## MESSAGE FROM DEAN

**Prof. Pramod Kumar Sharma**

Dean

School of Medical & Allied Sciences

It is my pleasure to welcome you to the School of Medical and Allied Sciences at Galgotias University. The School includes Department of Pharmacy, Department of Physiotherapy and Department of Paramedical & Allied Health Sciences. In the School, we offer the finest health science education to our students. Our classes are taught by highly distinguished faculty who bring academic and clinical expertise to the classroom. The School has state-of-the-art laboratories and a treasure of books.

A new teaching and learning system called 'Problem Based Learning' has been adopted right from the beginning. This system emphasizes on self-learning and small group discussions to provide students with problem solving abilities and promote learning experience suitable for this century. Our students are going to be not just medical scientists but also competent professionals who can develop a commitment to their profession and nurture the right attitude towards patient centric medical care.

As the School, we have a commitment to lifelong learning, achievement of excellence in all we do, and towards an improved quality of life for all those we serve. We look forward to welcoming you.

"I Thank Shri Suneel Galgotia ji, Chancellor Galgotias University, who has been a visionary, Philanthropist and above all a great humanitarian for providing me with the opportunity to serve this prestigious University and disseminate knowledge to the students.

I am happy to be a part of Galgotias University."
