## **1.Introduction**

The Seed Grant scheme of Galgotias University, is designed and incorporated to stimulate competitive research in upcoming strategic areas of national or international importance, to promote innovative product development and technology transfer, and/or to facilitate the start of research programs which will potentially develop into creative ecosystem on their own through external funding. The scheme is open throughout the year and the faculty are expected to send the proposal and get it reviewed thrice a year with a panel chaired by the Honorable Vice Chancellor.

## **2.Objectives**

- To aid a faculty to initiate a research process that has the potential to attract funds from external agencies.
- To testify a innovative idea and to generate preliminary results before submitting proposals to external agencies.
- To promote inter-faculty collaboration in emerging areas.
- To promote generation of IPR and product/process development.
- To attract and retain talent.

## **3.Awards**

- Grants shall be awarded with a maximum value of Rs.3 Lakhs.
- The duration of the Grant will be 2 to 3 years. It could be extended by another year after a complete review of the outcomes.

## **4.Eligibility**

- Any faculty member of Galgotias University with a PhD degree and good list of quality publications on the proposed seed fund topic with Galgotias University affiliation are eligible to apply for the seed funding
- Any group consisting of faculty of Galgotias University and their collaborators from other institutes who will be shall provide an undertaking that they will submit the extended proposal for an externally funded program with the same proposers during or within 6 months of the completion of the seed funded project.
- Any group comprising Galgotias University faculty, PhD scholars, undergraduates, and post- doctoral students belonging to Galgotias University with the principal

investigator (PI) being a Galgotias University faculty with Doctorate degree. Only Galgotias University faculty can be PI. Participation by students of any category is encouraged but they may be only named as personnel in the project. They can be added as volunteer in the project who will be part of the project without any financial benefits.

- At any time, a PI can submit only one application. As a coinvestigator, any number of projects can be applied.
- The PI at the time of submission of application shall not have a running project funded by the seed-funding scheme in which he or she is the PI.

### **5. Application Process**

- The message of call for proposals will be circulated through Deans to all the faculty members by Honorable Vice Chancellor.
- Pre-proposals should be submitted for short-listing.
- The short-listed applicants will be asked to submit a full proposal of the prescribed format including figures and references.
- The full proposals will be reviewed by a selection committee that will also consist of an external expert. The PI will be invited to make a presentation before the selection committee.
- Decision on the grant award will be announced through email by the deans concerned.

### **6. Submission Deadlines**

Proposals will be invited maximum thrice in a year. A decision will be made within 5 weeks of the submission deadline of the application.

### **7. Selection criteria**

- Innovative and interdisciplinary research.
- Team of faculty members with H-Index more than 10.
- Promise of innovative research that can attract external funds.
- Efficient budgeting.
