

**1 NO
POVERTY**

Sustainability Report 2022-23

(Goal - 1)

NO POVERTY

Eradicating extreme poverty for all people everywhere by 2030

Introduction to SDG - 1

Galgotias University is committed to breaking the cycle of poverty through the transformative power of education. Offering a wide range of scholarships, financial assistance programs, and skill development initiatives, the university provides essential support to students from underprivileged backgrounds. These initiatives empower students to overcome socio-economic challenges, equipping them with the tools needed to achieve their academic and professional goals. By creating an inclusive and equitable learning environment, Galgotias University ensures that every student, regardless of their circumstances, has the opportunity to succeed. Beyond academics, the university collaborates with NGOs and government bodies to promote sustainable development. Together, they work to enhance economic mobility, foster community development, and advance the United Nations Sustainable Development Goals.

Through these partnerships and its unwavering focus on education and skill-building, Galgotias University drives lasting change, empowering individuals and communities to thrive and contributing to a future free from poverty.

Programs Offered -
Doctor of Philosophy (Ph.D.) in Environmental Sciences
M.Sc. in Sustainability

Courses Offered -
Fundamentals of Agricultural Economics BSc Hons. (AIUA201T)
Entrepreneurship - MBA Dual (MBDS6004)

Galgotias University's International Literacy Day Celebration Empowering Minds, Eradicating Poverty

In September 2022, Galgotias University celebrated International Literacy Day, emphasizing the vital role of education in eradicating poverty and advancing sustainable development, aligning with SDG 1: No Poverty. The event highlighted the transformative power of literacy in breaking poverty cycles, empowering individuals, and fostering socio-economic progress. Distinguished guest lectures by experts provided valuable insights into how education combats poverty and drives societal growth. Interactive sessions encouraged students, faculty, and community members to collaboratively develop innovative strategies for increasing literacy rates in marginalized areas, promoting access to quality education for all. Beyond the campus, the university organized an impactful outreach program targeting underprivileged children in local communities. Volunteers distributed educational materials, including books and stationery, offering essential resources to support learning. This initiative showcased Galgotias University's unwavering dedication to fostering social change, empowering communities, and advancing sustainable development by addressing poverty through the powerful tool of education.

Commitment to Empowering Economically Disadvantaged Students Galgotias University Breaking Barriers

Galgotias University launched its transformative Anti-Poverty Campaign to support economically disadvantaged students, fostering an inclusive and equitable academic environment. The campaign introduced several impactful measures to address financial hardships. On-campus food banks were established, providing essential supplies to ensure no student faced hunger due to financial constraints. Subsidized meal plans were also implemented, making nutritious food accessible and affordable. To further alleviate financial stress, the university developed affordable housing options, ensuring that accommodation costs did not hinder students' education. These initiatives were designed to reduce financial burdens and promote equality, empowering students from all socio-economic backgrounds to thrive academically. By ensuring access to basic necessities, the campaign enabled students to focus on their studies without the constant worry of financial instability. This commitment to inclusivity and social responsibility highlights Galgotias University's dedication to fostering a brighter, more equitable future for all, contributing significantly to the well-being and success of its students.

We are of Champions Social Entrepreneurship Galgotias University Community Innovating for Impact

Through our Champions of Social Entrepreneurship initiative, we are committed to addressing Sustainable Development Goal 1: No Poverty by empowering communities with innovative solutions.

Our students and faculty collaborate on sustainable business models, skill development programs, and technology-driven solutions that uplift underprivileged communities.

By integrating entrepreneurship with social responsibility, we create employment opportunities, promote financial literacy, and support grassroots innovations.

Through community-driven projects, we work towards reducing economic inequalities, enhancing access to essential resources, and creating self-sustaining ecosystems. Whether it's through microfinance initiatives, rural education, or technological interventions, our goal is to break the cycle of poverty and build a future of inclusive growth.

At Galgotias University, we don't just educate—we innovate for impact. Together, we are shaping a world where no one is left behind.

Empowering Communities, Enriching Futures Galgotias University Creating Connections with hearts

Galgotias University has launched impactful Community Outreach Programs to empower local communities and address pressing social challenges. These initiatives focus on skill development, healthcare access, and education, fostering long-term social progress. Vocational training workshops have been introduced to equip residents with employable skills, enhancing their opportunities for stable livelihoods. Free medical check-ups were organized, providing essential healthcare services to underserved populations, ensuring better health and well-being within the community. In addition, tutoring sessions for children were conducted, offering academic support to improve their educational outcomes. To ease financial burdens, school supplies were distributed to families, ensuring students had the resources they needed to succeed. These multifaceted programs reflect the university's commitment to sustainable development and its dedication to strengthening ties with the community. By addressing immediate needs and fostering self-reliance, Galgotias University continues to empower individuals and contribute to a brighter, more equitable future for all.

Community Outreach Program Campus Classroom

True education transcends classrooms; it's about empowering lives, uplifting communities, and creating a ripple of lasting change.

Empowering Communities Through Acts of Kindness We Have Fostering Compassion

Galgotias University organized a series of impactful Charity Drives and Donation Events to support underprivileged families in need. These events, led by students and faculty, focused on providing essential items such as clothes, books,

and non-perishable food. The goal was to directly alleviate the basic needs of marginalized communities, ensuring access to vital resources. The university community's involvement in collecting and distributing goods fostered a sense of social responsibility, empowering participants to contribute to the well-being of others.

These initiatives not only offered immediate relief but also promoted values of compassion, unity, and solidarity. Through these charitable efforts, Galgotias University reinforced its dedication to creating socially-conscious individuals who understand the importance of giving back. The events helped cultivate a culture of kindness and long-term impact, ensuring that the university's mission of fostering positive social change resonates within the broader community.

Galgotias Agrihealth Products Foundation

A Testament to Quality and Sustainability

The Galgotias Agrihealth Foundation, launched by the School of Agriculture at Galgotias University, is championing sustainable food systems in alignment with the United Nations Sustainable Development Goals (SDGs). Through innovative agricultural practices, the Foundation has made significant strides in promoting food security and environmental sustainability. Key accomplishments include the sale of 480 kg of organic potatoes, the production of 174.5 liters of mustard oil from harvested mustard, and the creation of sauce from locally grown cherry tomatoes. Additionally, the Foundation has distributed 1,400 kg of campus-grown wheat, black wheat, and barley, alongside processed products like organic honey, dried fenugreek, multigrain flour, and jaggery. By focusing on reducing hunger (SDG 2), fostering sustainable production (SDG 12), and minimizing environmental impact (SDG 13), the Foundation is building resilient food supply chains that support both communities and the planet. With its commitment to resource efficiency and nutritional value, the Foundation is shaping a future where agriculture plays a key role in global sustainability.
