Description (min 250 to max 800 words)*

A free eye camp was organized by the division of optometry on the occasion of

	<p>World Sight Day 2022 at E-002 Eye OPD. The theme of this world sight day was “love your eyes”, and the camp team didn’t only screen the eyes of multiple patients and visitors, but also made them aware about the benefits of routine follow-ups, giving proper rest to the eyes and lessening the screen time. Patients were dispensed with spectacle prescriptions or any eye exercises or treatment as per requirement. The event started with a publicity campaign run by the students wherein they went in all the university blocks physically to make people aware about the camp proceedings. The flyer was also shared with everyone and on social media. Registration counters were set in each block to help the interested subjects register themselves for getting the eyes checked and to be assisted towards eye OPD. Total number of patients who took the benefits of the free eye camp were students, faculties, CFM staff members, cleaning staff and guards. Around a total of 150 subjects were screened and the camp was a success!</p>
