ABOUT THE UNIVERSITY

The Galgotias University, Uttar Pradesh, sponsored by Smt. Shakuntala Educational and Welfare Society has been established by the state of Uttar Pradesh under section 2(f) of the UGC Act, 1956 vide The Galgotias University Uttar Pradesh Act, 14 of 2011. The University has been granted A+ accreditation by the National Assessment and Accreditation Council (NAAC).

ABOUT THE SCHOOL OF EDUCATION

Galgotias University, School of Education is offering the Bachelor of Education (B.Ed.) an undergraduate program and the Master of Education (M.Ed.) a postgraduate program. Both programs are full-time, regular, and face-to-face with two academic years duration (four semesters) and duly recognised by the National Council for Teacher Education (NCTE) under its regulations of 2014. In this composite and multidisciplinary university B.Ed. and M.Ed. programmes are being run, as required in NEP-2020, in collaboration with other schools/departments of the university such as Liberal Education, Basic and Applied Sciences, Commerce, Engineering and Technology, Nursing, Media and Mass Communication etc. University is also offering a Doctor of Philosophy (Ph.D.) in Education program for research and development.

MESSAGE FROM DEAN

Dr. Satyendra Gupta

Professor and Dean

We are pleased to welcome you to the Galgotias University School of Education. We are known for producing professionals of national and international acclaim. We have become a preferred institution for students, opting for their degree in teacher education. The Galgotias University, Uttar Pradesh, sponsored by Smt. Shakuntala Educational and Welfare Society has been established by the state of Uttar Pradesh under section 2(f) of the UGC Act, 1956 vide The Galgotias University Uttar Pradesh Act, 14 of 2011. Galgotias University is one of the leading and premier private Universities in Delhi/ NCR. In merely two decades of its commencement, it has created a mark for itself by being awarded the grade A+ by the National Assessment and Accreditation Council (NAAC) in its very first cycle and by being granted UGC's 12B status.

Owing to its highly qualified faculty, state-of-the-art infrastructure, and quality teaching and learning procedures, Galgotias University is emerging as one of the preferred institutions for students, opting for higher studies. With well-defined academic procedures and the stringent check on quality that has become a hallmark of Galgotias University, it has become the favourite destination for recruitment by renowned corporate houses and institutions.

Galgotias University established the School of Education in the year 2014 by starting the undergraduate Bachelor of Education (B.Ed.) program. In the year 2019 the school started two more programs at the postgraduate and research level, Master of Education (M.Ed.) and Doctor of Philosophy (Ph.D.) in Education. Both B.Ed. and M.Ed. programmes of the university are recognised by the National Council for Teacher Education (NCTE). The school is also offering a doctoral program 'Doctor of Philosophy' (Ph.D.) in Education from 2019. In a short span of time, Galgotias University School of Education is known as the top institution offering teacher education programmes. It has become a dream place for prospective teachers to pursue their B.Ed. degree from here.

At Galgotias University, our first aim is to foster the intellectual and academic development of prospective teachers and to instil values in them so that they become able to contribute to society and the nation. We also aim to gain a name and reputation in the field of teacher education, education and research through our commitment towards maintaining high standards in teacher preparation programmes. We have a highly-skilled, talented, dynamic and committed team of educators to impart innovative and specialized education in the field of education and teacher education.

The school has designed and developed its curriculum in line with the global trends and National Education Policy- 2020 to prepare its prospective teachers to have qualitative teaching

skills, global competitiveness, practical learning and hands-on experience relevant to the school environment and work culture. As per the recommendations of the NEP- 2020 here, you will learn about applications of artificial Intelligence and coding in education, python programming, professional competency, creativity, innovation, entrepreneurship, aptitude building and logical reasoning. Internship and field-based research projects are done by each student. Our teacher education programs' curriculums are matched with the renowned Universities of the country.

The School of Education provides state-of-the-art infrastructure and learning resources that help in creating a conducive learning environment for the professional development of pupil-teachers. The school provides a variety of learning experiences to prospective teachers on a regular basis at the physical, mental and intellectual levels, in both theoretical and practical terms. We also conduct many scholastic activities for their mental strength like quizzes, seminar presentations, project exhibitions, and many other competitions. We prepare an academic calendar for the smooth conduct of the programs. Our B.Ed. students are completing their internships in reputed schools of Delhi-NCR in their second and fourth semesters. We also help our students in their placement even before completing their B.Ed. program our many students are securing their teaching jobs in highly reputed schools of Delhi-NCR. Our B.Ed. students also remained successful in getting government teaching jobs in Kendriya Vidyalaya, U.P. Basic Education Department and Bihar government jobs.

We are giving opportunities to our prospective teachers to develop their personalities and teaching skills through teaching practice and school internships. We are also giving them exposure to NGO work. Our students regularly go for field visits, outreach and extension activities and participate in inter-college competitions. For preparing our students for school ready we give them many platforms to enhance their confidence and communication skills. We regularly conduct the assembly and celebrate various international and national days and festivals like Women's Day, Environment Day and many more.

Eminent education personalities from the topmost universities of the country regularly visit the university to help us shape our prospective teachers. We regularly invite school principals to

guide our students in upskilling them to be job-ready at their schools. For the same, we also offer many value added courses.

The School of Education has created a research environment among the students and faculty members. Not only M.Ed. and Ph.D. scholars even B.Ed. students are publishing their research papers, and book chapters and presenting their papers at international and national conferences. Students have been taking part in inter-college functions and competitions.

If you have a desire for social service, a love for teaching, creative, enthusiastic, and energetic and want to help the younger generation in their grooming, we invite you to become a part of our mission at Galgotias University and enjoy an exciting and challenging journey of the teaching profession.

"I Thank Shri Suneel Galgotia ji, Chancellor Galgotias University, who has been a visionary, Philanthropist and above all a great humanitarian for providing me with the opportunity to serve this prestigious University and disseminate knowledge to the students."

I am happy to be a part of Galgotias University.

INTERSHIPS

The internship program is one of the key elements of the B.Ed. and M.Ed. program. It is also called the backbone of the program. The school internship program is a type of program where the aspirant practices teaching in a school. It is compulsory for each B.Ed. and M.Ed. aspirant to attend the school internship program in order to get real-life experience with students and schools.
