

Sustainability Report 2022-23

(Goal - 17)

PARTNERSHIPS FOR THE GOALS

Strengthen the means of implementation and revitalize the global partnership for sustainable development.

Introduction to SDG - 17

Galgotias University contributes to Sustainable Development Goal 17 by building effective partnerships that drive significant advancement that accelerate progress.

By establishing strong alliances with academic institutions, industry leaders, and international organizations, the university fosters an environment of collective action.

Through global summits, conferences, and research consortia, it promotes interdisciplinary cooperation to tackle complex sustainability issues.

Flagship initiatives, such as the International Day of Peace Poetry Recitation Ceremony and the Value-Added and Peace Education Program, bring together diverse voices and perspectives, amplifying the impact of peace and sustainability efforts.

The university's partnerships with corporations and NGOs enable students to actively engage in real-world issues, ranging from advocating for Invisible Disability Rights to promoting gender sensitivity and anti-harassment campaigns.

Galgotias University's commitment to SDG 17 is evident in its ongoing collaborations that drive sustainable progress and create meaningful societal change.

Strategic Industry

PARTNERSHIPS

Galgotias University has established multiple strategic industry partnerships that bridge the gap between academia and the corporate world, empowering students with industry-relevant skills and experiences. These collaborations enhance the university's commitment to aligning education with current technological trends and market needs.

1. Partnership with Apple Inc. Galgotias University has partnered with Apple Inc. to set up the state's first iOS Development Centre, providing students with hands-on training in iOS app development and fostering innovation in the tech ecosystem.
2. Strategic MoU with Samsung Electronics The partnership with Samsung focuses on upskilling students through industry-relevant programs, ensuring they are prepared to meet the demands of the fast-evolving tech industry.
3. Collaboration with ST Microelectronics In collaboration with ST Microelectronics, a global leader in VLSI design, Galgotias University has created a Centre of Excellence in the Internet of Things (IoT). Students will undertake a year-long industry course and research initiatives at ST Microelectronics, gaining invaluable practical experience.
4. Industry Tie-Ups for Empowering Students Galgotias University collaborates with top MNCs, including JBM Group, Tech Mahindra, and ST Microelectronics, to offer students employment-oriented skills, ensuring seamless integration into corporate environments.
5. MoU with Tech Mahindra This MoU focuses on enhancing knowledge enrichment, research collaboration, and industry-driven initiatives, making Galgotias University a preferred partner in technology and innovation.
6. Infosys Campus Connect Program The Campus Connect initiative enables Galgotias University to design curricula in alignment with industry requirements. It also organizes seminars and faculty training, ensuring students are equipped with the necessary skills for industry success.
7. MoU with Celebal Technologies This partnership enhances students' skills by offering elective courses in the curriculum and ensuring placement opportunities, enriching their employability.
8. Accreditation with Tata Consultancy Services (TCS) Galgotias University's accreditation with TCS enables the co-creation of various Faculty Development Programs (FDPs) and student training programs, contributing to high-quality education and learning processes.
9. Wipro Technologies Ltd. Partnership Through collaboration with Wipro Technologies, the university nurtures faculty development and innovation by providing tools, training, and methodologies to enhance teaching skills and technical knowledge.

These partnerships highlight Galgotias University's commitment to offering quality education through strategic industry collaborations, empowering students with the skills and experience necessary to excel in the global workforce.

Education for SDGs commitment to meaningful education from National & International Cooperates.

Galgotias University remains dedicated to advancing education aligned with the Sustainable Development Goals (SDGs) through strategic collaborations and impactful events. By fostering partnerships with national and international organizations, the university enhances its capacity to provide high-quality education while contributing to global development objectives.

1. Galgotias University Sets Up Nanotechnology Lab Under Grant from Science and Engineering Research Council, Govt. of India

13. Dr. Buddha Chandrasekhar Addresses Students During 6th Season of Indian Karting Race by ISIE INDIA
14. Expert Talk by Prof. Dr. Vytautas Bučinskas on Digital Manufacturing and Mechatronics
15. FDP Session by Ms. Smita Prasad, CFO, KPMG on Research, Consultancy, and Teaching in Higher Education
16. Session by Dr. Sunil K Jain on Peace Education Program and Self-Exploration
17. Session by Ms. Tanuja Vashishtha on Peace Education Program and Self-Exploration
18. Session by Mr. Sanjay Shrivastava on Peace Education Program and Self-Exploration

These initiatives reflect Galgotias University's dedication to providing meaningful education, empowering students to contribute to the SDGs, and fostering a global mindset.

International Collaborations and gathering for SDGs

Galgotias University aims to bolster its SDG-related research through international collaborations with prestigious institutions like Purdue University, Goethe University, and the University of Maryland. By engaging in joint research projects, data-sharing agreements, and benchmarking for SDG progress, the university can foster global partnerships.

Collaborative initiatives may include student and faculty exchange

programs, joint conferences, and technology-driven sustainability projects using AI and IoT for real-time tracking. Furthermore, joining global SDG networks will allow the university to integrate global best practices, enhance sustainability research, and contribute meaningfully to achieving the SDGs.

Seeds of Hope and Action Galgotias University Hosts SDG Awareness Event

Galgotias University hosted a two-day event on October 17th and 18th, 2023, focusing on the United Nations' 17 Sustainable Development Goals (SDGs). Organized by the Department of the School of Lifelong Learning in collaboration with the Student Council, the event aimed to raise awareness about global sustainability challenges.

Volunteers presented each SDG at individual stands, engaging students and parents with detailed information. Distinguished guests, including Dr. K. Mallikharjuna Babu and Ms. Aradhana Galgotia, emphasized the importance of SDGs. The event highlighted the collective responsibility of the university community to actively support and contribute to global sustainability efforts.
