## MESSAGE FROM DEAN

**Dr. Anurag Saxena**

Dean and Professor

On behalf of all our faculty, staff and students, welcome to the School of Finance and Commerce, Galgotias University!

I am incredibly proud of the rich tradition of the School of Finance and Commerce to provide practical and experience-based education in the domain of finance and commerce.

With business today becoming more and more competitive, finance function across the globe is changing, and financial executives are assuming more of a strategic role. An increased amount of time is being spent on financial risk management and strategic planning and analysis. Financial managers and investors do not operate in isolation but within an ever-changing business environment. This environment is made up of multiple macro-economic variables which are complex and interlinked. Thus, finance must be learned with a holistic and interdisciplinary approach providing insights for its linkages with economics, strategy, and other business and social sciences areas. The academic programs at SFC are crafted to suit this particular requirement.

We offer Bachelor of Commerce (B.Com.) and Bachelor of Business Administration (B.B.A.) at undergraduate level and Masters of Commerce (M.Com.) and Master of Business Administration (M.B.A.) at postgraduate level with high concentration and rigor in finance.

Through these programs and our co-curricular activities, our students gain underlying conceptual knowledge about the subject area and develop all the skills sets necessary to discharge their roles efficiently and effectively. Our excellent physical infrastructure and contemporary teaching methods facilitate effective learning by the students. Our diverse industry connections and collaborations help students to get exposure to the professional world. A dedicated placement cell supports students in obtaining suitable placements.

Once again, you all are welcome to an enriching and rewarding learning experience at the School of Finance and Commerce.

# VISION & MISSION

## Vision

*To be one of the leading Finance and Commerce institution globally that imparts value-based, multi-disciplinary and research-oriented education*

## Mision

To nurture aspiring professionals in the area of Finance and commerce by providing strong fundamental knowledge of the subject and its linkages with other areas of study.

To enable learners to understand the dynamic Business environment and to comprehend its implications through innovative pedagogical approaches.

To foster a culture of learning, innovation, collaboration and research through individual and team-based exercises.

## USP OF THE SCHOOL OF FINANCE & COMMERCE

- NEP implemented curriculum blended with interdisciplinary, multidisciplinary, vocational, ability enhancement compulsory and research specific courses in final year.
- Offer Three & Four Year UG programs & One year & Two-Year PG program under NEP 2020 with multiple entry/exit option.
- The program also supports the students with internship opportunities, as well as industrial visits to some of the leading companies in India.
- Learning through Case-based teaching; Self-learning through MOOCs, project reports, research paper writing, etc.
- Preliminary exposure to the practical world through internship and project report.

## Internships at School of Finance and Commerce

In SFC we provide opportunity to students to enrol themselves in internships for 4 – 6 weeks. All the UG and PG students get a chance to work in corporates and get hands on experience of real corporate culture. Basically, UG students are required to do internship after 4th semester while, PG students need to enrol in internship after 2nd semester. Our students have got opportunities in various well-known companies. Some of the names of those companies are mentioned below.
