, emphasizing the importance of vaccination. The event saw active participation from faculty, students, and medical professionals. Dr. Prof. A.K. Singh, Medical Director, PGICH, praised the efforts. The event fostered community awareness and highlighted the collective role in achieving a polio-free world. It concluded with strong recommendations for continued advocacy and awareness drives.

## "Naari Utthan:

Empowering Rural Women  
Through Self-Reliance"

The Department of Agriculture, Galgotias University, launched the **NAARI UTTAN Self-Help Group** on 15th October 2024 in Kanarsi village to promote women's empowerment and sustainable livelihoods. With 10–20 members, the SHG focuses on savings, entrepreneurship, and financial literacy. Planned activities include skill training in handicrafts, organic farming, and food processing, supported by a ₹2,10,000 budget. Income generation through collective farming, livestock, and micro-enterprises will be enhanced through branding and e-commerce. Regular capacity-building and monitoring will ensure impact. This initiative aims to boost women's income, independence, and community status, reflecting Galgotias University's commitment to inclusive rural development.

## "Saving Lives Starts Here:

First Aid & CPR Training for  
Emergency Preparedness"

The Galgotias School of Nursing, in collaboration with Medanta The Medicity, organized a First Aid and CPR training session on 26th October 2024 under the guidance of Dr. Lekha Bist. Lab attendants from the Schools of Engineering, Hospitality, and Tourism were trained in CPR, choking relief, AED usage, wound care, burn and fracture management. Trainers Mr. Himanshu Joshi, Mr. Vinod Bhatt, and Mrs. Rubi led interactive, hands-on demonstrations. The training empowered participants with vital emergency response skills. The session was a success, fostering preparedness and confidence to act swiftly in life-threatening situations.

## "Mind Matters:"

Prioritizing Mental Health in  
the Workplace"

The Galgotias School of Nursing organized an online expert talk on World Mental Health Day, themed *"It's Time to Prioritize Mental Health in the Workplace."* Dr. Grace Singh, Professor of Mental Health Nursing at Swami Rama Himalayan University, shared valuable insights on workplace stress, resilience, and therapeutic interventions. Hosted by Ms. Mamta, the session engaged over 120 participants, including students and faculty. Dr. Singh addressed causes, myths, and preventive strategies for stress. The interactive session ended with a vote of thanks by Dr. Nancy Thakur. The event was insightful, inspiring students to support mental well-being in their future professional lives.

## "Primo Gradus 2024:

Forging Future Legal Minds  
Courtroom Battles"

The **Primo Gradus Intra Moot Court Competition 2024**, organized by the Moot Court Society, School of Law, Galgotias University, was held from 16th to 18th October. With 18 participating teams, the event progressed through intense preliminary, quarter-final, and semi-final rounds. The finals, judged by Advocate Rodney D Ryder, Advocate Siddhartha Garg, and Dr. Moumita Sen Chakraborty, saw **Team TC 05** emerge victorious. Guided by faculty convenors and student leaders, the competition fostered legal research, drafting, and advocacy skills. Dean Dr. Aditya Tomer's valedictory address highlighted its importance. The event was a grand success, promoting excellence and professional readiness in law students.

## "From Casebooks to Courtrooms:

Mastering Legal Research and Drafting"

The School of Law, Galgotias University, organized a special lecture on *"Legal Research and Drafting for Moot Court Competitions"* on 25th October 2024. Led by Prof. Shreya Bajpai and Prof. Rajat Dixit, the session provided practical insights into legal research methodology and memorial drafting. Prof. Bajpai emphasized the use of credible sources and argument formation, while Prof. Dixit detailed memorial structuring, clarity in legal writing, and persuasive argument techniques. The interactive Q&A session addressed students' real-time challenges. The event equipped aspiring mooters with essential tools to excel in competitions and enhanced their confidence in applying theoretical legal knowledge practically.

## Code to Career:

Placement-Oriented Java Training Empowers Future Developers

The Department of Computer Applications and Technology, under the mentorship of Prof. (Dr.) Vineeta Khemchandani, conducted a six-day Placement-Oriented Java Training Program aimed at boosting students' employability. Led by Mr. Sharad Gupta and coordinated by Dr. Pratima Singh and Mr. Rajesh Sharma, the sessions combined theory, coding exercises, and mock interviews to enhance Java proficiency. Students gained practical insights aligned with industry expectations, significantly strengthening their readiness for technical interviews and software careers. The program received overwhelmingly positive feedback for bridging academic learning with real-world application, empowering students to compete confidently in placement drives.

## UTSAV 2024:

A Sparkling Celebration of  
Culture, Unity, and Creativity

The grand cultural fest *UTSAV 2024*, organized by the Cultural Committee of SCAT, illuminated the Galgotias University campus with colors of celebration, creativity, and community. Held on 25th October 2024, this Diwali-themed event blended tradition with talent through vibrant Rangoli competitions, classical and modern performances, festive delicacies, and interactive games.

A memorable highlight was *A Tête-à-Tête* with renowned musician Rohit Chaudhary, who mesmerized audiences with his journey and live performance. The day concluded with laughter, unity, and inspiration, reinforcing Galgotias' commitment to cultural harmony and student engagement. *UTSAV 2024* truly lit up hearts and strengthened community bonds.

## Tech Torque Presents: Semiconductor Quiz Sparks Innovation and Learning

Tech Torque, the technical club of the Department of Electrical, Electronics & Communication Engineering (DEECE), successfully conducted the *Semiconductor Quiz Competition* on 19th October 2024 in Room C-545. With 87 enthusiastic participants (78 from ECE and 9 from CSE), the event tested knowledge on semiconductor fundamentals, fabrication, and industry insights.

Structured into three engaging rounds and a tie-breaker, the quiz witnessed intense competition. Team *Dynamic Spark* secured 1st place, followed by *Puru Thakur* in 2nd, and *Rankers* in 3rd. The event enhanced students' technical knowledge and fostered a healthy spirit of academic competition and collaboration.

## Bridging Innovation & Expertise:

Expert Talk on Human Role in Software Testing

The School of Polytechnic, Galgotias University, in collaboration with IIC/IAC, organized an expert talk titled “Role of Human Expertise in Software Testing” on 19th October 2024. Mr. Rajat Tyagi, Team Lead at Tech Mahindra, with 18+ years of experience, shared insights on software testing frameworks, cloud-based environments, and industrial tools. He highlighted career opportunities for diploma students and addressed queries from both students and faculty. The session enhanced understanding of quality assurance in tech industries and concluded with a vote of thanks by Dr. Rajeev Sharma, IIC/IAC Coordinator.

## Smart Money Moves:

Fintopedia Bullrisers 2024-25  
Workshop Empowers Financial  
Literacy

The School of Business at Galgotias University, in collaboration with Fintopedia, organized the Fintopedia Bullrisers 2024-25 Workshop titled “Smart Money Moves” on 22nd October 2024. The workshop featured keynote speaker Mr. Ankit Mehta, CSO at Fintopedia, who shared valuable insights on investment strategies for youth, covering mutual funds, equities, SIPs, and bonds. A hands-on stock market simulation game engaged students in real-time trading experiences. The event highlighted early investment benefits, career avenues in finance, and fintech industry insights. The session concluded with a vote of thanks by Dr. Jaideep Sharma, ensuring a memorable, interactive, and enriching financial learning experience.

## Igniting Innovation:

Exploring Accelerators &  
Incubation Opportunities at  
Galgotias

A session on *"Accelerators/Incubation - Opportunities for Students & Faculty - Early-Stage Entrepreneurs"* was conducted on 29th October 2024 from 10:00 AM to 11:45 AM at Vivekanand Auditorium, Galgotias University. The session, aligned with SDG-4 (Quality Education), was led by Mr. Kamal Kishor Malhotra, CEO of GICRISE (Galgotias Incubation Centre for Research Innovation, Startup & Entrepreneurs). The event aimed to familiarize students and faculty with the scope, benefits, and support systems offered by incubation and accelerator programs. The session provided valuable insights into startup development, mentoring, funding, co-working spaces, and scaling strategies for budding entrepreneurs. The program concluded with a vote of thanks by Dr. Surinder K. Dhingra.

## AI Unleashed:

Masterclass on Growth Hacking

The Business Analytics Club, School of Business, Galgotias University, organized an insightful workshop on *"AI Masterclass on Growth Hacking"* on 24th October 2024. Conducted by Mr. Anuj Singhal, Product Manager at Exzeo India, the session focused on leveraging AI for marketing, resume building, interviews, and business innovation. Aligned with the course *"AI for Business Management,"* students gained hands-on experience with live data, Generative AI tools, and growth hacking strategies. Guided by mentor Dr. Palak Gupta, the workshop empowered students with practical AI skills, ethical insights, and confidence to apply AI-driven techniques in business growth and career advancement.
