Description	The School of Education, Galgotias University organized the Celebration of “Hindi Diwas” for B.Ed. and M.Ed. students on 19th September 2025. The event was conducted as a language and cultural awareness programme with the objective of promoting the importance of the Hindi language and strengthening students’ appreciation of India’s linguistic and cultural heritage. The celebration aimed to familiarize future teachers with the significance of Hindi Diwas, which commemorates the adoption of Hindi as the official language of India. Students were oriented towards the richness of the Hindi language, its literary tradition, and its continuing relevance in education, communication, and national identity. The programme commenced with a prayer and the recitation of the Gayatri Mantra, followed by a pledge taken collectively by the students and faculty members. Students then presented speeches, recitations, and reflections on the importance of the Hindi language, carrying forward the theme that Hindi is our identity and our pride. The event also highlighted the role of Hindi in the teaching-learning process and encouraged students, as future educators, to use the language with correctness, confidence, and pride. Active participation by students was observed throughout the programme, reflecting their enthusiasm for the language and its cultural heritage. The celebration of Hindi Diwas aligns with the following Sustainable Development Goals (SDGs): • SDG 4 (Quality Education): Promoting inclusive and equitable quality education through language learning and effective communication skills. • SDG 11 (Sustainable Cities and Communities): Strengthening efforts to protect and safeguard India’s linguistic and cultural heritage. The programme successfully enhanced students’ understanding of the Hindi language as an integral part of national identity and contributed to their overall professional development as future educators. The School of Education, Galgotias University, effectively organized the celebration of Hindi Diwas, reflecting the institution’s commitment to cultural values, linguistic diversity, and holistic education.
